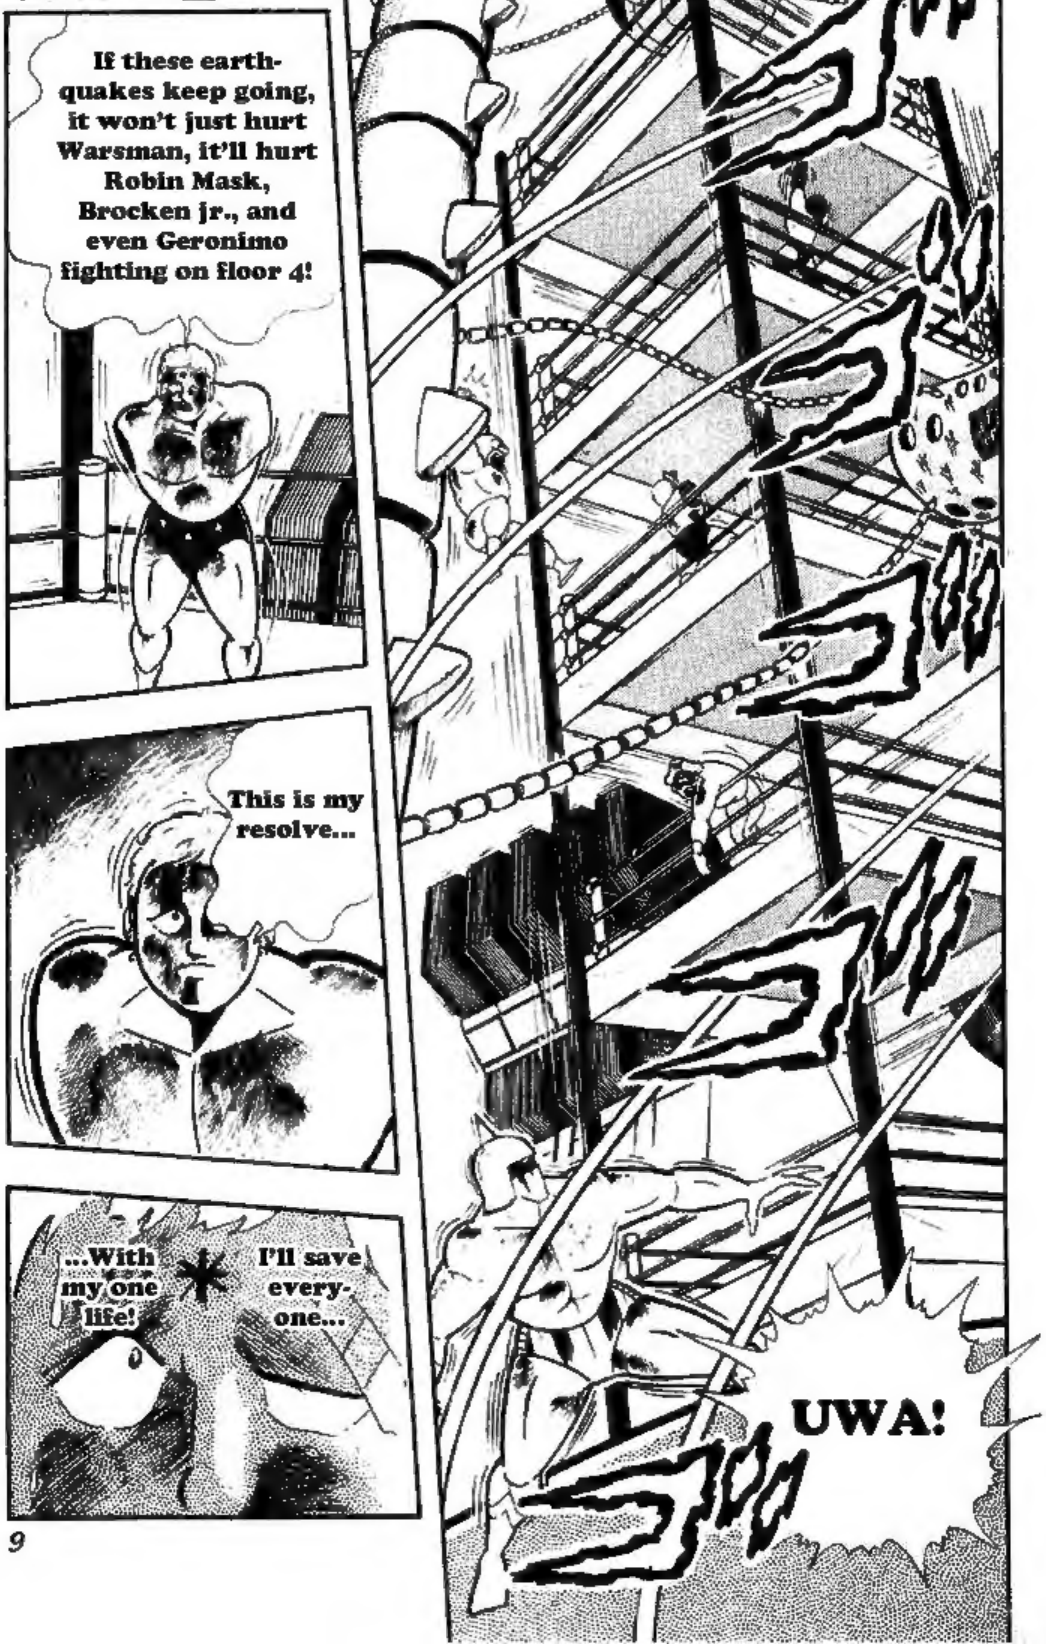
Golden Mask arc 22
Surpassing Life-and-Death!
Use your Ashura Buster! Just do it above Warsman's Control Unit!
Terryman wants to be hit by the deadly Ashura Buster to stop the earthquakes inside of Warsman!
A Team Kinnikn Release

Terry, even if the Control Unit breaks the fall, you still won't survive another Ashura Buster!
Terryman is quickly approaching Ashurman!
Of course. If I take another Ashura Buster, I'll die.
Then why are you running to your death!?
Owa!
Uwa!



If these earthquakes keep going, it won't just hurt Warsman, it'll hurt Robin Mask, Brocken jr., and even Geronimo fighting on floor 4!
This is my resolve...
...With my one life!
I'll save everyone...
UWA!

Wait, Terry!
Being the only sacrifice is a small matter!
Don't do it, Terry!
Wait a sec!
Okay! Tornado...
...and drop you onto the Control Unit?
Heh... interesting. You want to take my Ashura Buster...
No! It's not because I'm afraid of your Ashura Buster!
What? Take it like a man, Terryman!

Ashuraman, your six arms were all taken from the Seven Devil Chojin that were execute, but I only see the arms of Atlantis, Black Hole, Mr. Khamen, and The Mountain... Plus I tore off the arms of Stecase King and Springman...
Alright. I wouldn't deny your last request.
There's something I want to ask you before I die...
The arms of Buffaloman, the Seventh Devil Chojin!
Why don't you have them?
!
That day... When the Seven Devils failed and were handed over to us for decapitation...
KAKAKAKA! I don't know what you're thinking, but the answer is simple!

However, no matter how much I pulled and struck Buffaloman's arms, they wouldn't budge!
I, who had just lost my arms, took the arms from the still-breathing Chojin and made them my own!
...but I already had all six arms, so I decided to leave them behind.
It would have been great to have Buffaloman's 10-million power arms...
So, where are his arms, now?
Even if he has 10 million power, it won't do him any good as a corpse!
Buffalo-man's corpse is in there, too.
We tossed them all into the pit full of Chojins we've killed.

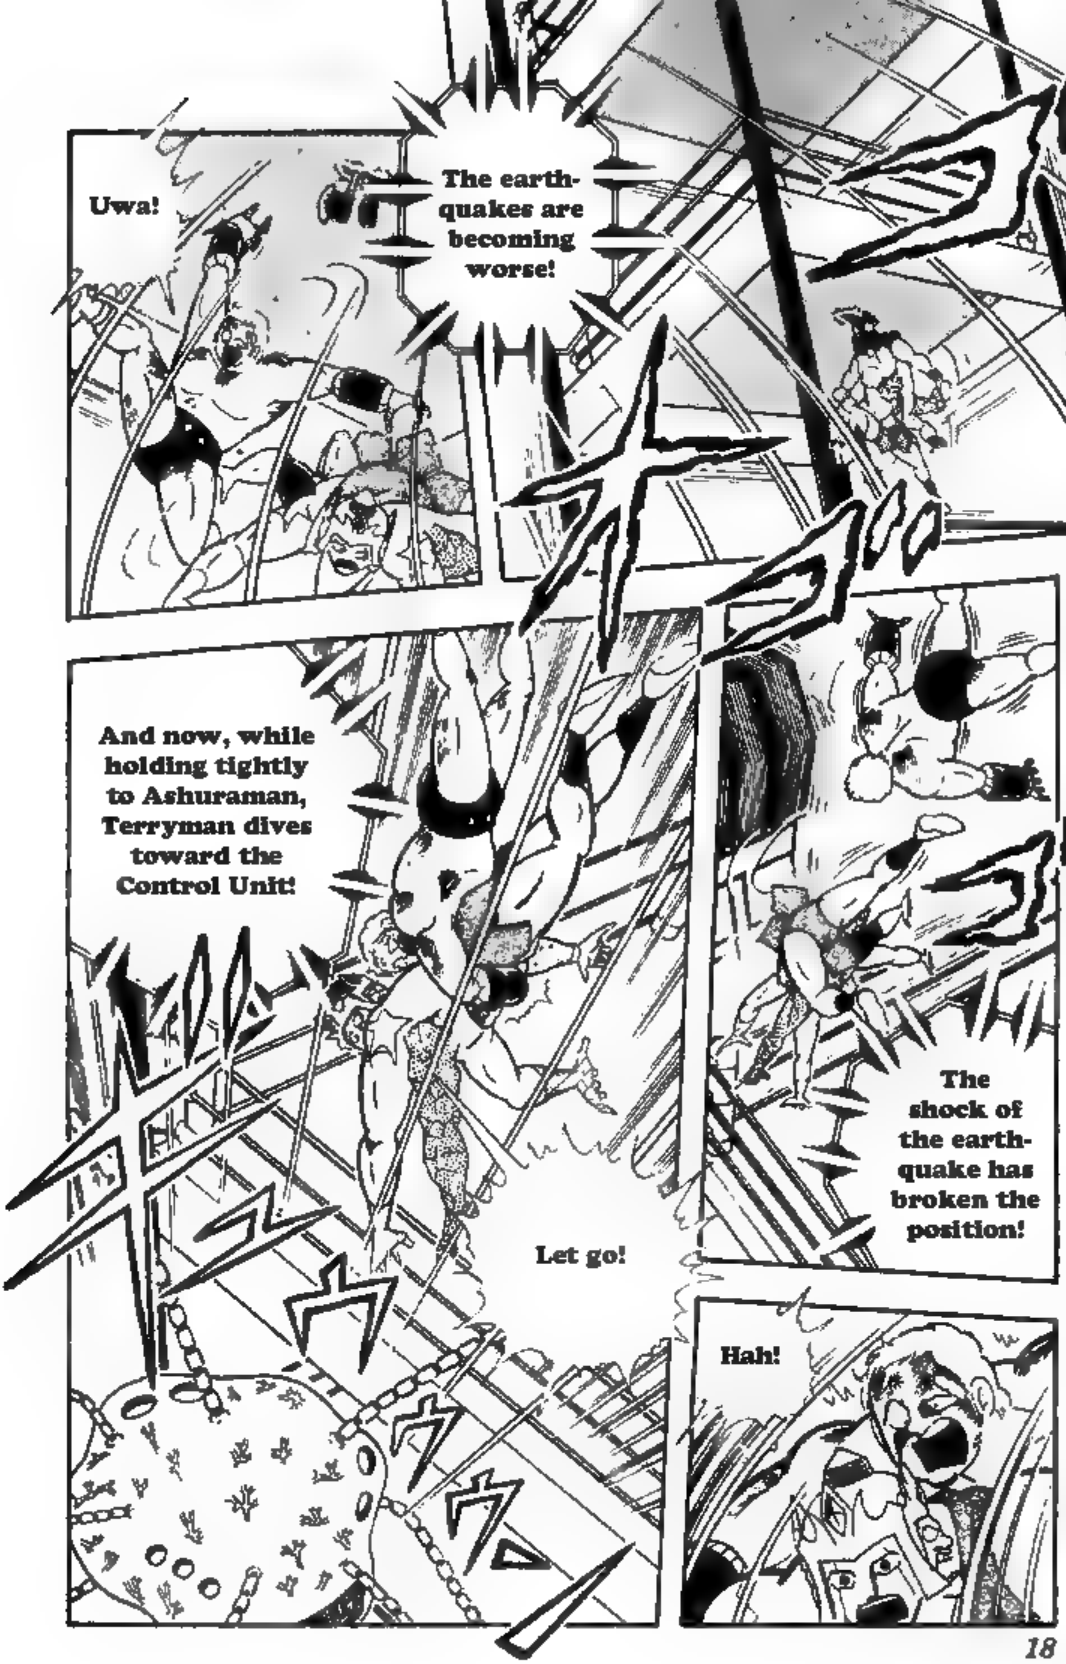
Tor-nado Hell!
Don't worry, when you lose this match, we'll toss you in that pit, too!
That's awful! That brave Devil Chojin who had that magnificent loss, has just been tossed away in some grave pit!?
Here's another one!
Uwa!
The tornados are attacking Terryman from both sides!
.....
And he's been thrown into the air!

Aah!
Terry, I won't let you die alone! I'll cut open my stomach!
DIE!
Whatever Geronimo was trying to do, his tomahawks have missed his stomach and hit the canvas!
?
Wha!

Uwa!
Ashuraman has put Terryman in the Ashura Buster!
Ashuraman's quickly approaching the ceiling!
Gahahaha! You can't run anymore!
Grave Pit
Buffalo-man's arms, lend me your power!
Terry!

As I promised, right down onthe Control Unit.
Okay, this seems high enough!

Terryman has arms!
These arms are...!?
What!?
Those aren't Terryman's arms, those belong to Buffaloman of the Seven Devil Chojin!
It's a miracle! Not only has Terryman grown arms, but he also managed to grab Geronimo's missed Tomahawks, stopping the Abura Buster!



Uwa!
The earth-quakes are becoming worse!
And now, while holding tightly to Ashuraman, Terryman dives toward the Control Unit!
The shock of the earth-quake has broken the position!
Let go!
Hah!

That crash just now!
Honorable Death Drop!
Has it stopped the earth-quakes!?
It looks like they won't stop without the Ashura Buster!
They haven't stopped! It failed!
Buffaloman's arms!

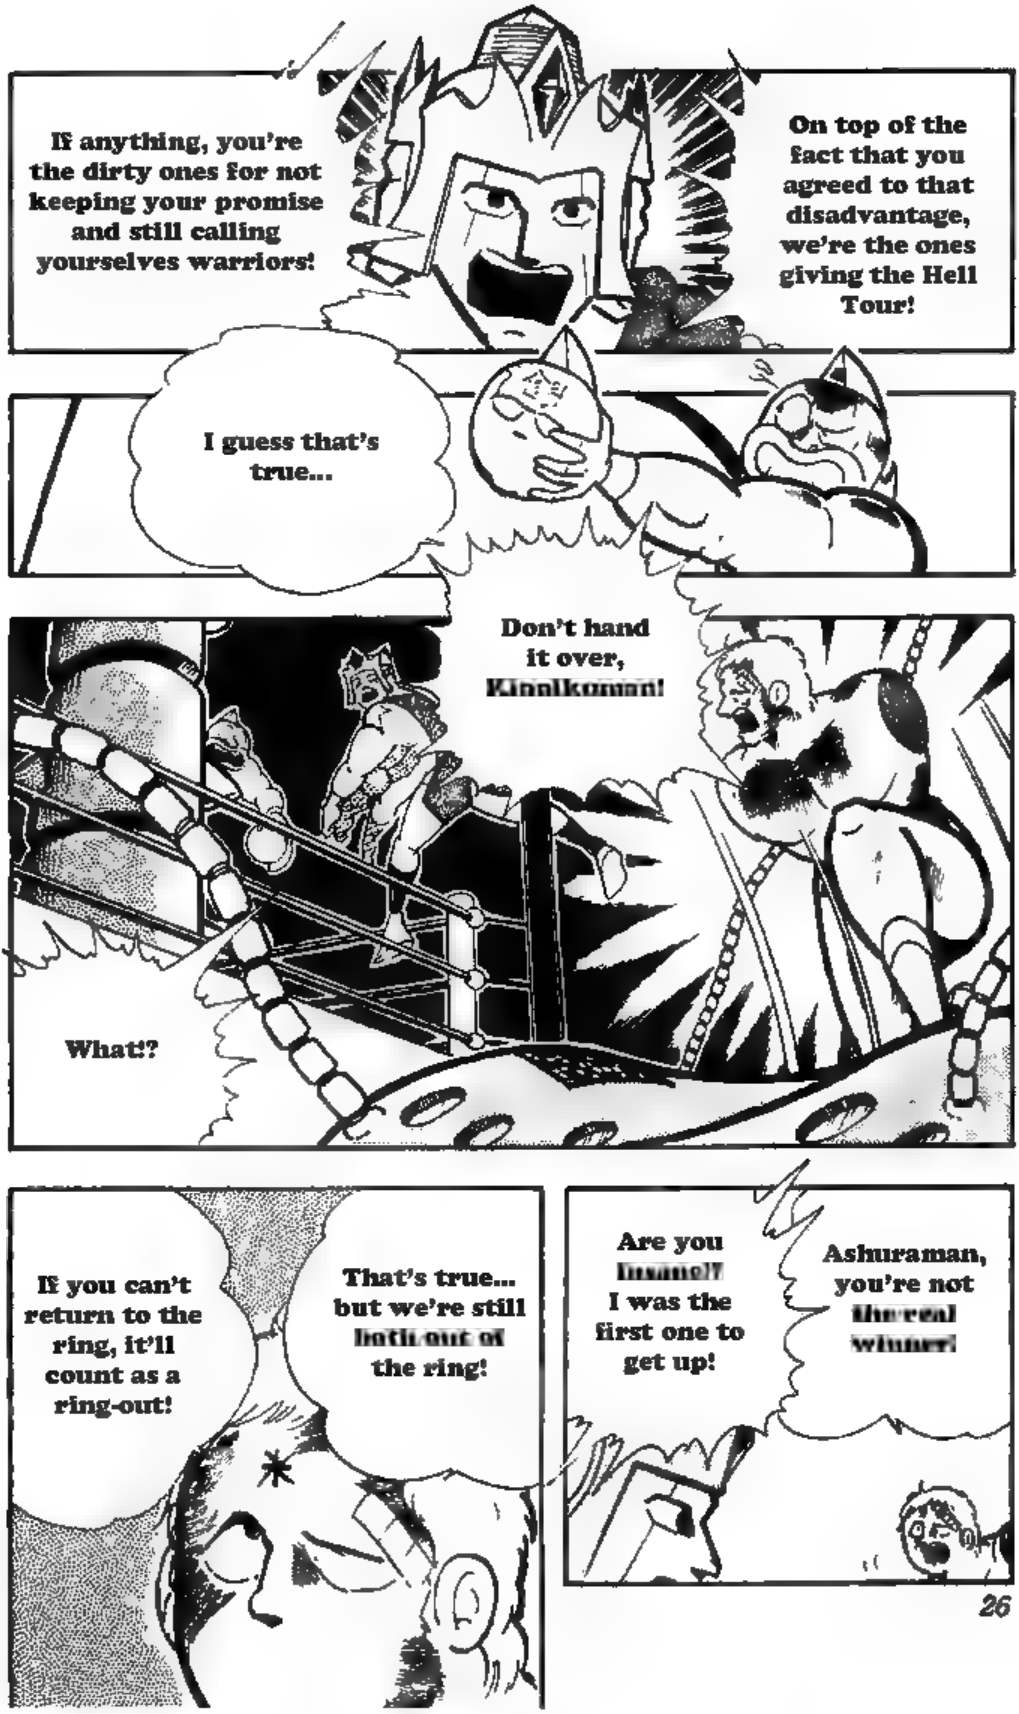
Give us just one more miracle!
Buffaloman's 10 million power has given the Control Unit a shock equal to the Ashura Buster!
It stopped!
MAY
YOSHIKI

Thank you, Buffalo...
Man...
Look! Terryman has...
Will it be Kahunaman or Terryman!? Whoever stands up first is the winner!
The earth-quakes have stopped, but the match isn't over yet!

Watch the top of the Control Unit! Will the first one to stand be Terryman...
...3!
...4!
...or will it be Ashura-man!?
You can do it, Terryman! Carry our winning streak over to Geronimo!
Terryman!
Terry!
I'm sorry...
...5!
...6!
Both fighters seem to be out of power!

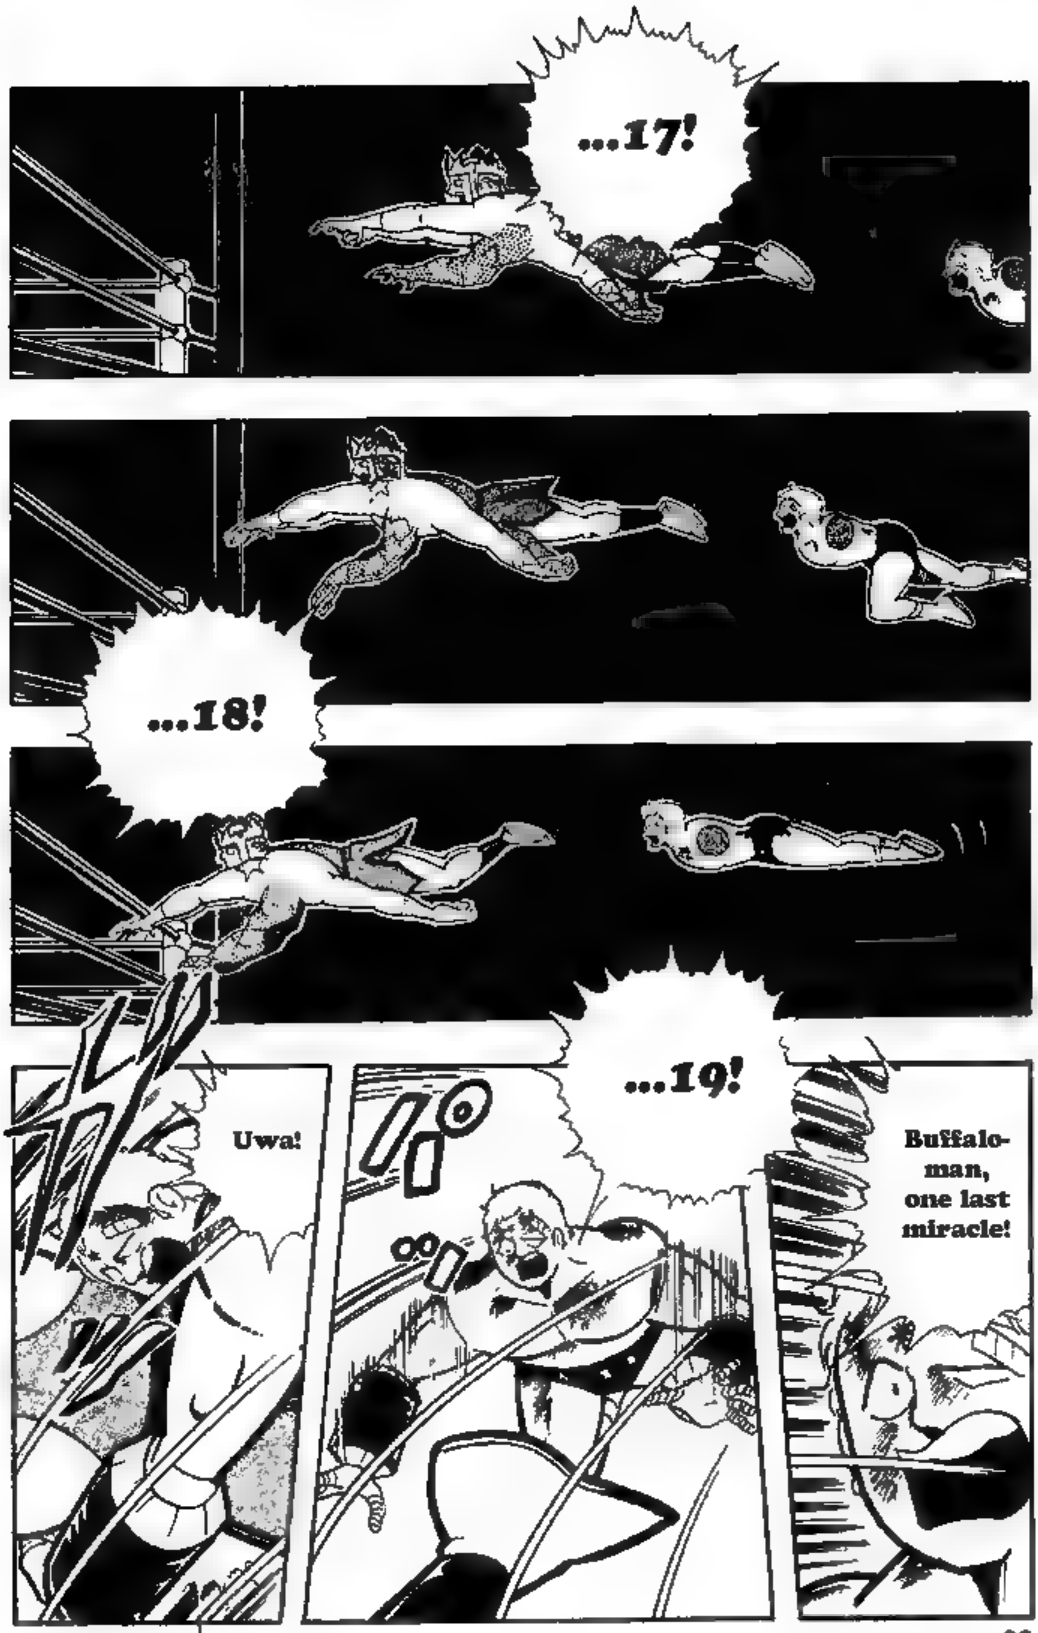
..but this is the end of the Justice Chojin's winning streak!
The first to stand is the Devil Knight Ashuraman!
Golden Mask Arc 23
Winning Streak Broken!?
A Team Kinniku Release

Ugh...
Alright Kinnikuman, hand over your Silver Mask!
You managed to shock the Control Unit and stop the earthquakes, but you seem to be out of power!
That's dirty! Why should I have to give this up for one loss, if you don't even give up the real Gold Mask when you lose!?



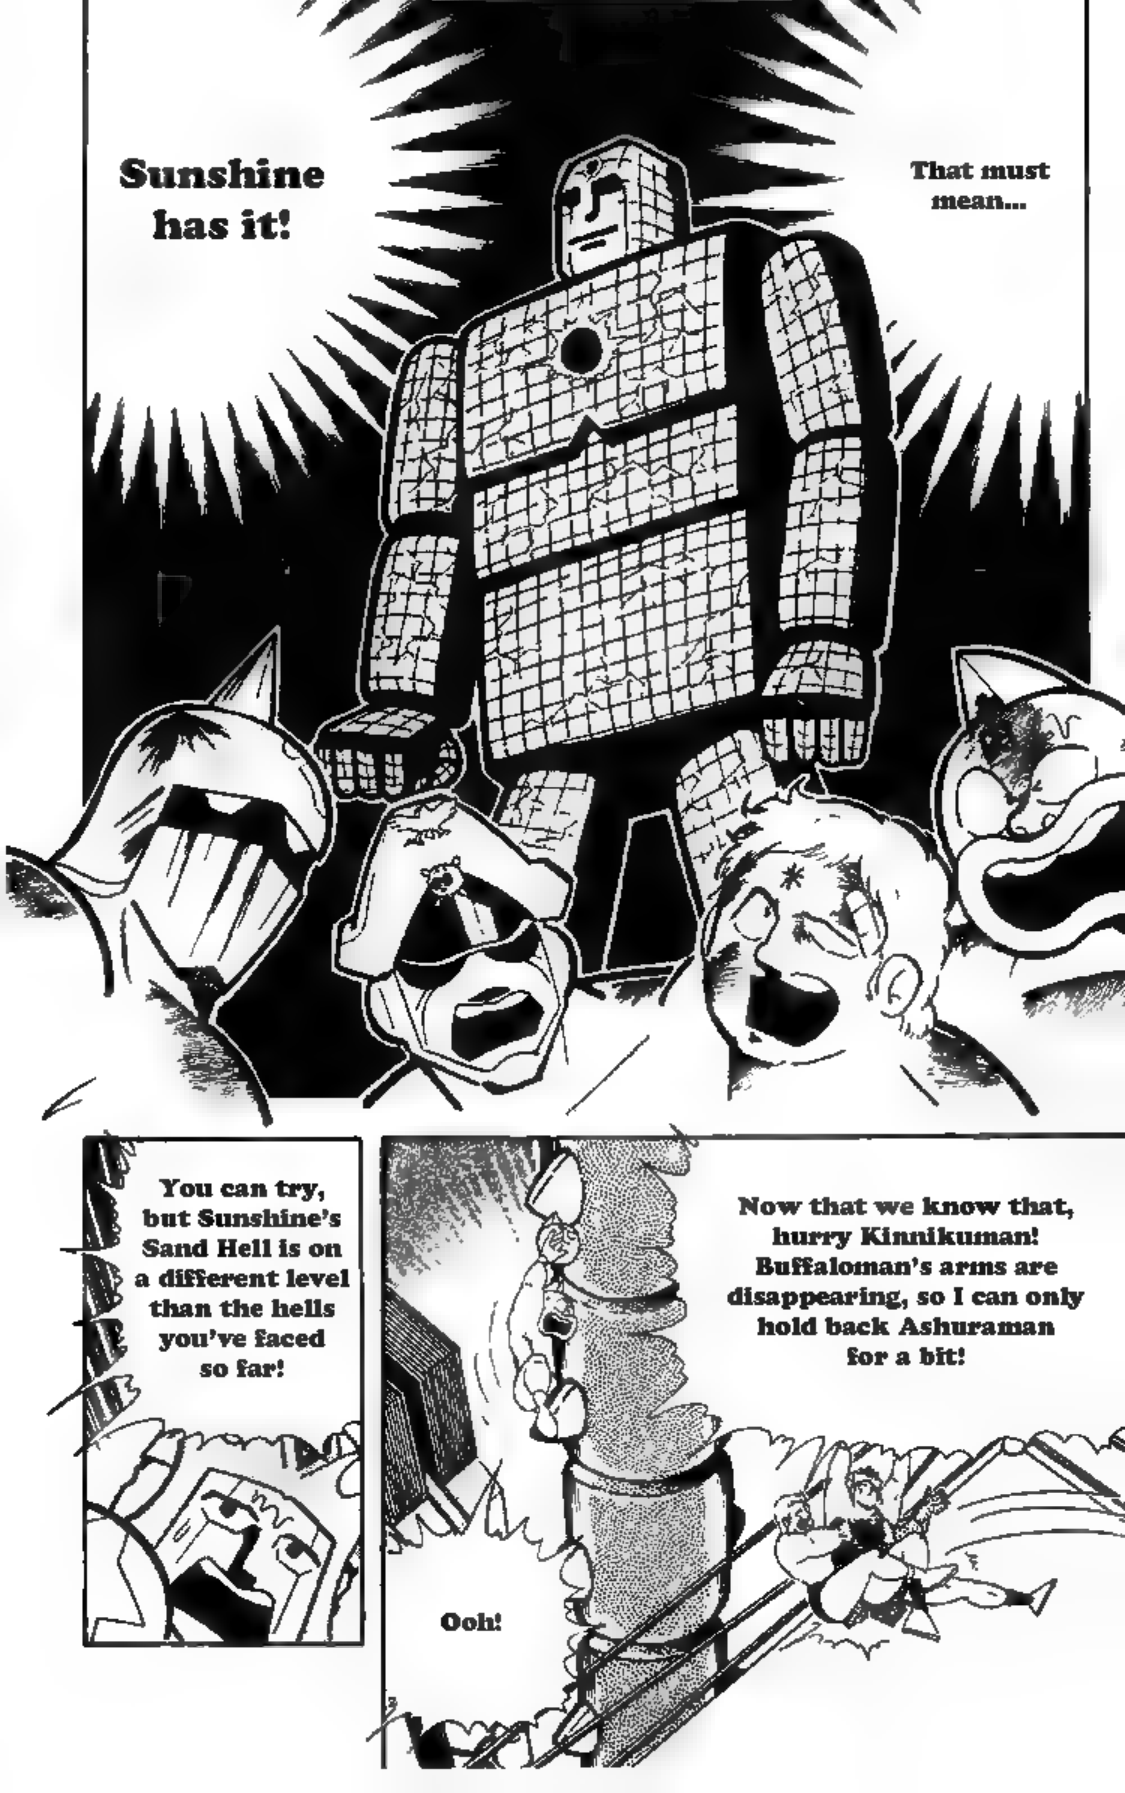
If anything, you're the dirty ones for not keeping your promise and still calling yourselves warriors!
On top of the fact that you agreed to that disadvantage, we're the ones giving the Hell Tour!
I guess that's true...
Don't hand it over, Kinnikuman!
What!?
If you can't return to the ring, it'll count as a ring-out!
That's true... but we're still both out of the ring!
Are you insane!? I was the first one to get up!
Ashuraman, you're not the real winner!

Ashuraman rushed his victory and forgot to get back to the ring!
...of course! I forgot to return to the ring!
...15!
They still haven't finished the countdown! If I can get back before they reach 20, I still win!
Can I stop him!?
...16!
Ashuraman is racing back to the ring to claim victory, while Terryman tries to stop him!



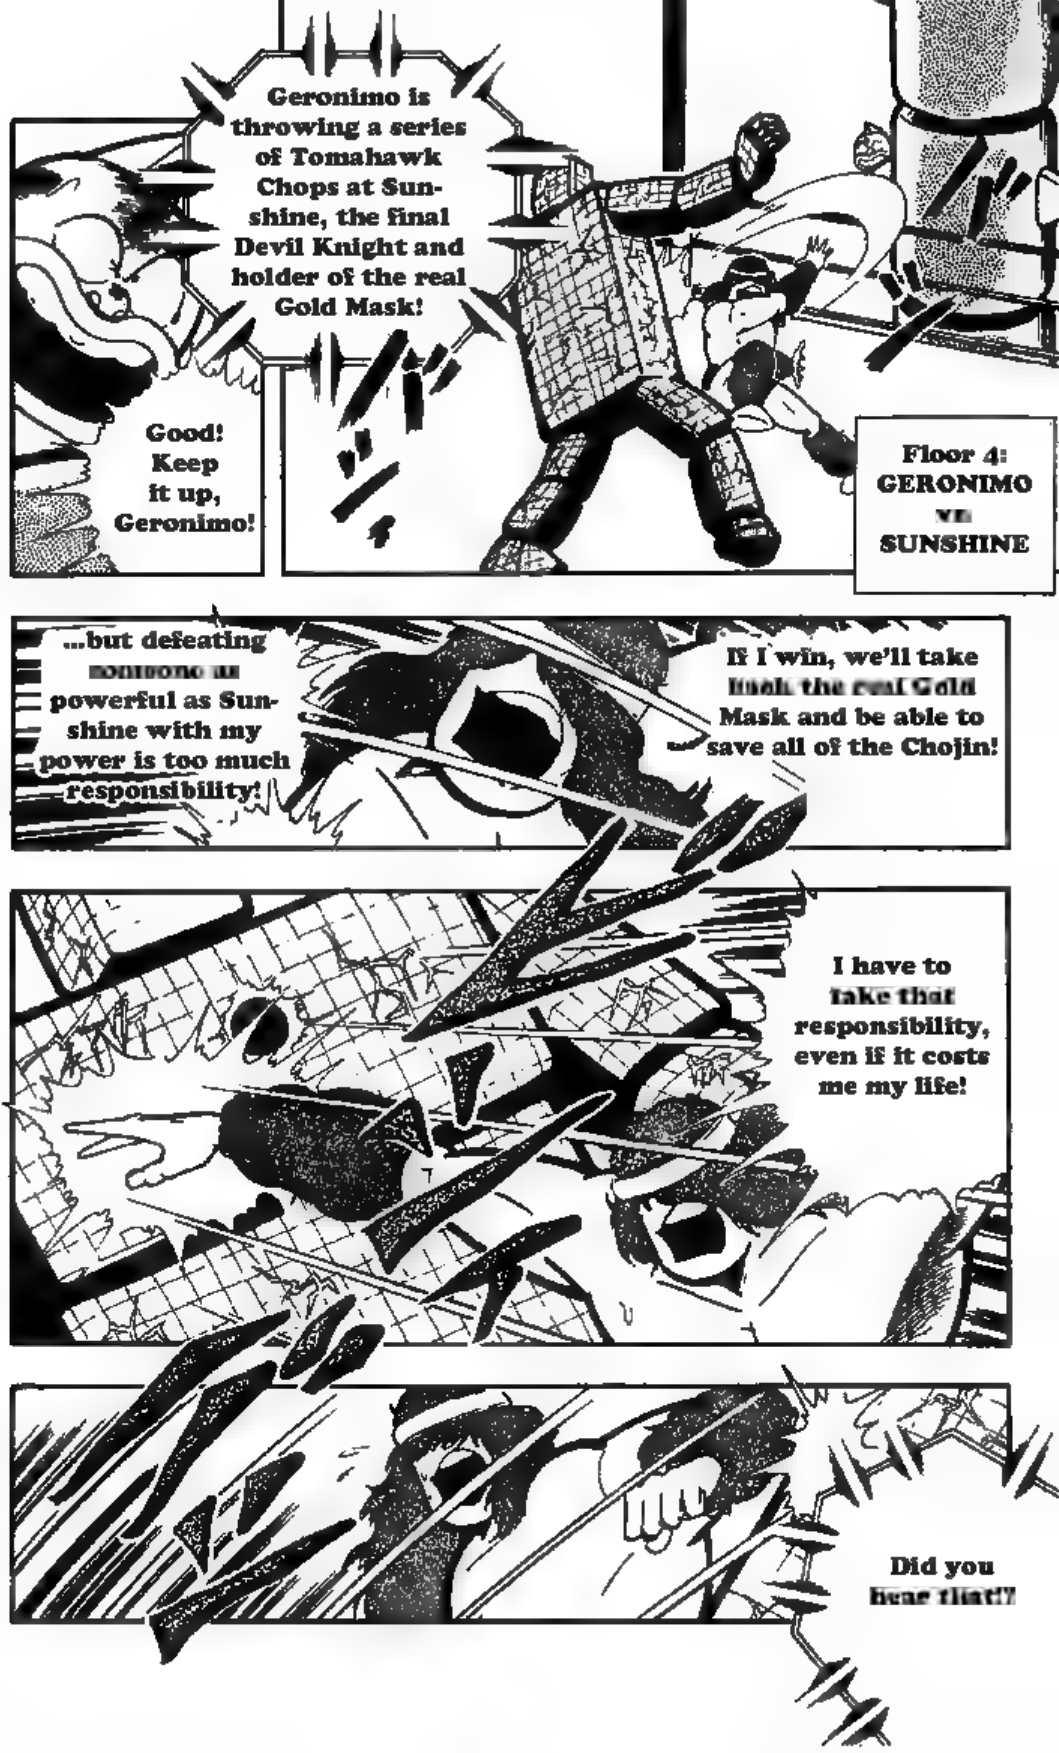
...17!
...18!
...19!
Uwa!
Buffalo-man, one last miracle!

Terryman tackled him! Right now, both of them are out of the ring, ending the match in a draw!
Terry!
...20!!
Hahaha! It looks like the Gold and Silver Masks coming together won't be happening in the devil's future!
So far, we've gotten five of the fake Gold Masks, so the last one must be real!
It's cracked! Another fake!
Hand over the Gold Mask!



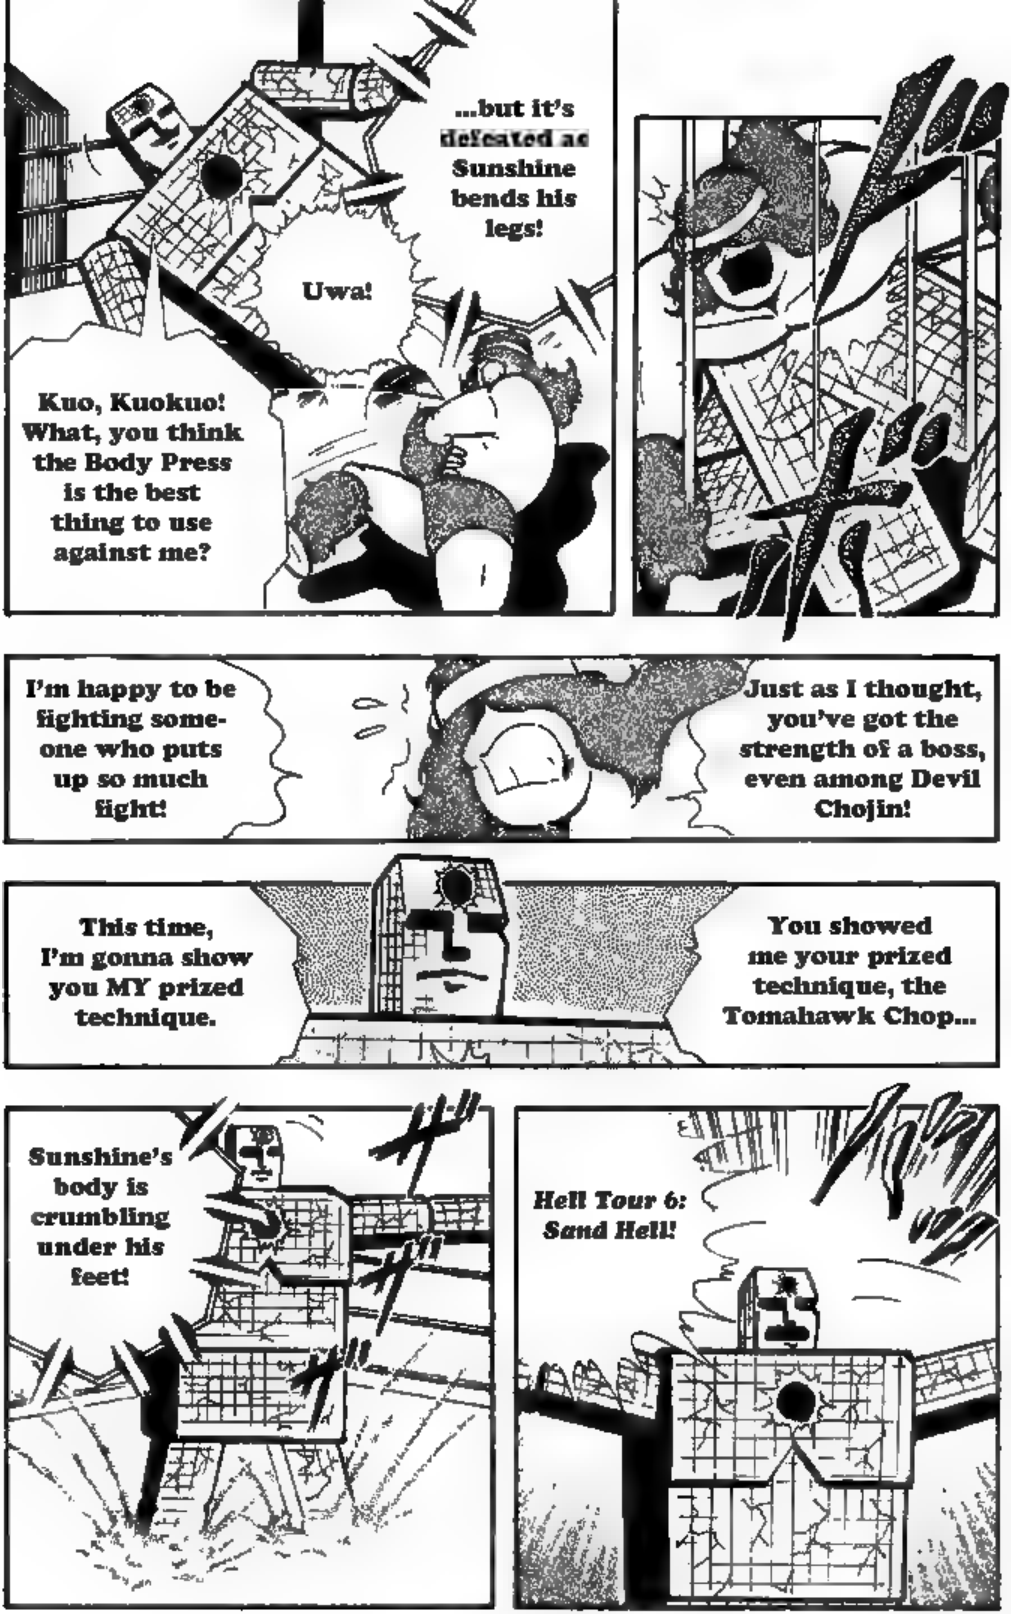
Sunshine has it!
That must mean...
You can try, but Sunshine's Sand Hell is on a different level than the hells you've faced so far!
Now that we know that, hurry Kinnikuman! Buffaloman's arms are disappearing, so I can only hold back Ashuraman for a bit!
Ooh!

Let go of me!
All of you put together wouldn't even be enough to get back the Gold Mask!
Nobody has ever survived it!
Buffalo-man's arms have faded away, and I'm at my limit...
After you've helped me so much...
グラ
Buffalo-man...
Someone help! He won't let go!
My loss is a disgrace to you...
JUSTICE CHOJIN: X-TERRYMAN (RING OUT)
DEVIL KNIGHTS: X-ASHURAMAN
JUSTICE CHOJIN: 2 WIN 0 LOSS 1 DRAW



Geronimo is throwing a series of Tomahawk Chops at Sunshine, the final Devil Knight and holder of the real Gold Mask!
Good! Keep it up, Geronimo!
Floor 4: GERONIMO vs SUNSHINE
...but defeating someone as powerful as Sunshine with my power is too much responsibility!
If I win, we'll take back the real Gold Mask and be able to save all of the Chojin!
I have to take that responsibility, even if it costs me my life!
Did you hear that!?

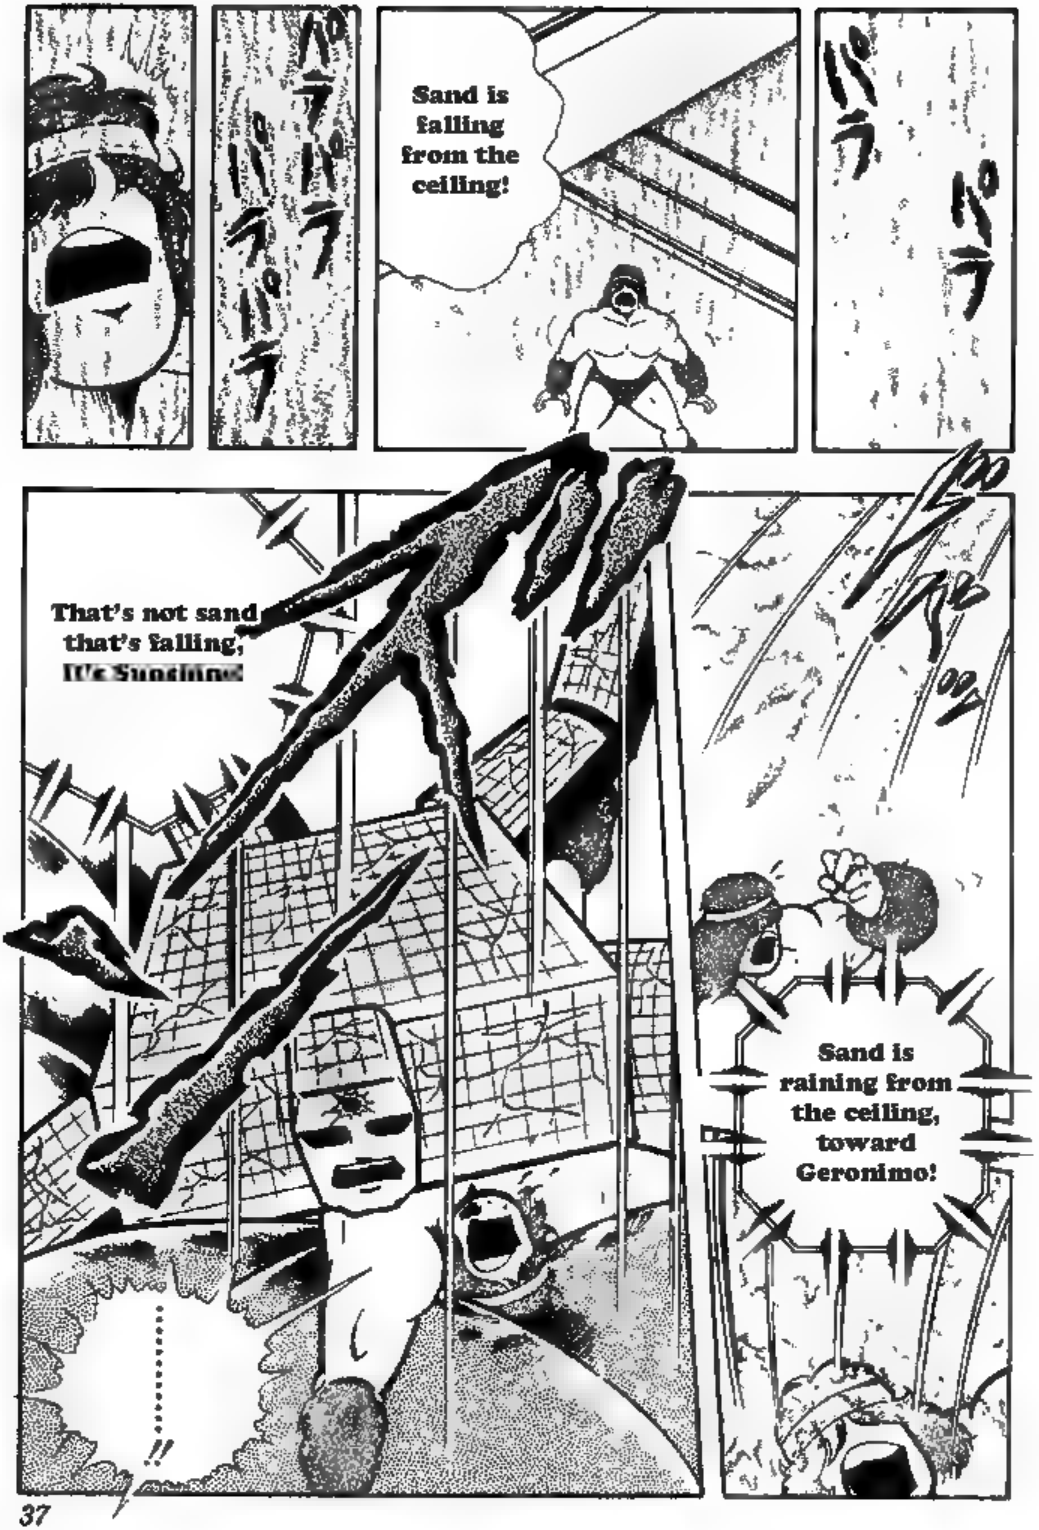
After taking so many Tomahawk Chops...
...he's shaking!
You did it!
Finally, Sunshine has fallen!
Ayayaya!
Without a moment's delay, he aims a Flying Body Press at Sunshine!



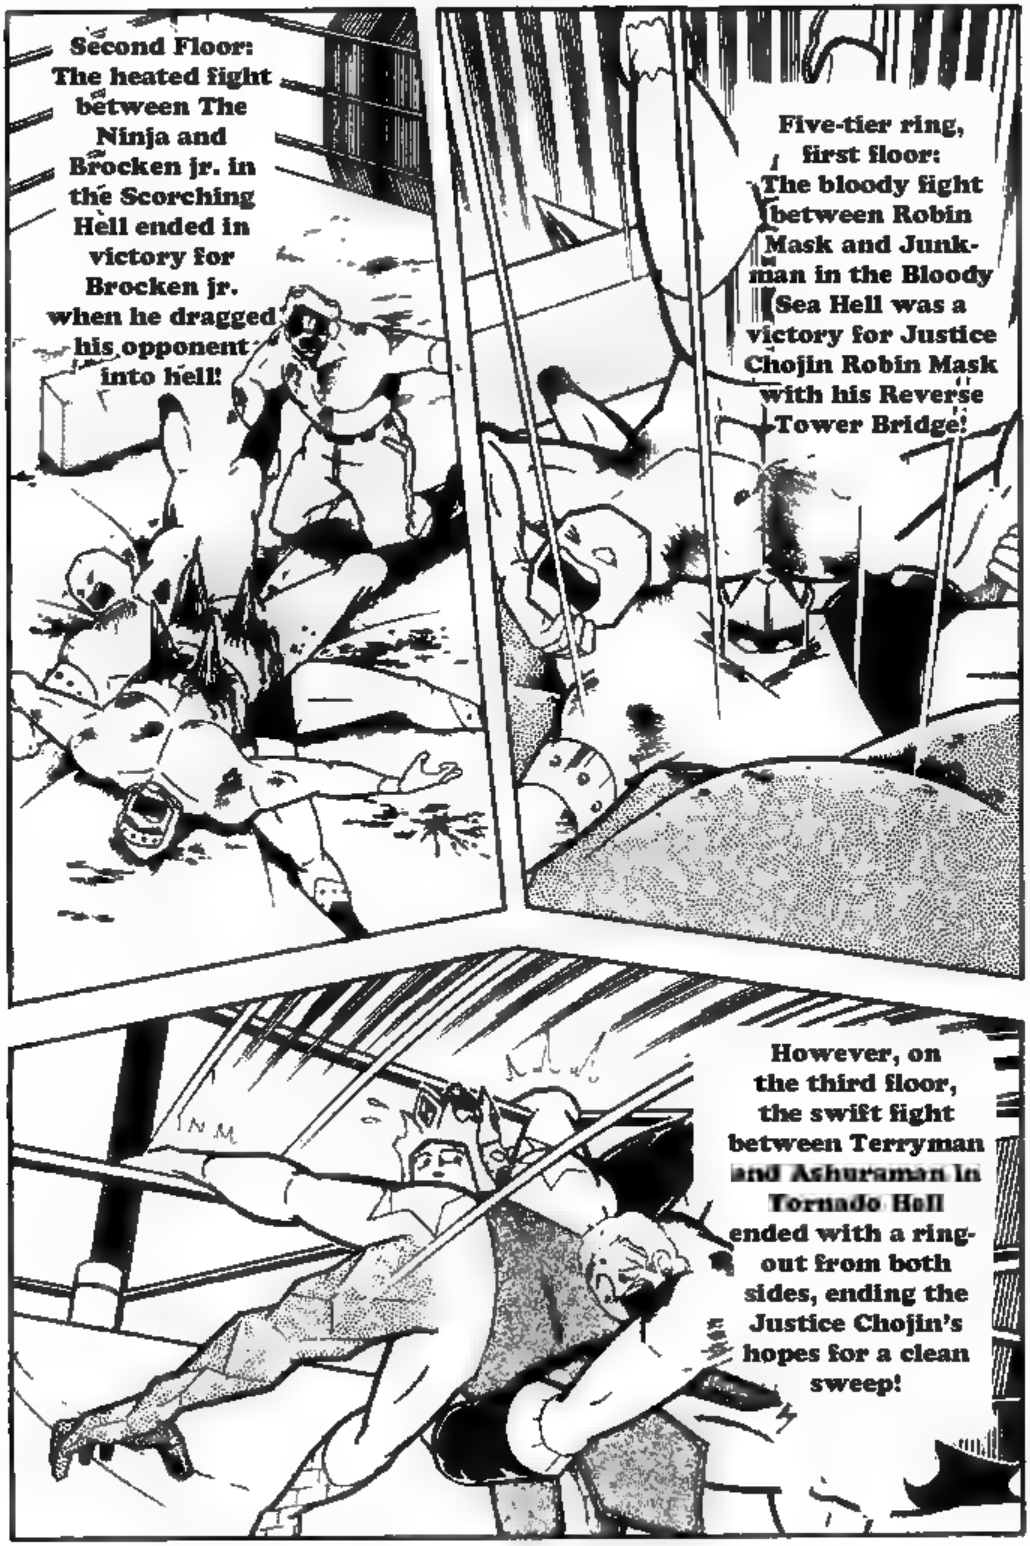
...but it's defeated as Sunshine bends his legs!
Uwa!
Kuo, Kuokuo! What, you think the Body Press is the best thing to use against me?
I'm happy to be fighting someone who puts up so much fight!
Just as I thought, you've got the strength of a boss, even among Devil Chojin!
This time, I'm gonna show you MY prized technique.
You showed me your prized technique, the Tomahawk Chop...
Sunshine's body is crumbling under his feet!
Hell Tour 6: Sand Hell!

ズズ
ゴォ
ゴォ
This here is the Sand Hell, and it's said to be the worst hell of all!
That's a lot of sand...
Sunshine's body has vanished, leaving behind a huge pile of sand!
Huh!?
If I set even one foot on this sand, I'll be dragged into the endless abyss of sand and never be able to escape!
I see the true form of your Sand Hell! It's like an ant lion!
Sunshine is the sand!

It's not that hard!
But I can take down this poor technique!
Geronimo has spun around with his Tomahawk Chop, blowing the sand away!
Sand is weak to wind! *Tomahawk Tornado!*
What!?
Kua Kuakua! Geronimo, you think that's all there is to my Sand Hell, huh? Well, you're greatly mistaken.
Sunshine, turning into sand was a bad move.



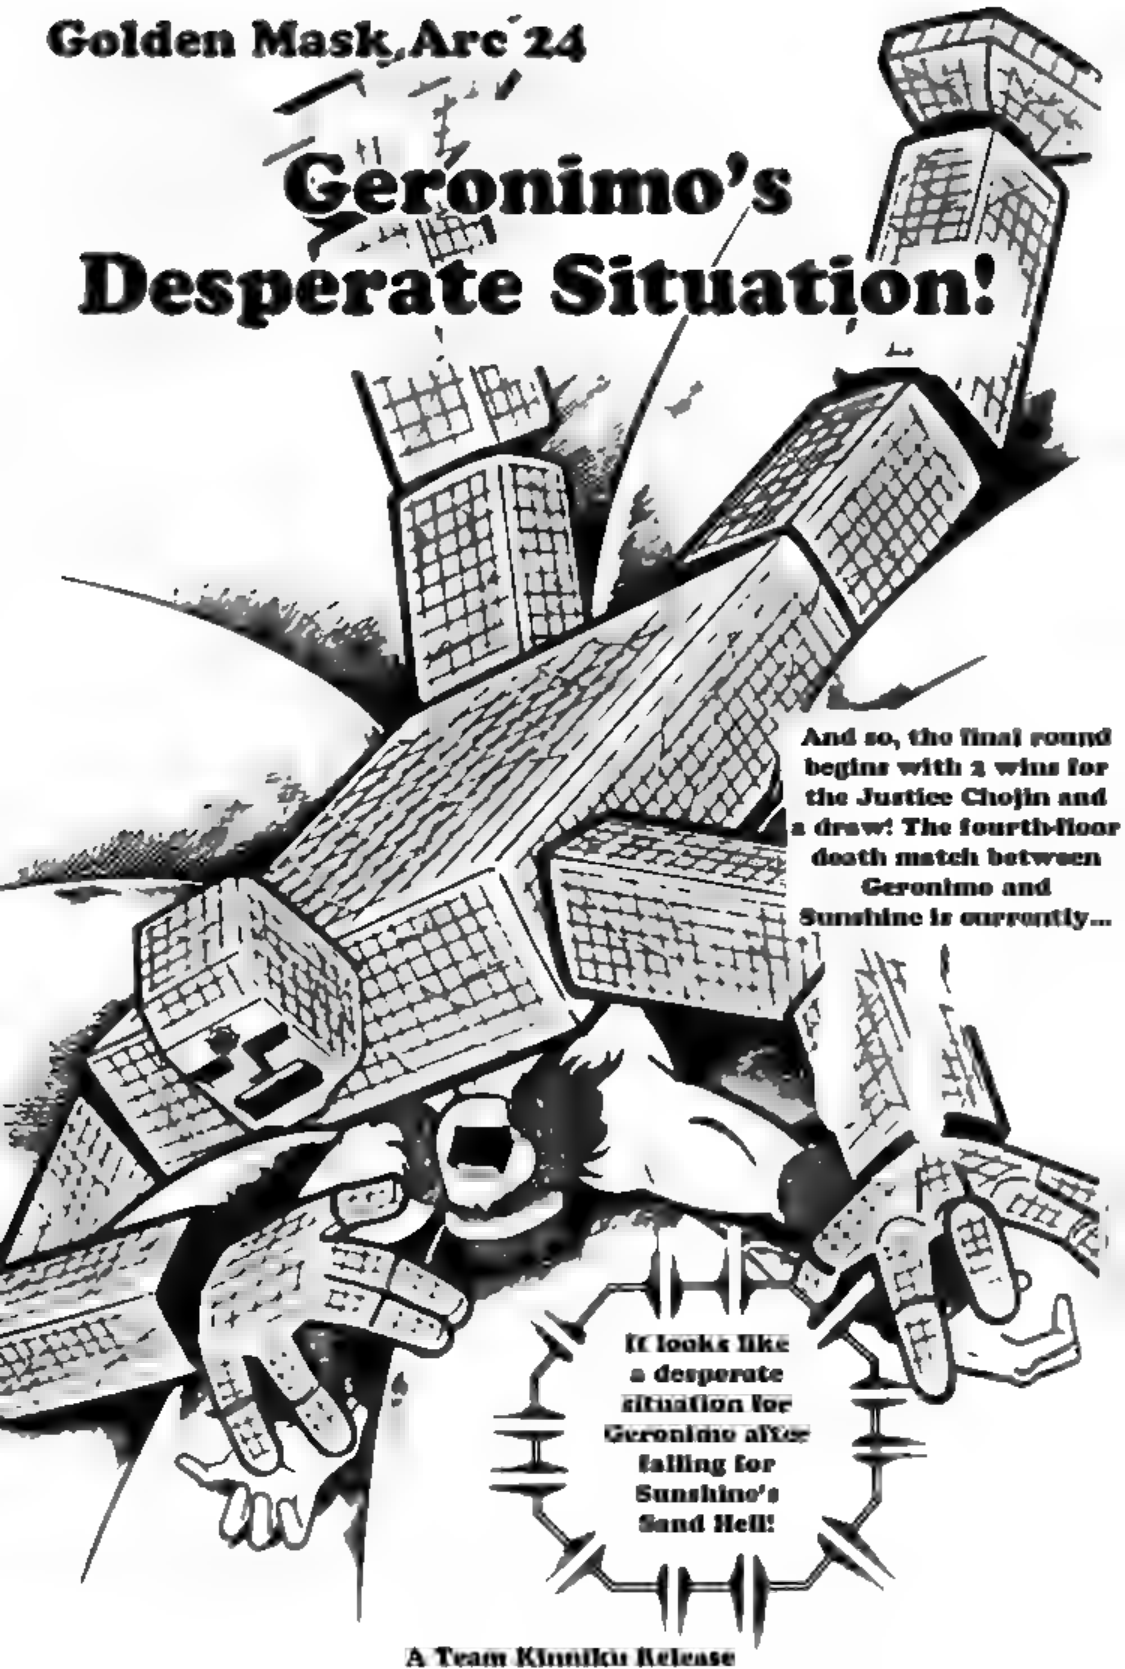
パラパラパラパラ
Sand is falling from the ceiling!
パラパラ
That's not sand that's falling,
It's Sunshine!
!!
Sand is raining from the ceiling, toward Geronimo!



Second Floor: The heated fight between The Ninja and Brocken jr. in the Scorching Hell ended in victory for Brocken jr. when he dragged his opponent into hell!
Five-tier ring, first floor: The bloody fight between Robin Mask and Junkman in the Bloody Sea Hell was a victory for Justice Chojin Robin Mask with his Reverse Tower Bridge!
However, on the third floor, the swift fight between Terryman and Ashuraman in Tornado Hell ended with a ring-out from both sides, ending the Justice Chojin's hopes for a clean sweep!

Golden Mask, Arc 24

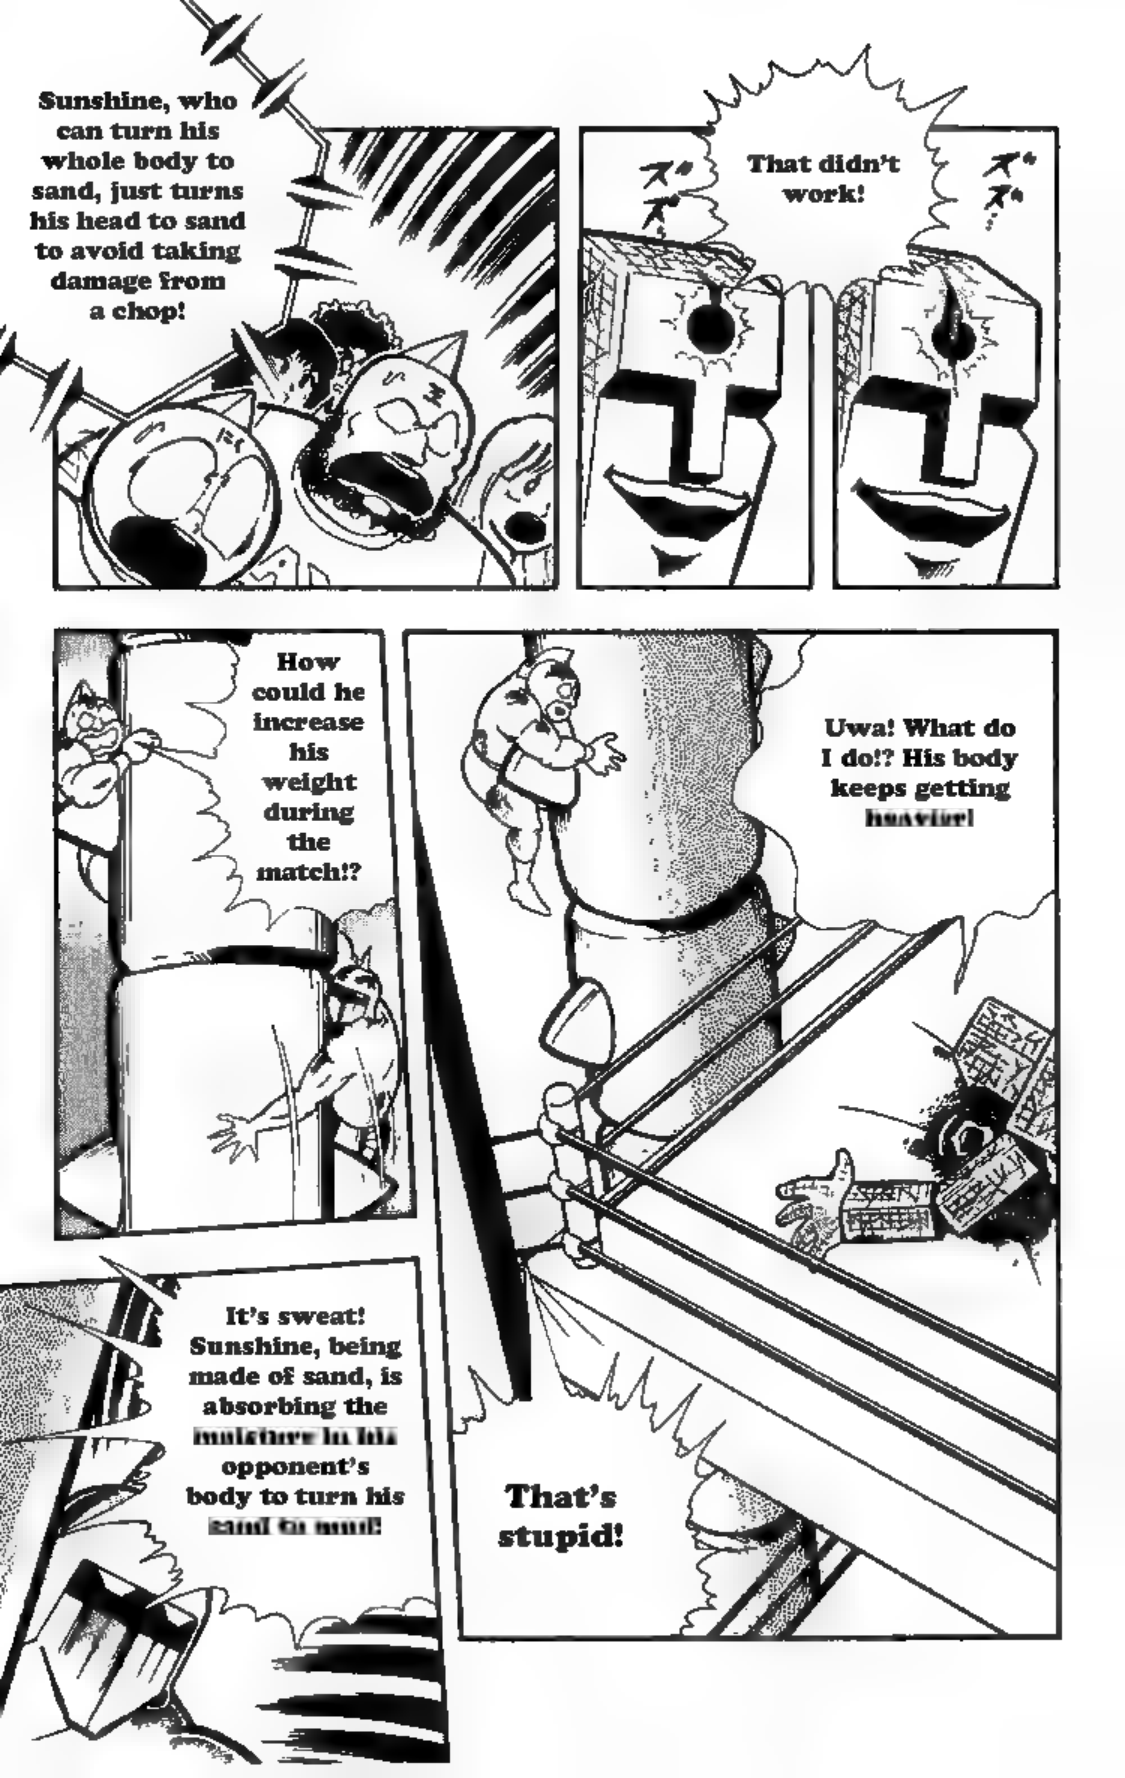
Geronimo's Desperate Situation!



And so, the final round begins with 2 wins for the Justice Chojin and a draw! The fourth-floor death match between Geronimo and Sunshine is currently...
It looks like a desperate situation for Geronimo after falling for Sunshine's Sand Hell!

A Team Kinniku Release

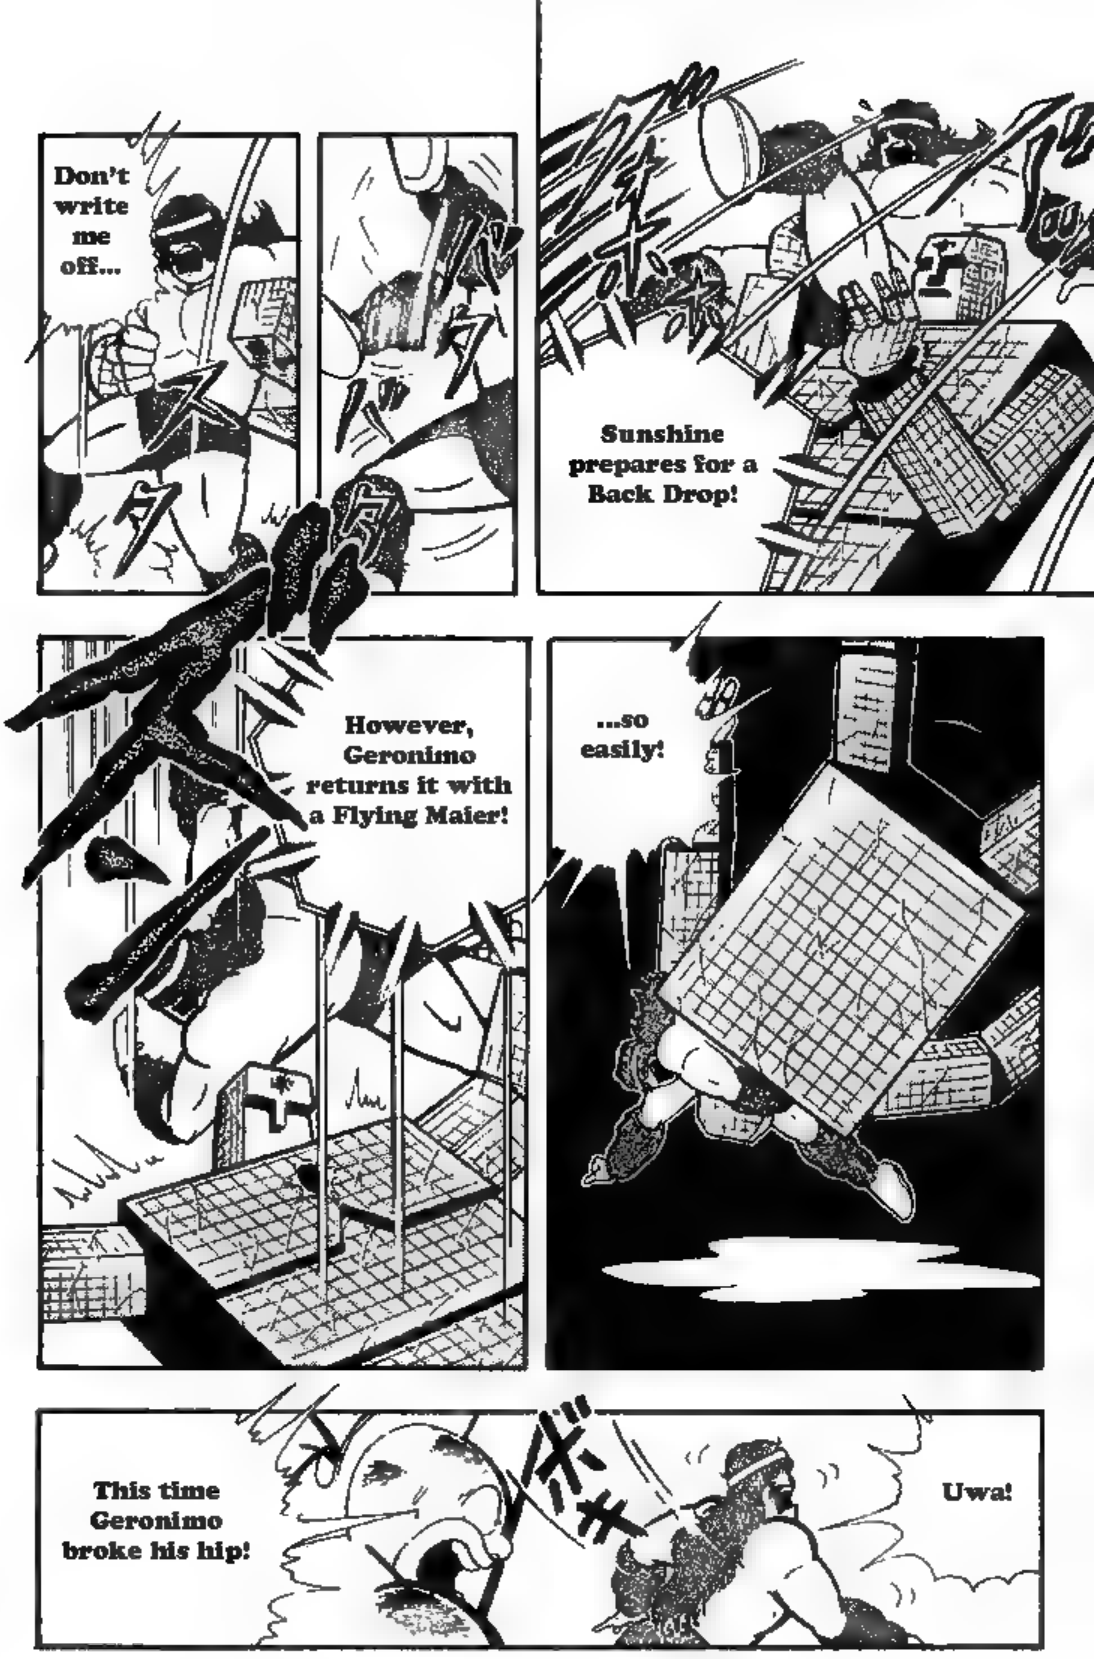
It doesn't look like you can escape...
You know, it's true sand is weak against strong gusts, but it also has a habit of blowing into small places, like tiny cracks in the ring!
How did the sand get on the ceiling!?
Of all of the Justice Chojin, it's true that I burn the softest...
But you can't keep me down!
My Toma-hawk Chop!
Guo Kuo...
Chest!



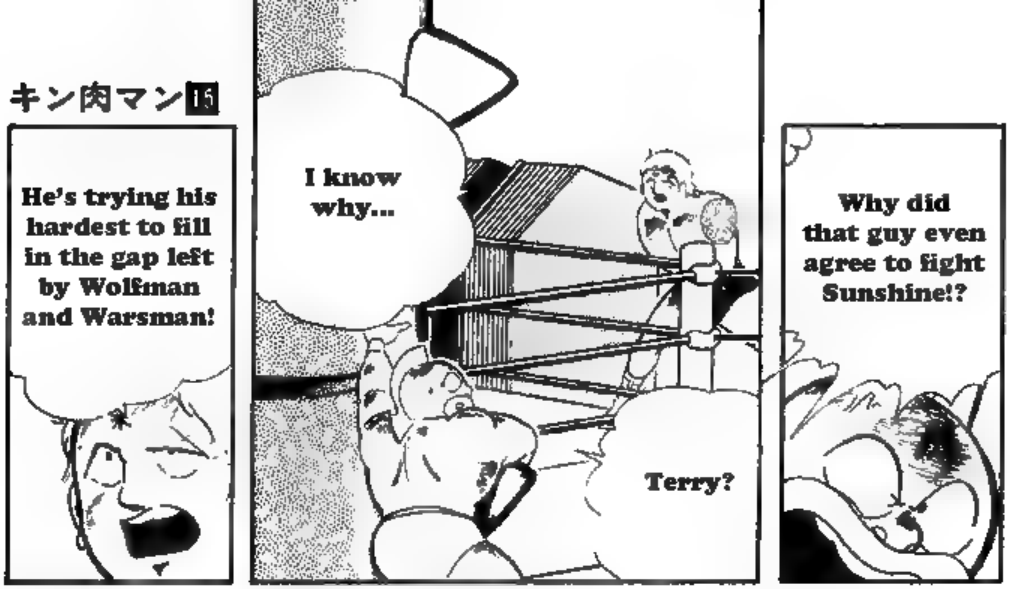
Sunshine, who can turn his whole body to sand, just turns his head to sand to avoid taking damage from a chop!
That didn't work!
How could he increase his weight during the match!?
Uwa! What do I do!? His body keeps getting heavier!
It's sweat! Sunshine, being made of sand, is absorbing the moisture in his opponent's body to turn his sand to mud!
That's stupid!

At this rate, Geronimo will keep having his sweat absorbed and be crushed under Sunshine's weight!
Then that means the darker parts of Sunshine are holding his moisture!?
Robin, isn't there any way he can escape!?
No. All we can do is hope that he can endure it.
Robin, Kinnikuman, don't fight over me!
What!? We need to defeat Sunshine to get back the Gold Mask! Why did we leave that soft-burning guy in charge of it, instead of you or Terryman!?
What do you mean!? It's true he doesn't burn very bright, but he's swift enough to make up for it, so I left it to him!

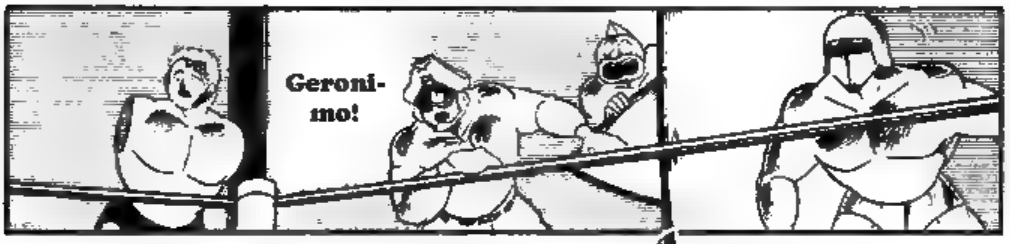
Geron-imo!
Sunshine's massive body, weighed down by moisture, takes a body slam!
I haven't lost yet!
He tore his Achilles' tendon! He's over-doing it!
Ugh!
What was that noise just now?



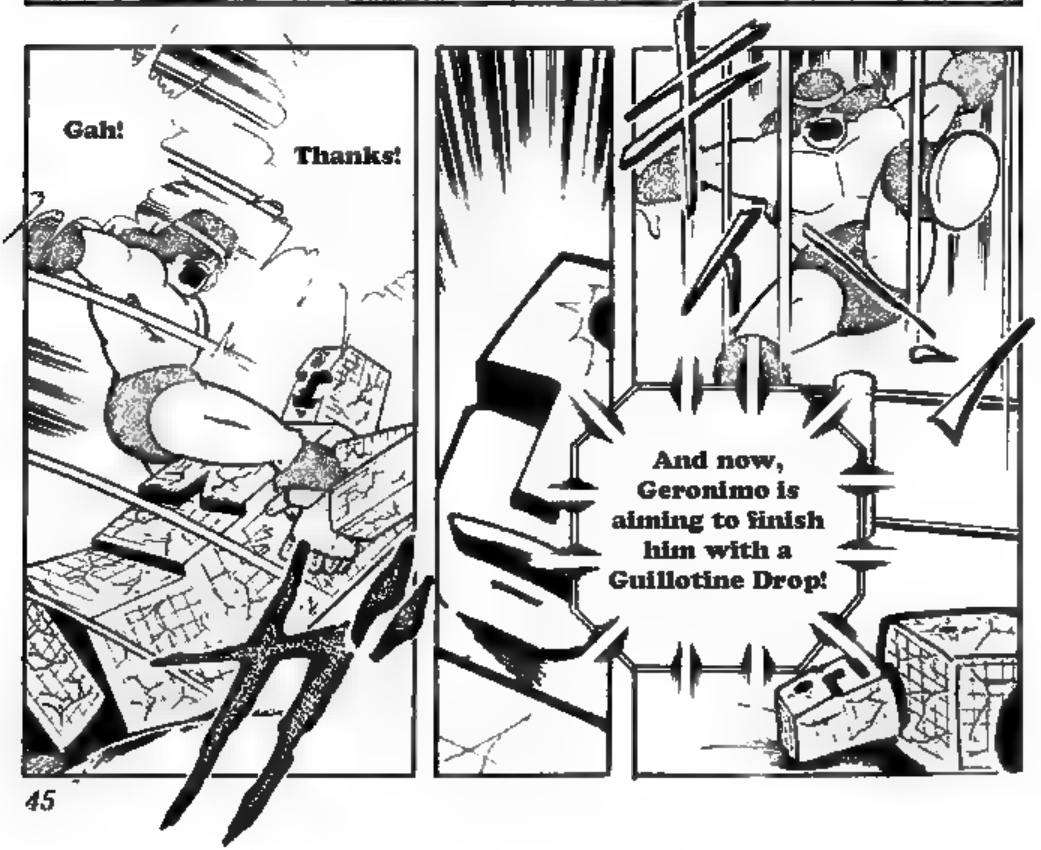
Don't write me off...
Sunshine prepares for a Back Drop!
However, Geronimo returns it with a Flying Maier!
...so easily!
This time Geronimo broke his hip!
Uwa!



He's trying his hardest to fill in the gap left by Wolfman and Warsman!
I know why...
Terry?
Why did that guy even agree to fight Sunshine!?



Geroni-mo!

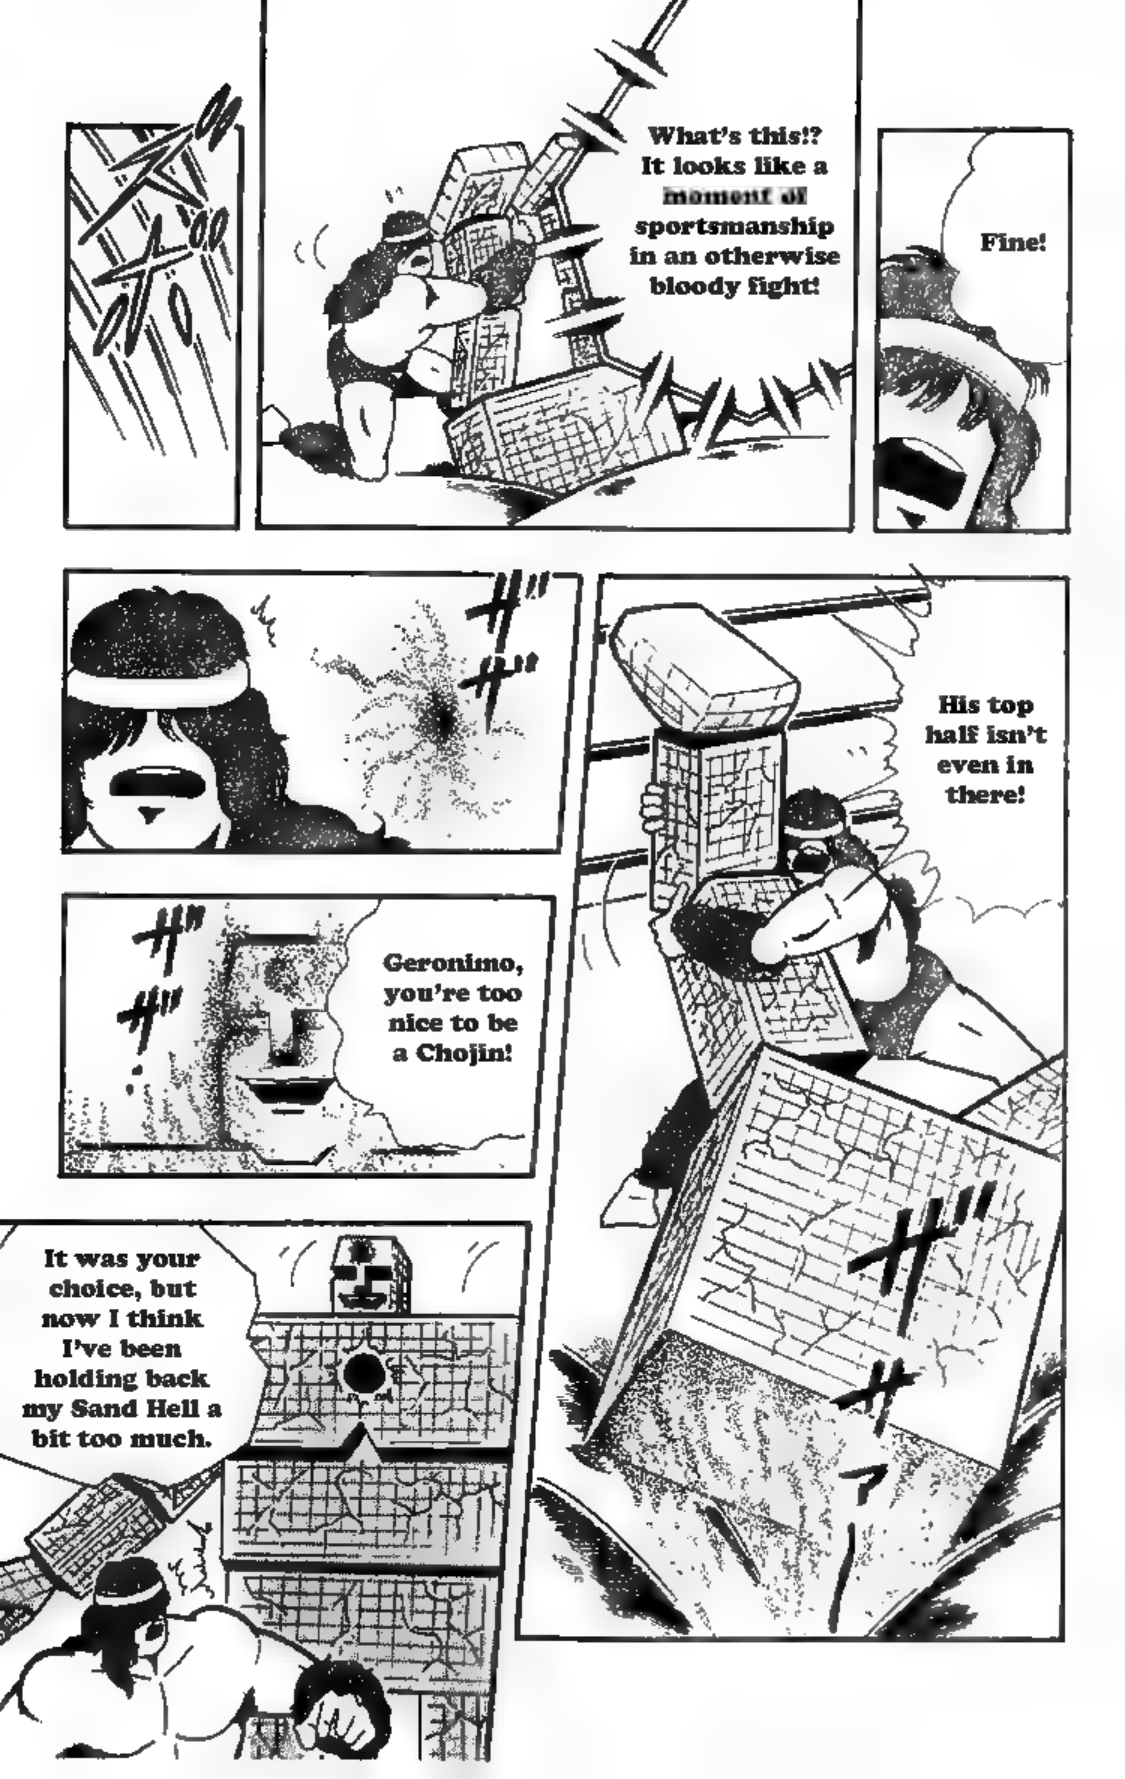


Gah!
Thanks!
And now, Geronimo is aiming to finish him with a Guillotine Drop!

Sunshine shows his battle skills by countering with a Giant Swing using all his strength!
Guo Kuo Kuo! I'll break your skull!
Geh!
Geronimo's in danger!
Die!

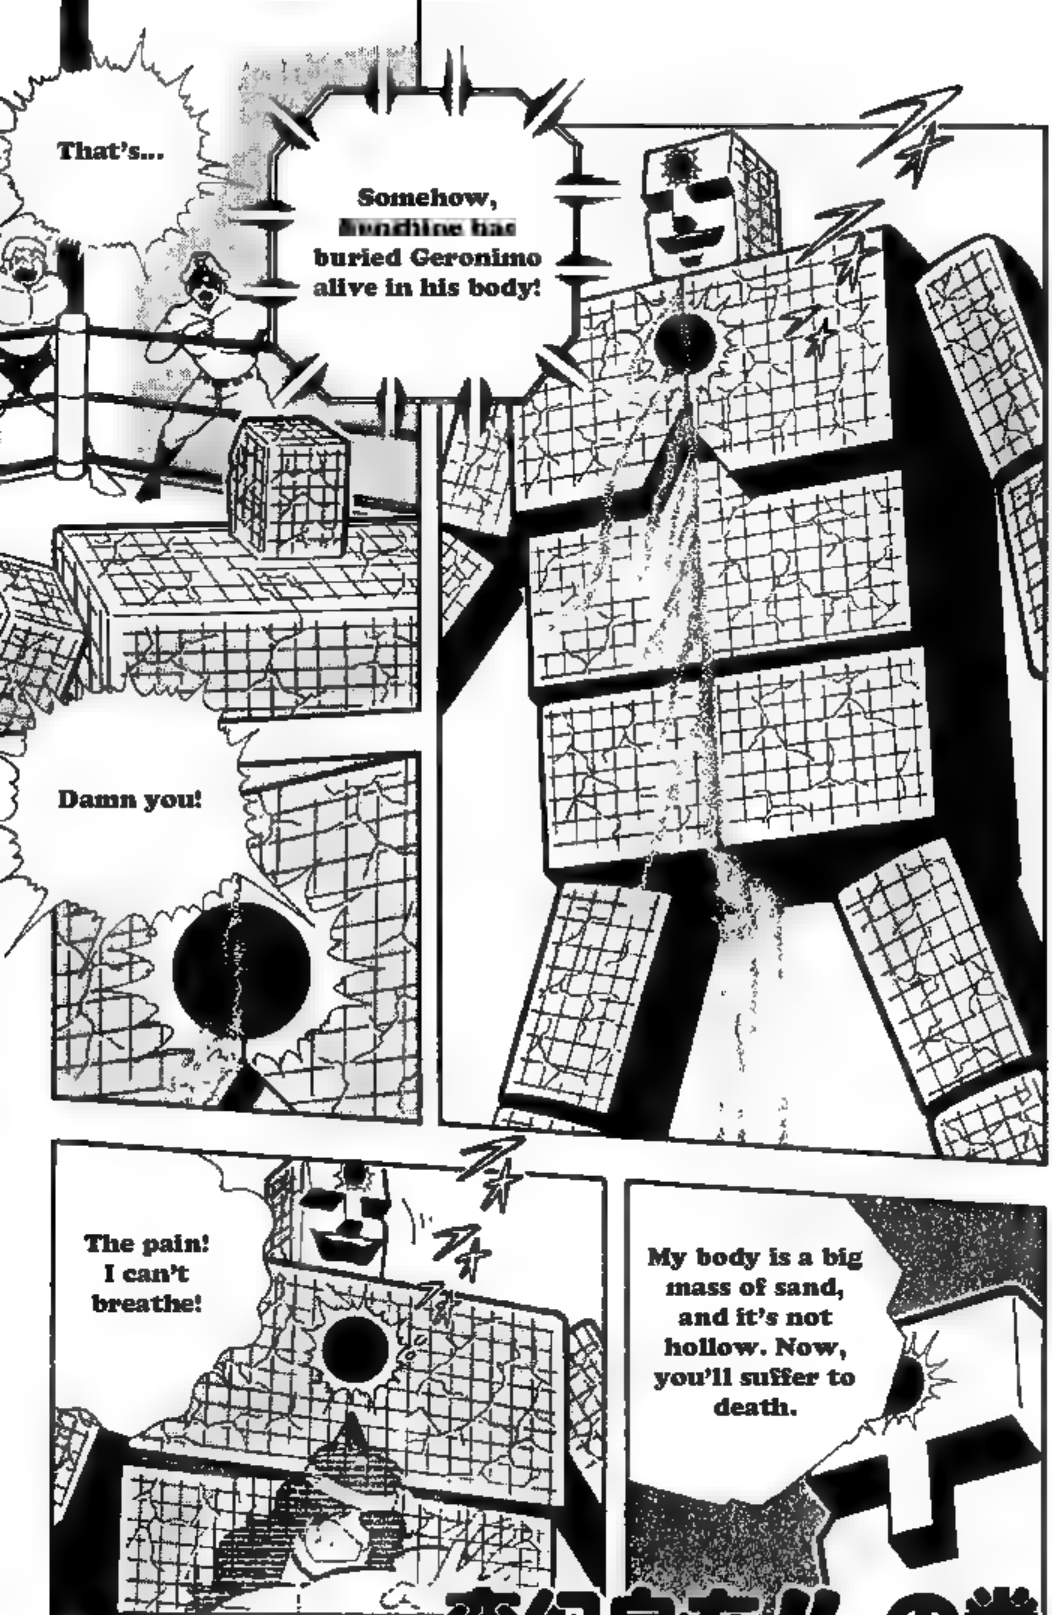
He is strong, but why do I have such a bad feeling about his body breaking down?
He's stronger than Terryman!
He did it! Geronimo is doing what nobody thought possible: he's fighting on-par with [illegible] Knight Sunshine!
You're just jealous because you're the only one who didn't [illegible]
No! Geronimo is more injured than any Chojin [illegible]
But his isn't, even though he's being torn to pieces!
A Chojin usually isn't any different than a normal human, but when they get into a fight, their immortal Chojin power kicks in.

DIE!!
Geronimo dodges and Sunshine falls to the canvas!
Uwa!
Wait Geronimo, I'm stuck in here! Could you be a good sport and help me out of here before attacking?
Got it!
This is your chance!



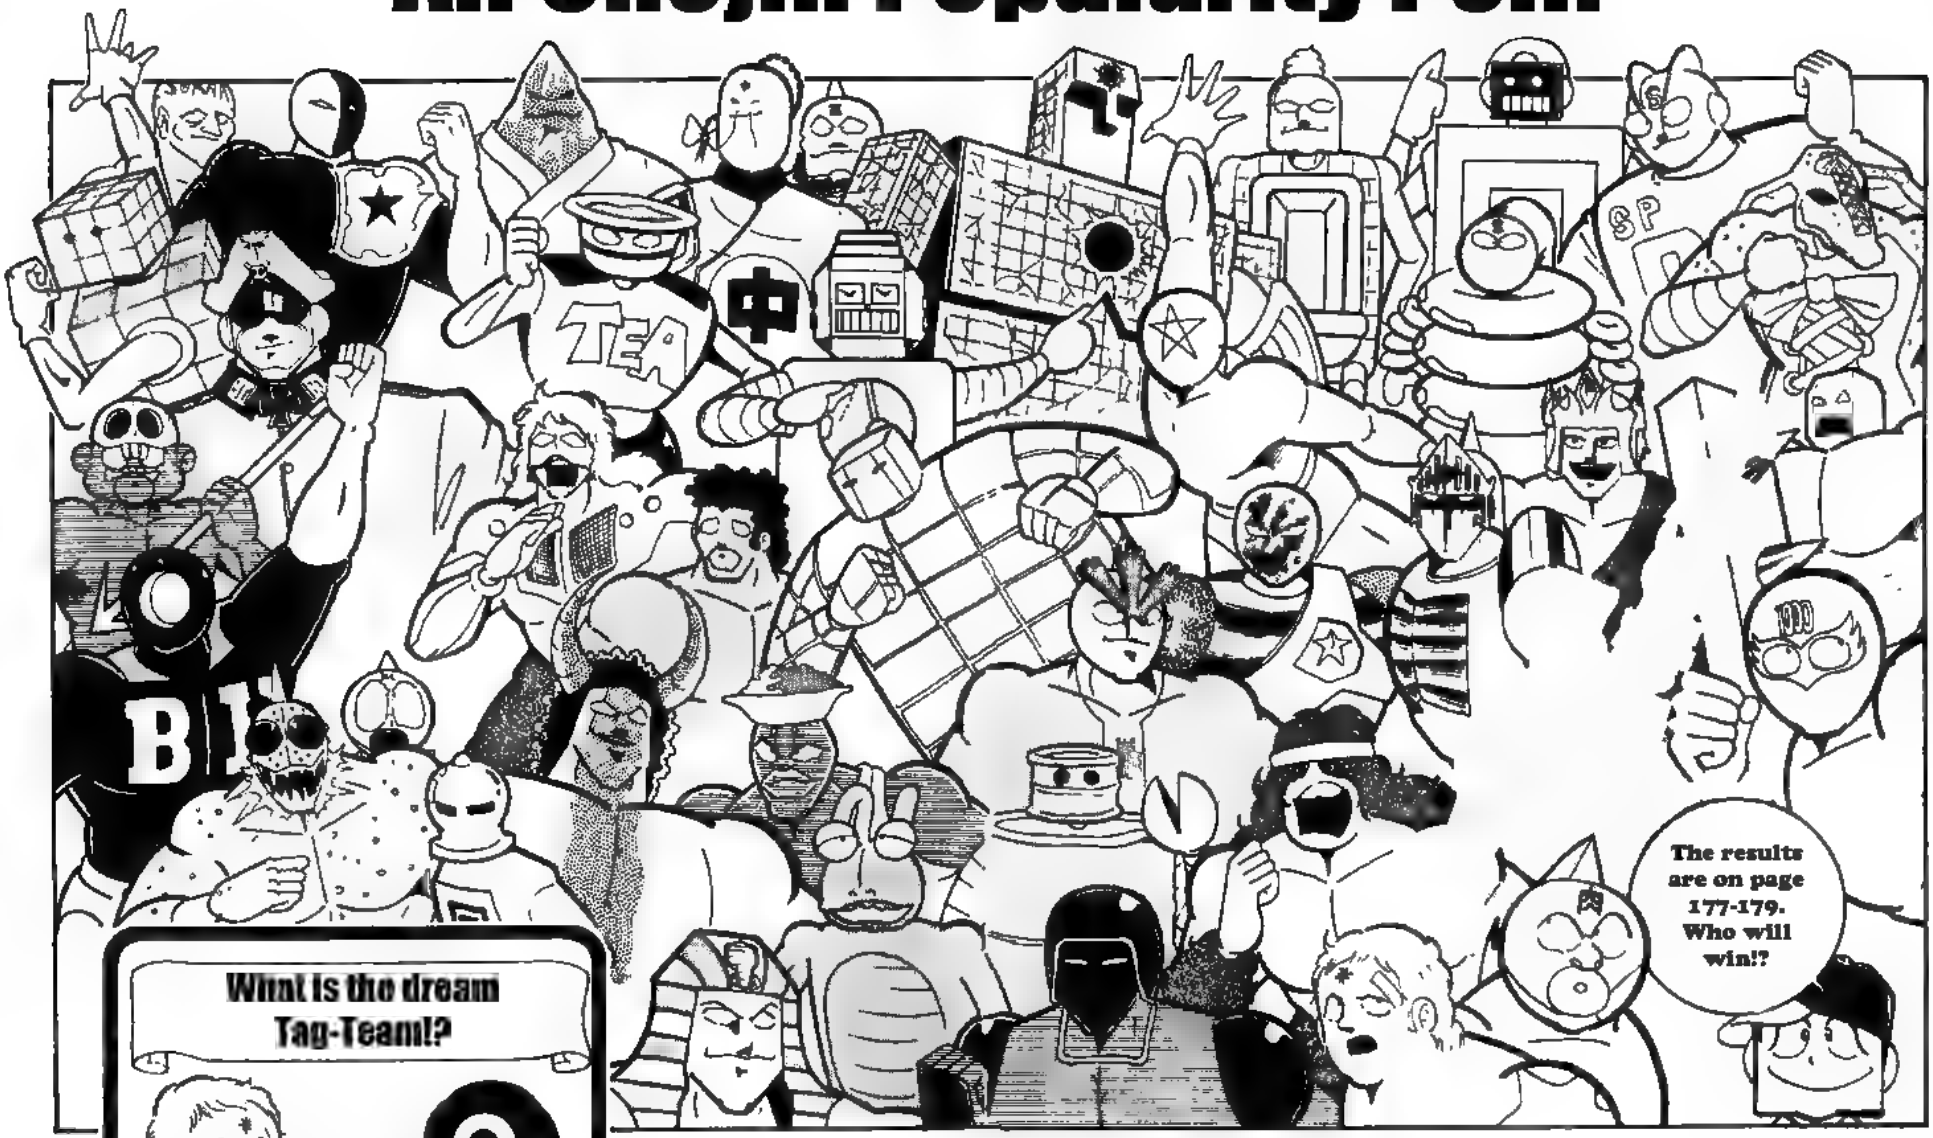
What's this!? It looks like a moment of sportsmanship in an otherwise bloody fight!
Fine!
His top half isn't even in there!
Geronimo, you're too nice to be a Chojin!
It was your choice, but now I think I've been holding back my Sand Hell a bit too much.

What!?
I've seen all of your moves. Now there's no way you'll be able to counter me anymore.
Geronimo's Tomahawk Chop has cut Sunshine in half!
Geronimo is buried inside Sunshine's body!



That's...
Somehow, Sunshine has buried Geronimo alive in his body!
Damn you!
The pain! I can't breathe!
My body is a big mass of sand, and it's not hollow. Now, you'll suffer to death.

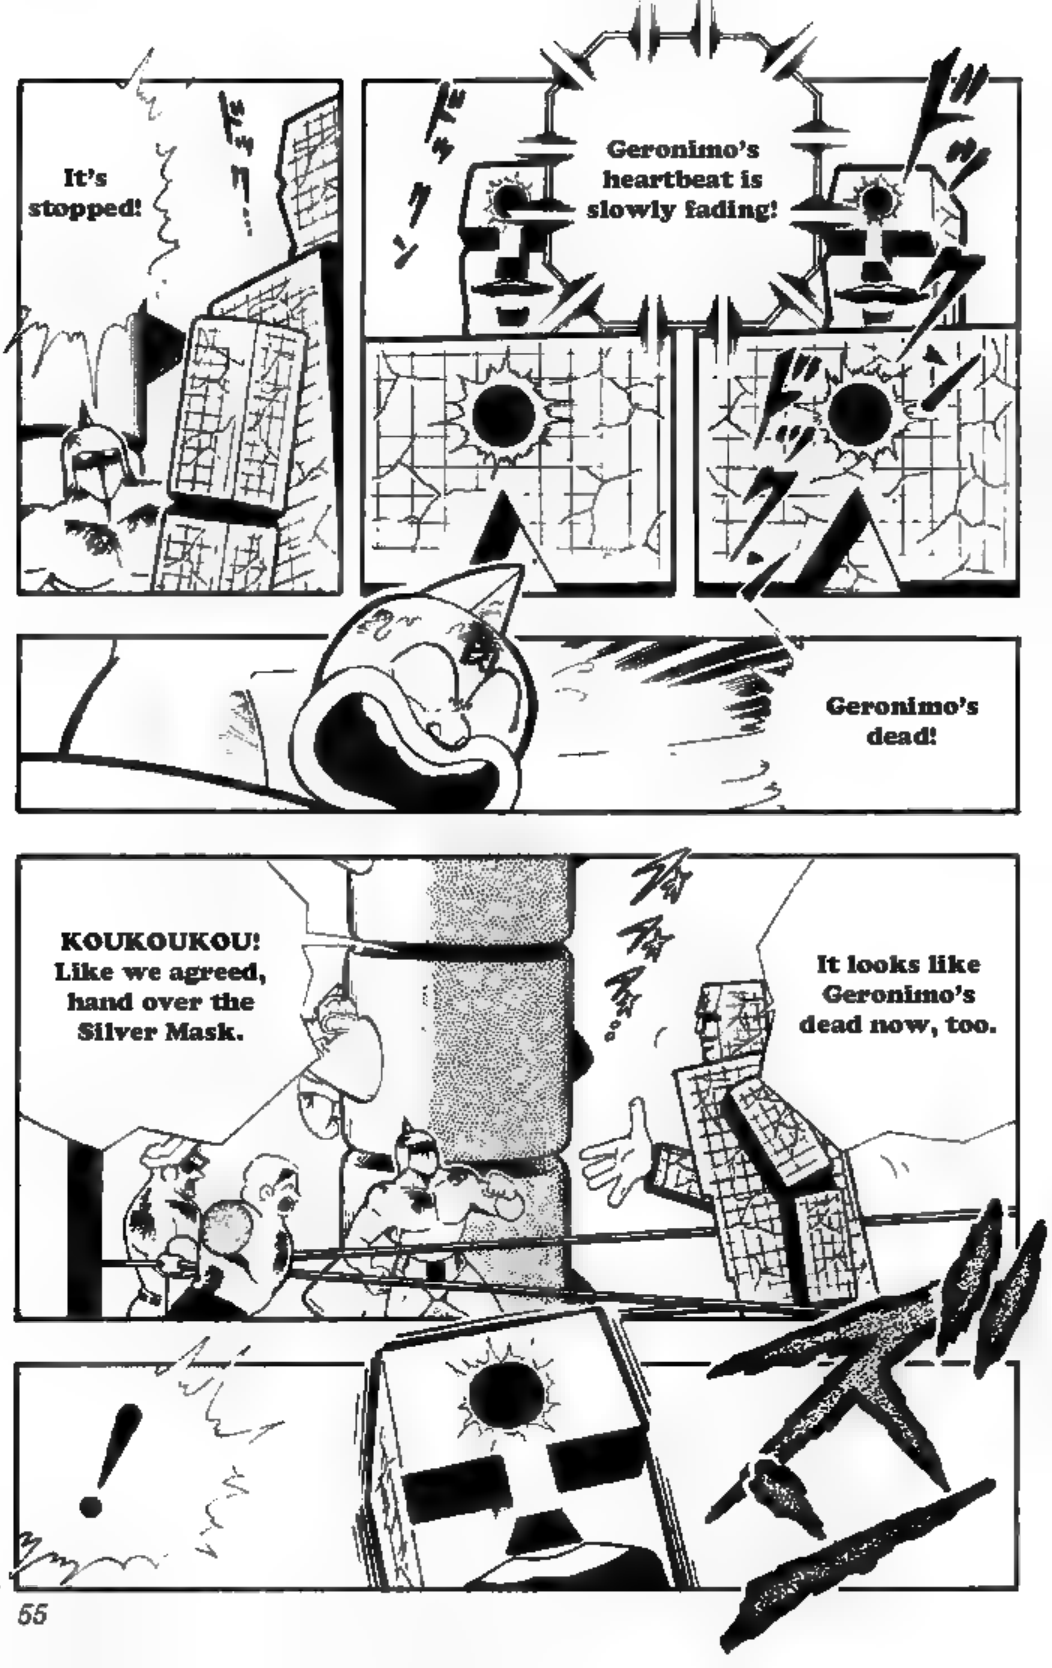
All Chojin Popularity Poll!



Golden Mask Arc 25

Transforming at Will!

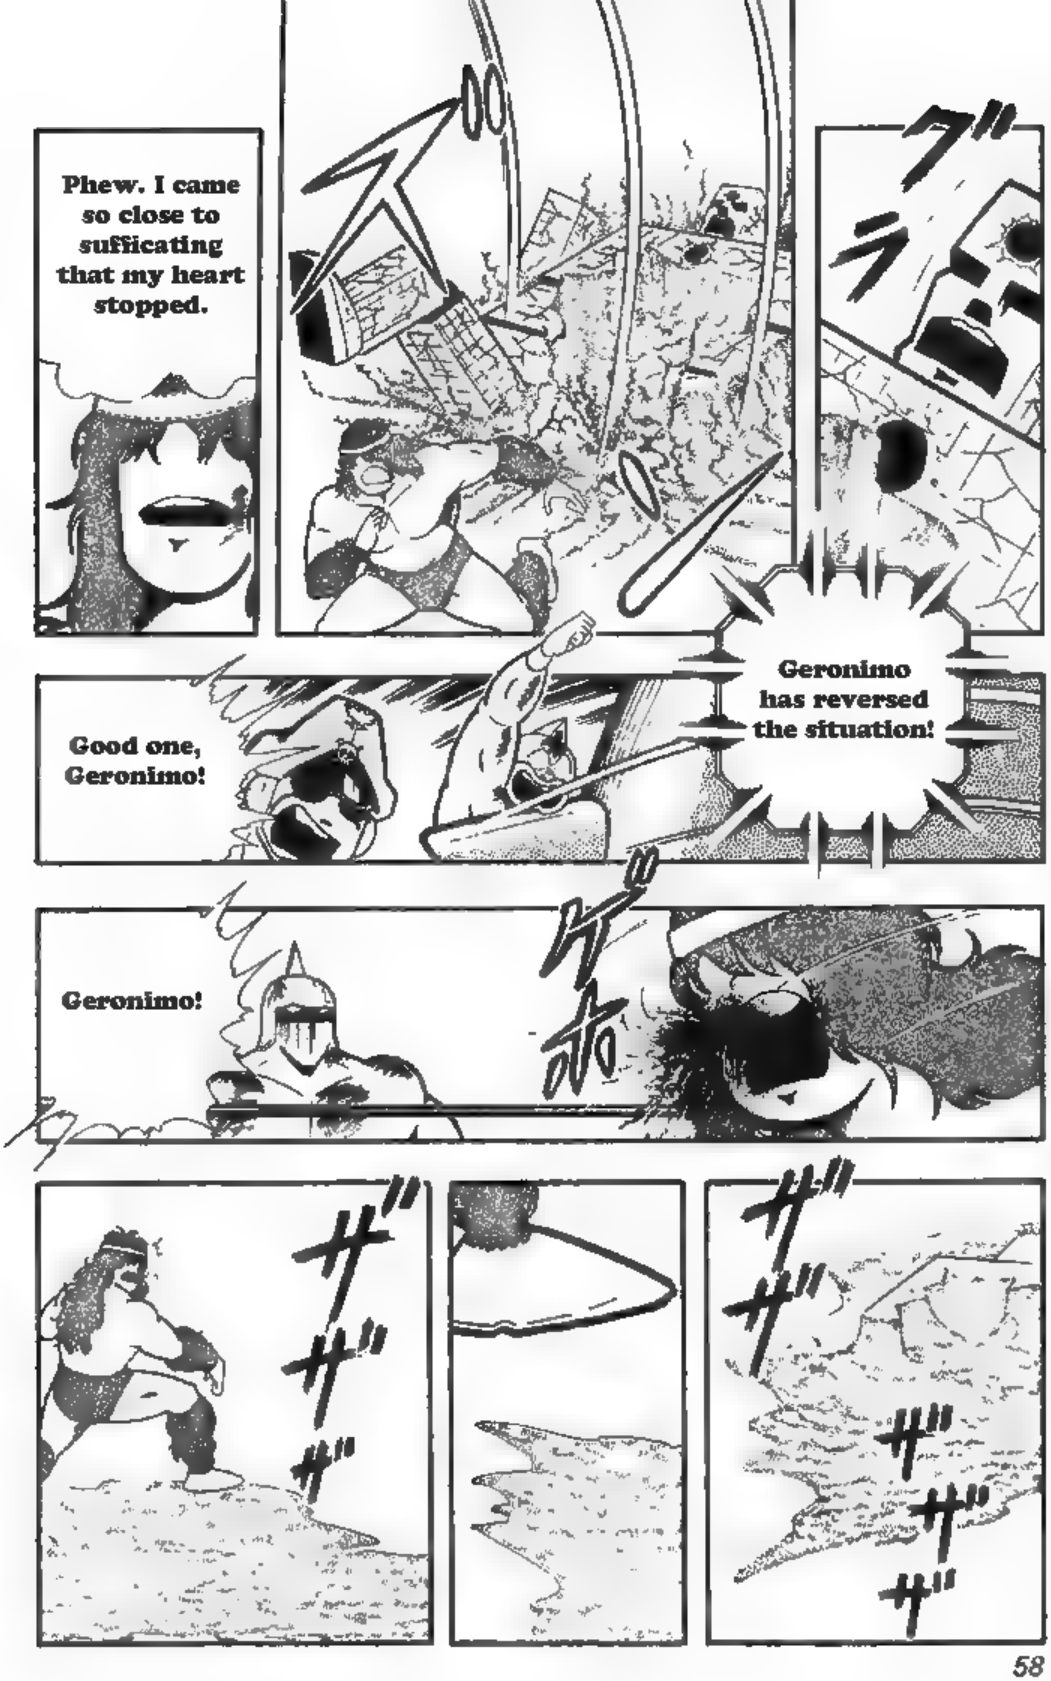
Geronimo, you need to unleash the power of your Chojin heart! If you do, you can edure for a long time, even without oxygen!
Geronimo's heartbeat...
No, that's still his normal heartbeat!
Has it changed? Is that a Chojin heartbeat?
Geroni-mo!
Why won't you unleash your heart's Chojin power!? At this rate, you'll die!
Why, Geronimo!?



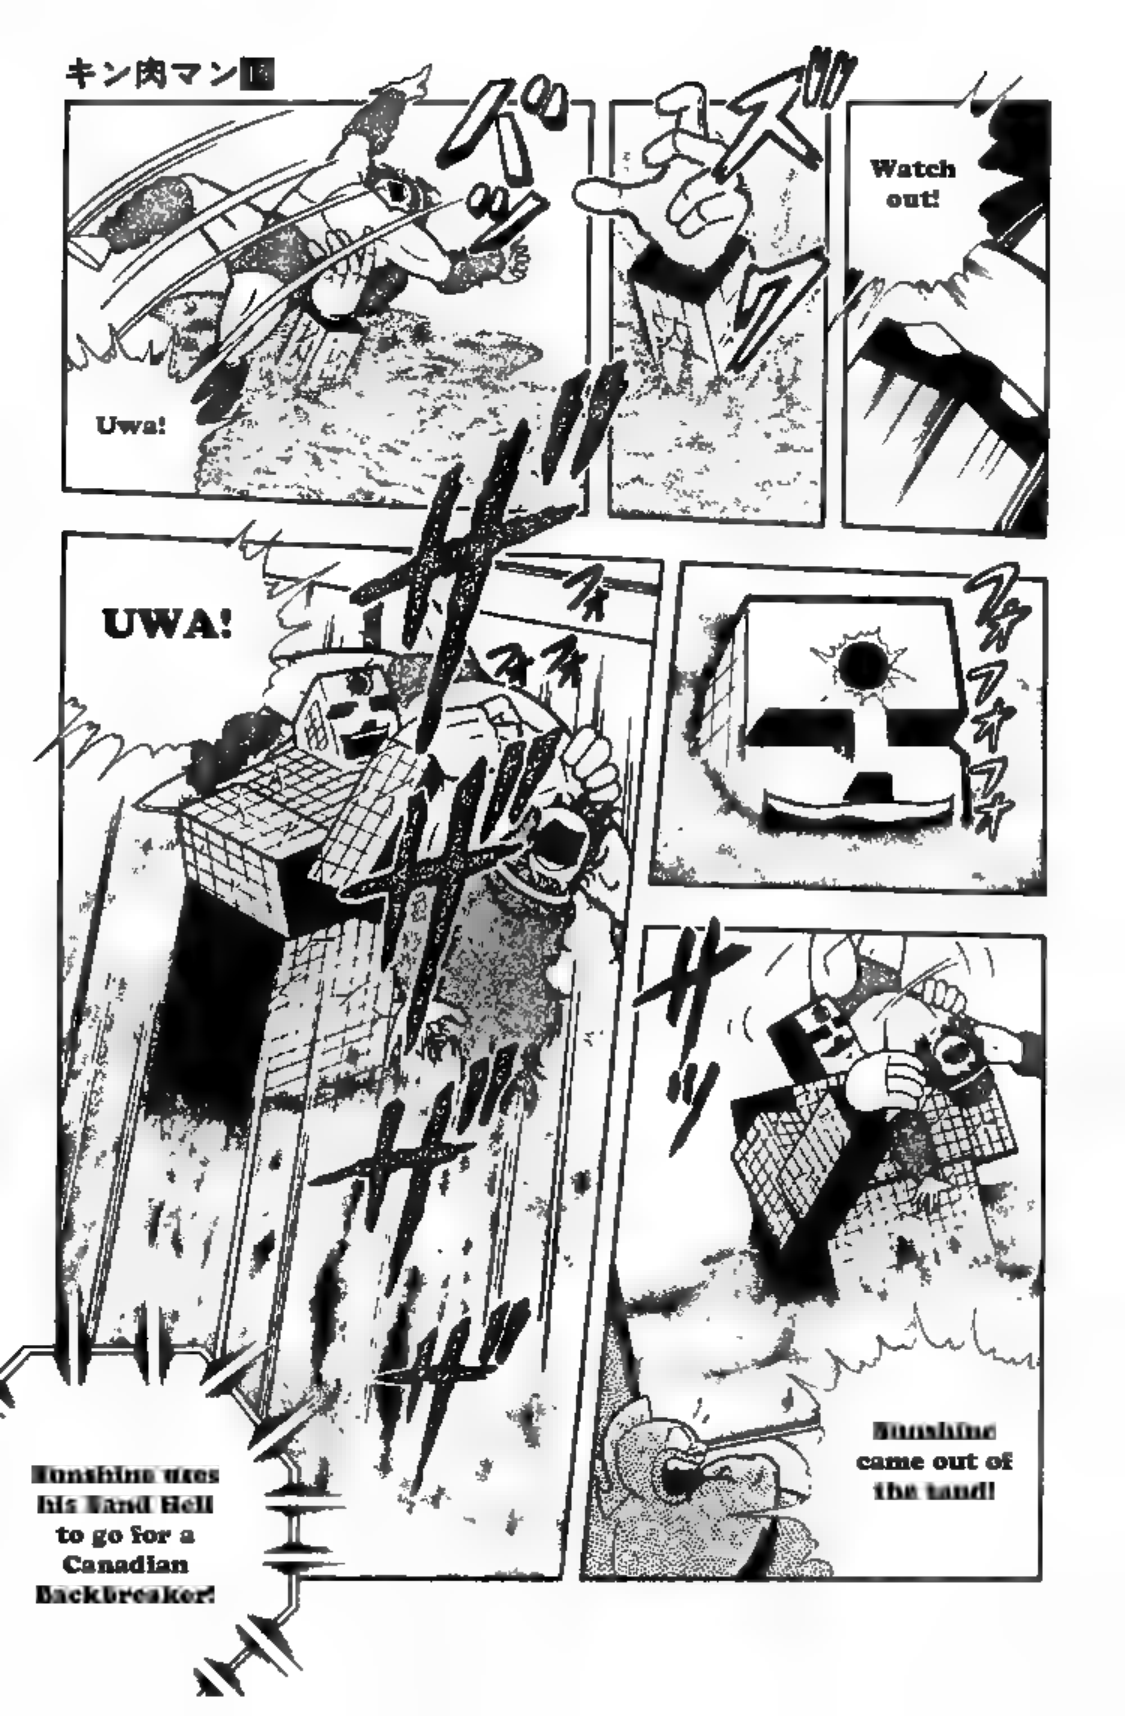
It's stopped!
Geronimo's heartbeat is slowly fading!
Geronimo's dead!
KOUKOUKOU! Like we agreed, hand over the Silver Mask.
It looks like Geronimo's dead now, too.

Hold on, Sunshine!
Somehow, Geronimo is emerging from inside of Sunshine!
Aah!
Geronimo!
...has already decided that I'm dead...
Guh?
Although your noisy victory laugh...

I'm not!
Geronimo has escaped from Sunshine!
He did it!

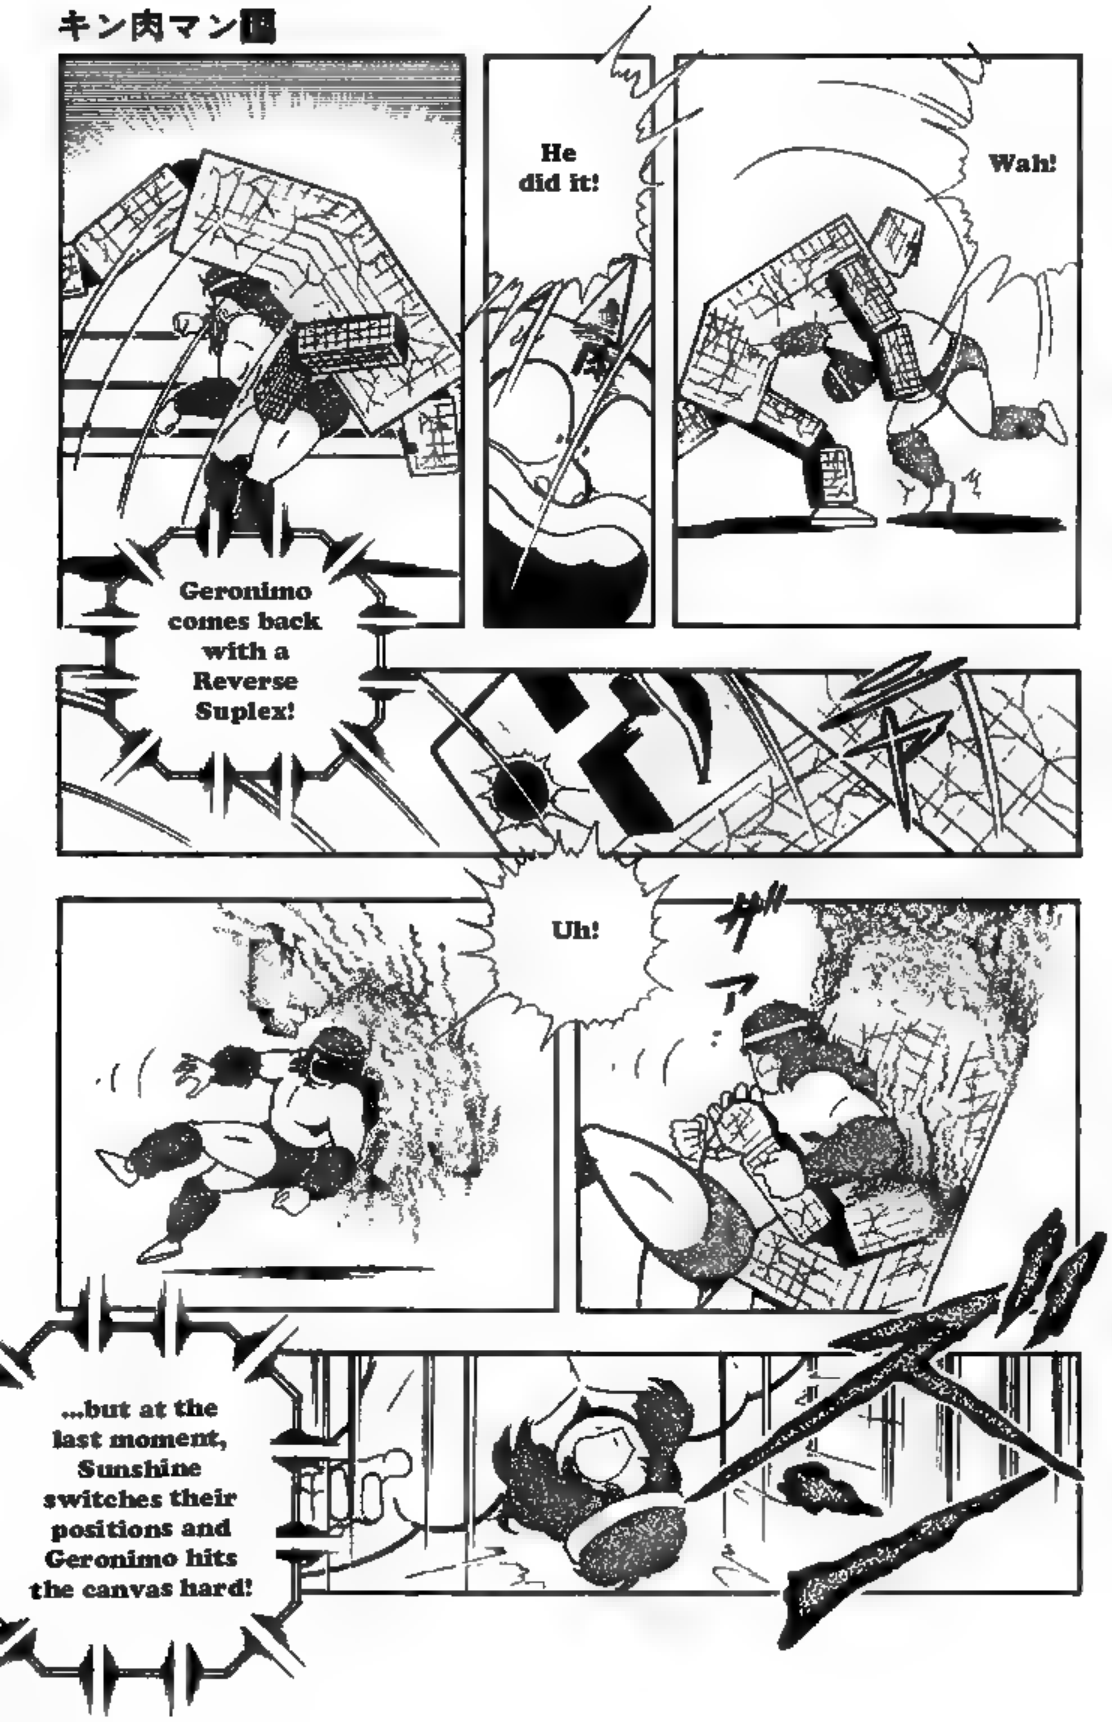


Phew. I came so close to sufficating that my heart stopped.
Geronimo has reversed the situation!
Good one, Geronimo!
Geronimo!

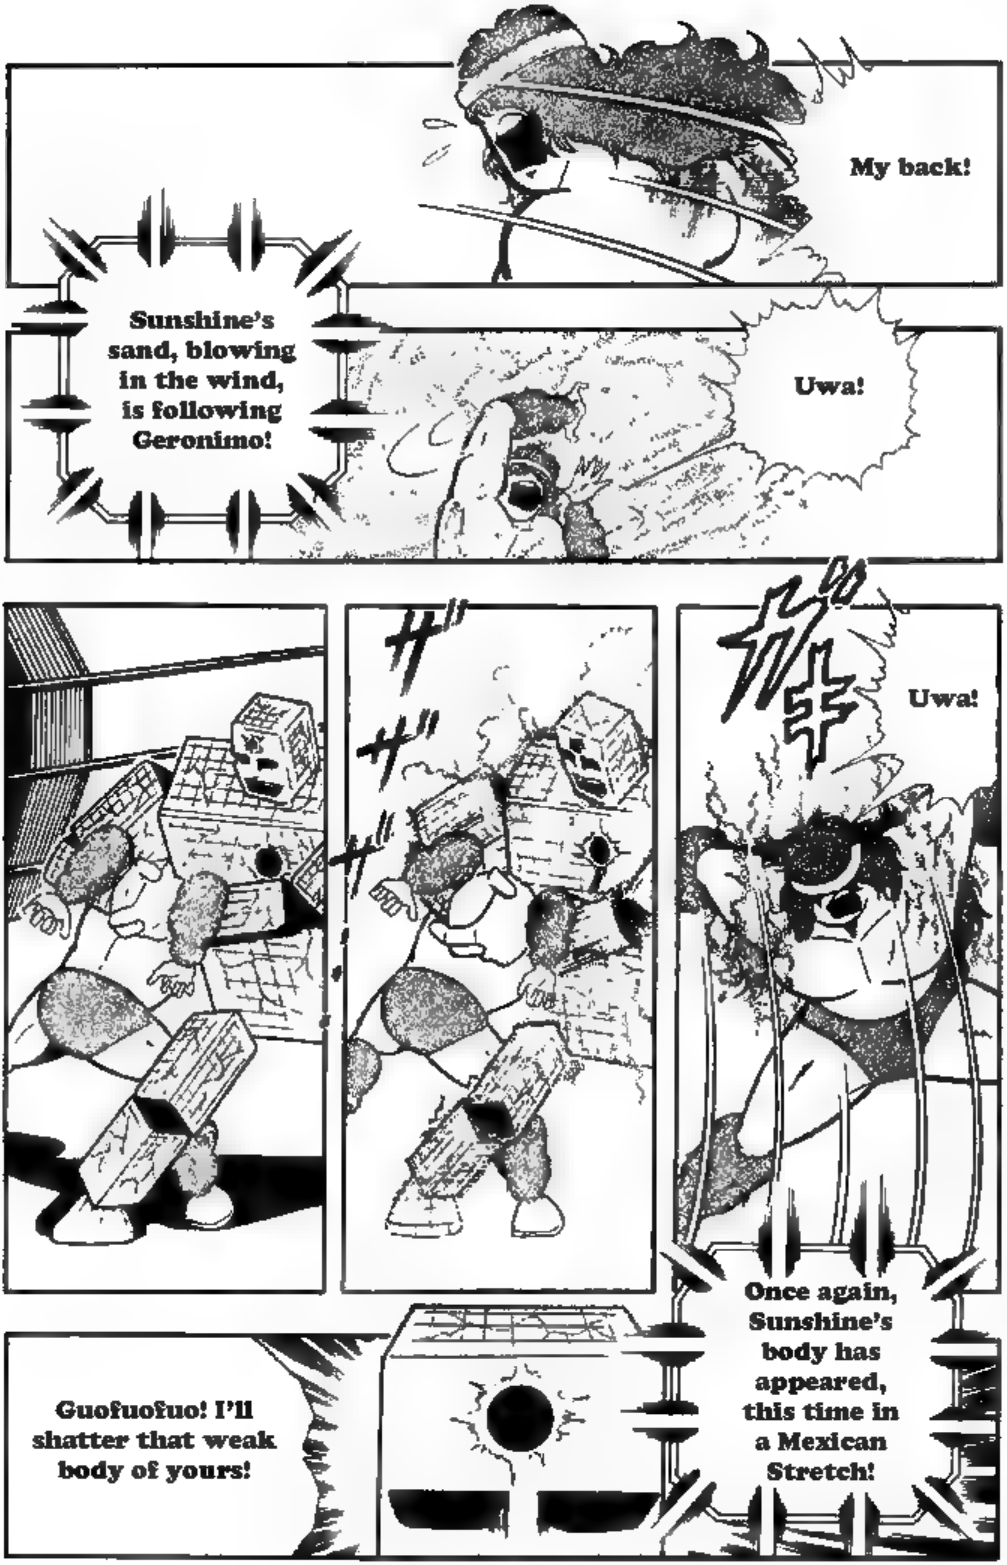


Uwa!
Watch out!
UWA!
Sunshine uses his hand Hell to go for a Canadian Backbreaker!
Sunshine came out of the hand!

Of course, Sunshine must have already caught on to the fact that he doesn't have the defense of a normal Chojin.
Every time Sunshine attacks, Geronimo gets more wounded! He's the most brittle Chojin I've ever seen!
Guh!
Just a bit more!
You can do it, Geronimo!
You have a burning Indian soul!
I'll win!
So to repay them for their cheering...
They're all rooting for someone as useless as me. Kinnikuman, Robin Mask, and Brocken jr., they're all men that I aspire to be like...



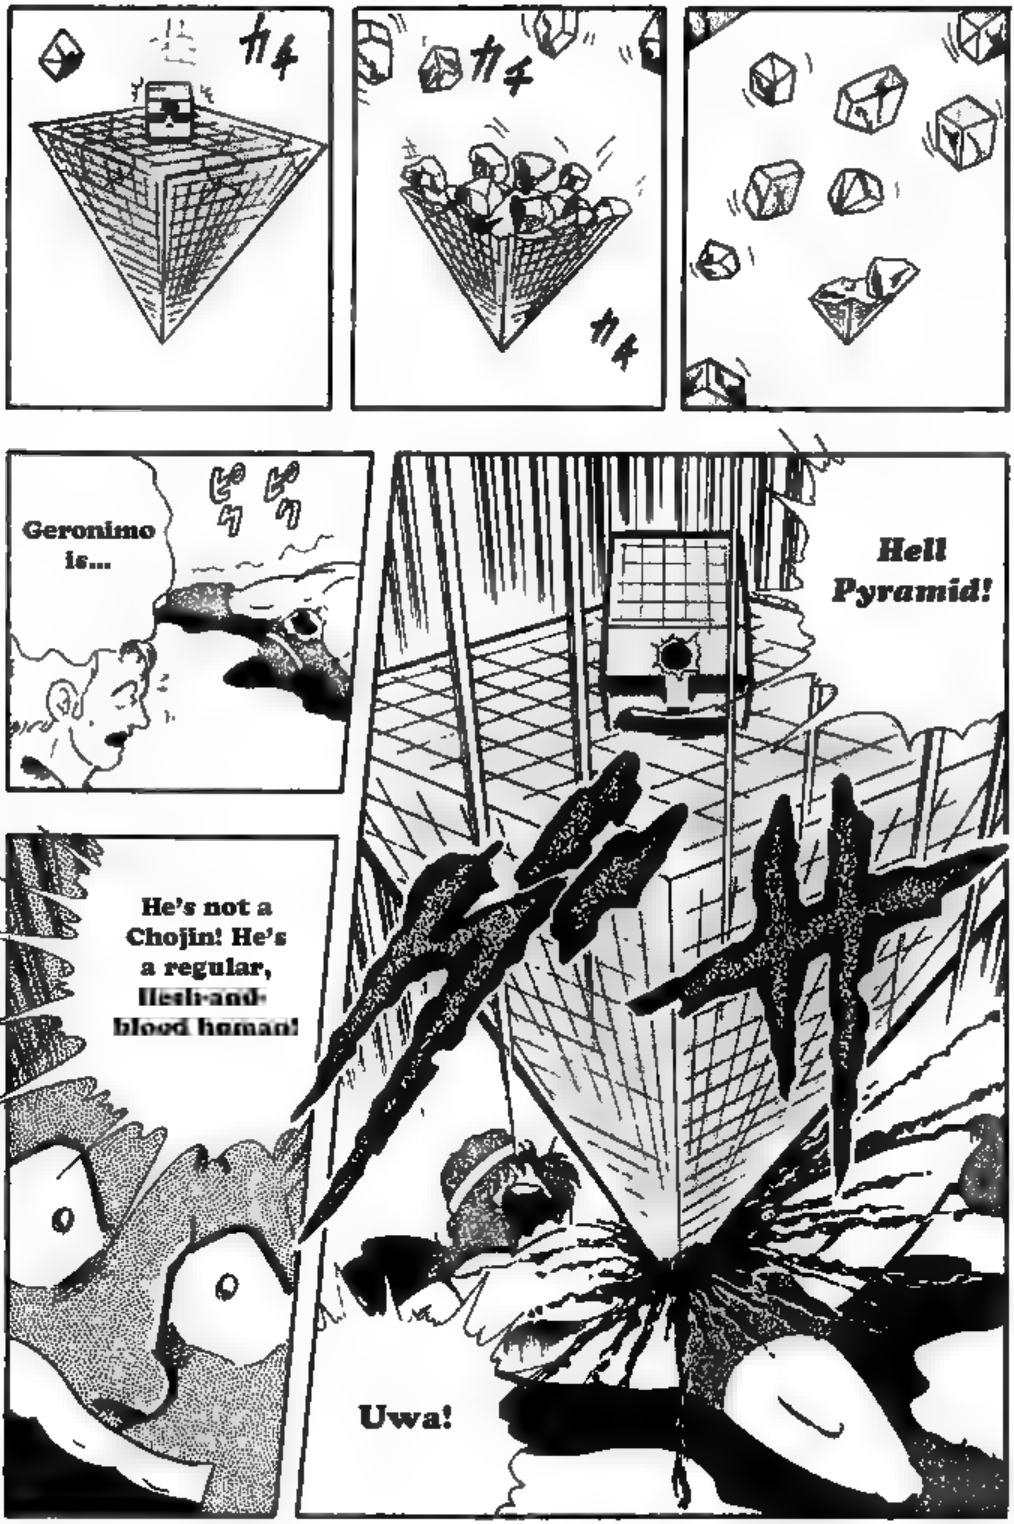
He did it!
Wah!
Geronimo comes back with a Reverse Suplex!
Uh!
ガァ
...but at the last moment, Sunshine switches their positions and Geronimo hits the canvas hard!



My back!
Sunshine's sand, blowing in the wind, is following Geronimo!
Uwa!
Uwa!
Once again, Sunshine's body has appeared, this time in a Mexican Stretch!
Guofuofuo! I'll shatter that weak body of yours!

...but you're the first one who's weakness is your physique.
Up until today, I've fought tons of Chojin...
If my theory is correct, then Geronimo won't be able to last even another minute in there...
Uwa!
Of course! That must mean...
お・お・・
How could he still have so much power?
Unbelievable! He's lifting up Sunshine from an impossible position!

Idiot, now you're done for.
Geronimo has thrown Sunshine up in the air!
Urya!
Concrete Press!
Sunshine hardens himself and prepares to fall on Geronimo!
...but Geronimo uses a Toe Kick above himself to shatter Sunshine's concrete body!



ガチ
ガチ
ガチ
Geronimo is...
ピク ピク
Hell Pyramid!
He's not a Chojin! He's a regular, flesh-and-blood human!
Uwa!

Golden Mask Arc 26

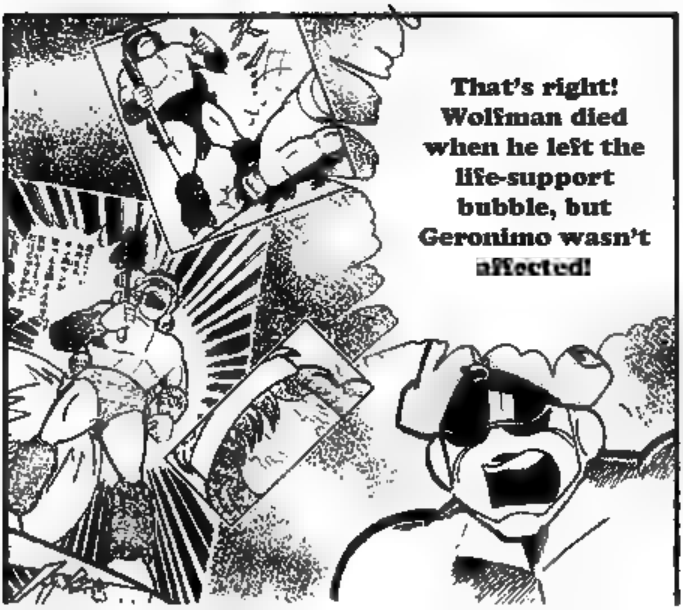
Geronimo's Potential!

A Team Kinniku Release

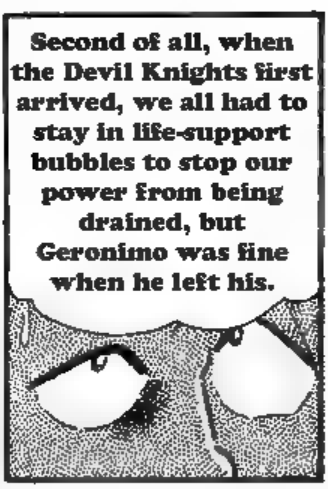
Well, there are two or three things about him that are a bit strange.
Why do you think he's human, Terryman!?
That idiot!

Geronimo is getting wounded badly, and his recovery rate is abnormally low for a Chojin.
The first thing, I noticed earlier.

Aah!



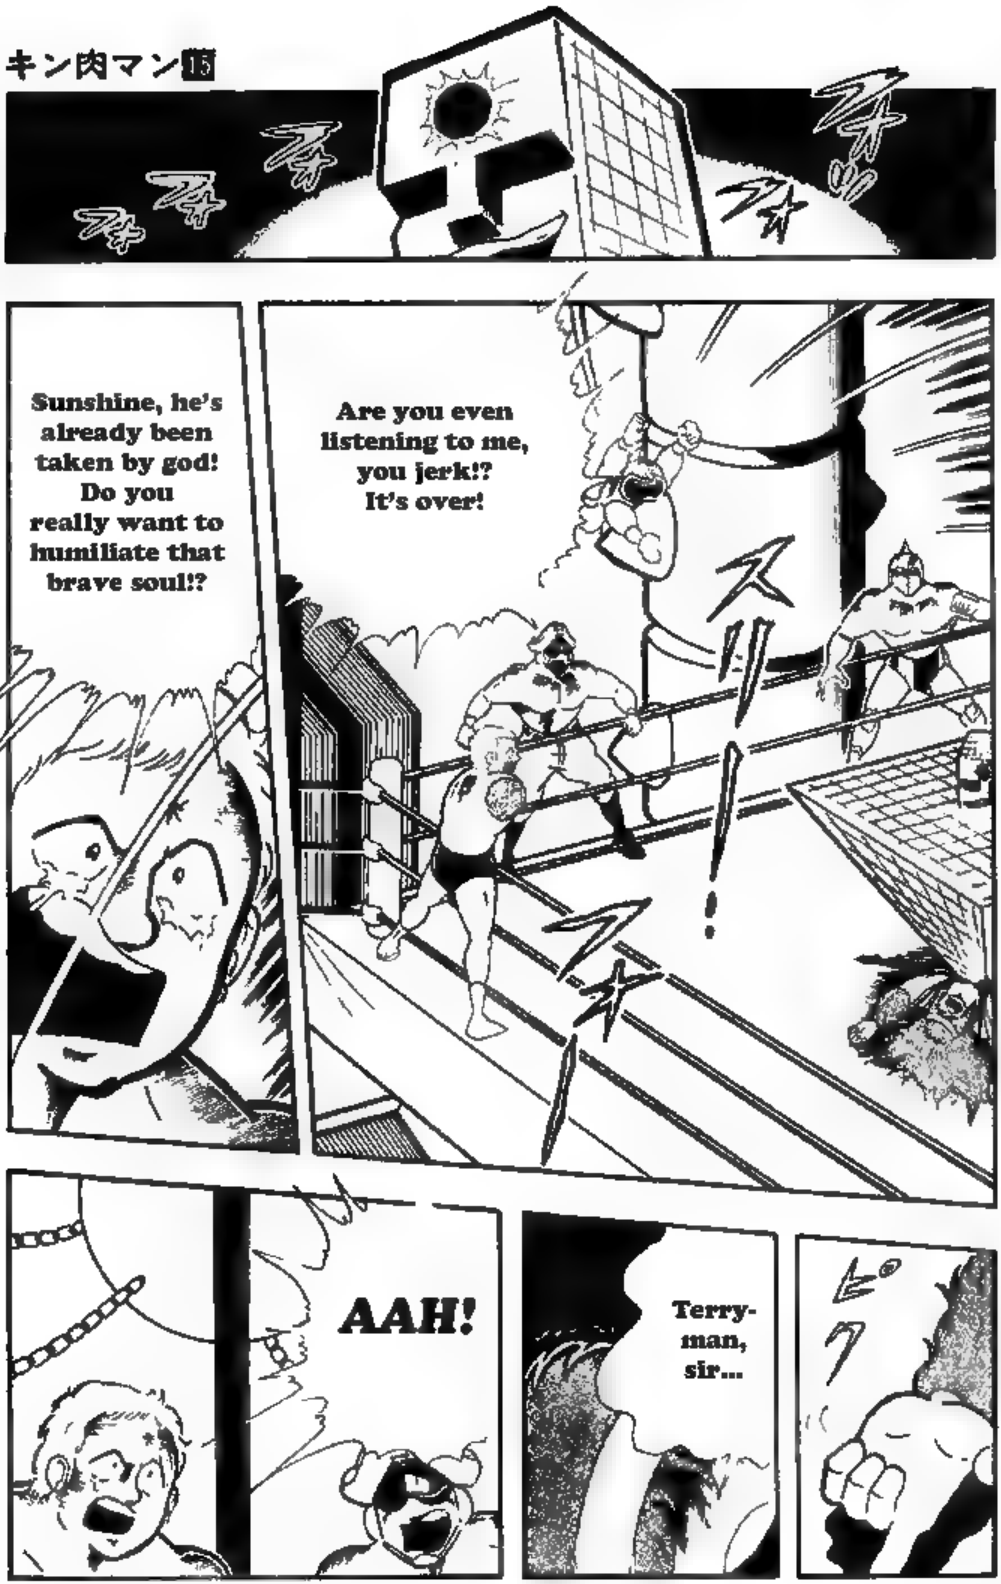
That's right! Wolfman died when he left the life-support bubble, but Geronimo wasn't affected!



Second of all, when the Devil Knights first arrived, we all had to stay in life-support bubbles to stop our power from being drained, but Geronimo was fine when he left his.

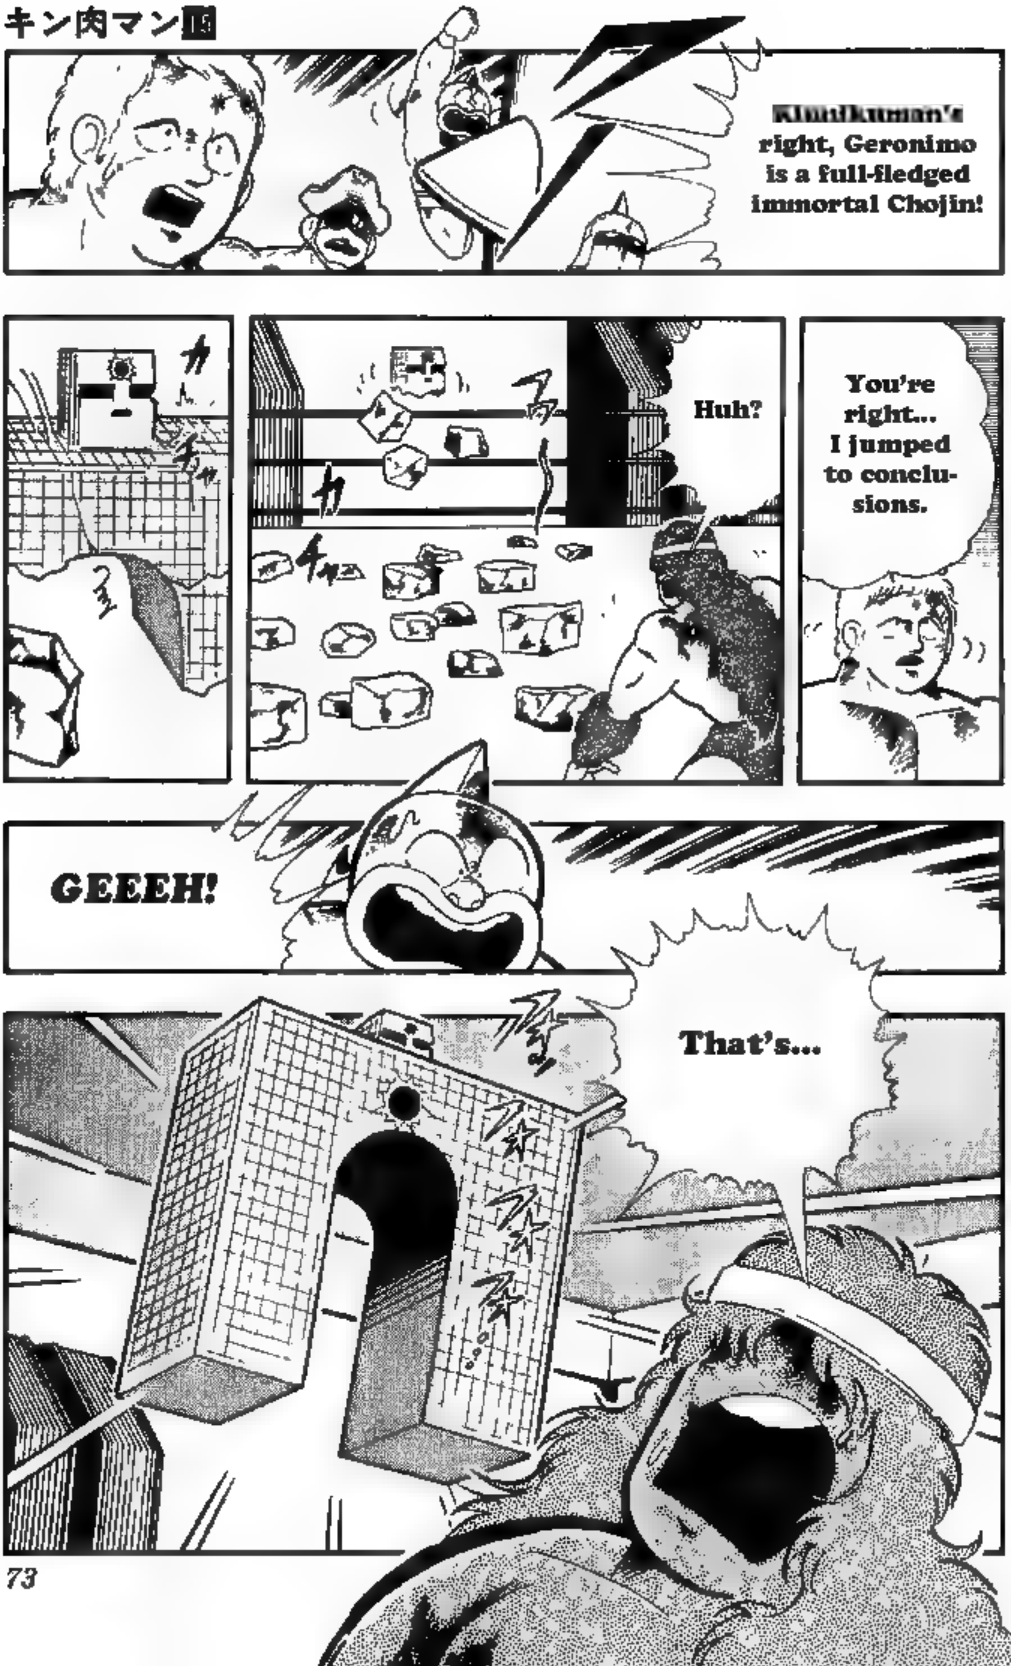
Geronimo really is a human!
Then that means...
Only a human could have survived!
Geronimo is losing a lot of blood from Sunshine's Hell Pyramid impaling his heart!
This could be bad. If he were a Chojin, his Chojin heart would allow him to withstand that attack. If we're right about him being a human, then it's impossible for him to survive that attack!
What's going to happen to him!?
So he's a human? That's good to know.

He won't be standing back up.
He probably died the moment Sunshine went through his heart.
Eeh!?
It looks like Sunshine's Hell Pyramid was just too much for a regular human like Geronimo.
Buo Fuo Fuo! This feels so good!
Stop! The match is already over! We don't need a countdown! Just hurry up and let him go!
Although it's obvious I've already won, we still need to take care of the formalities. Hurry up and start the countdown!

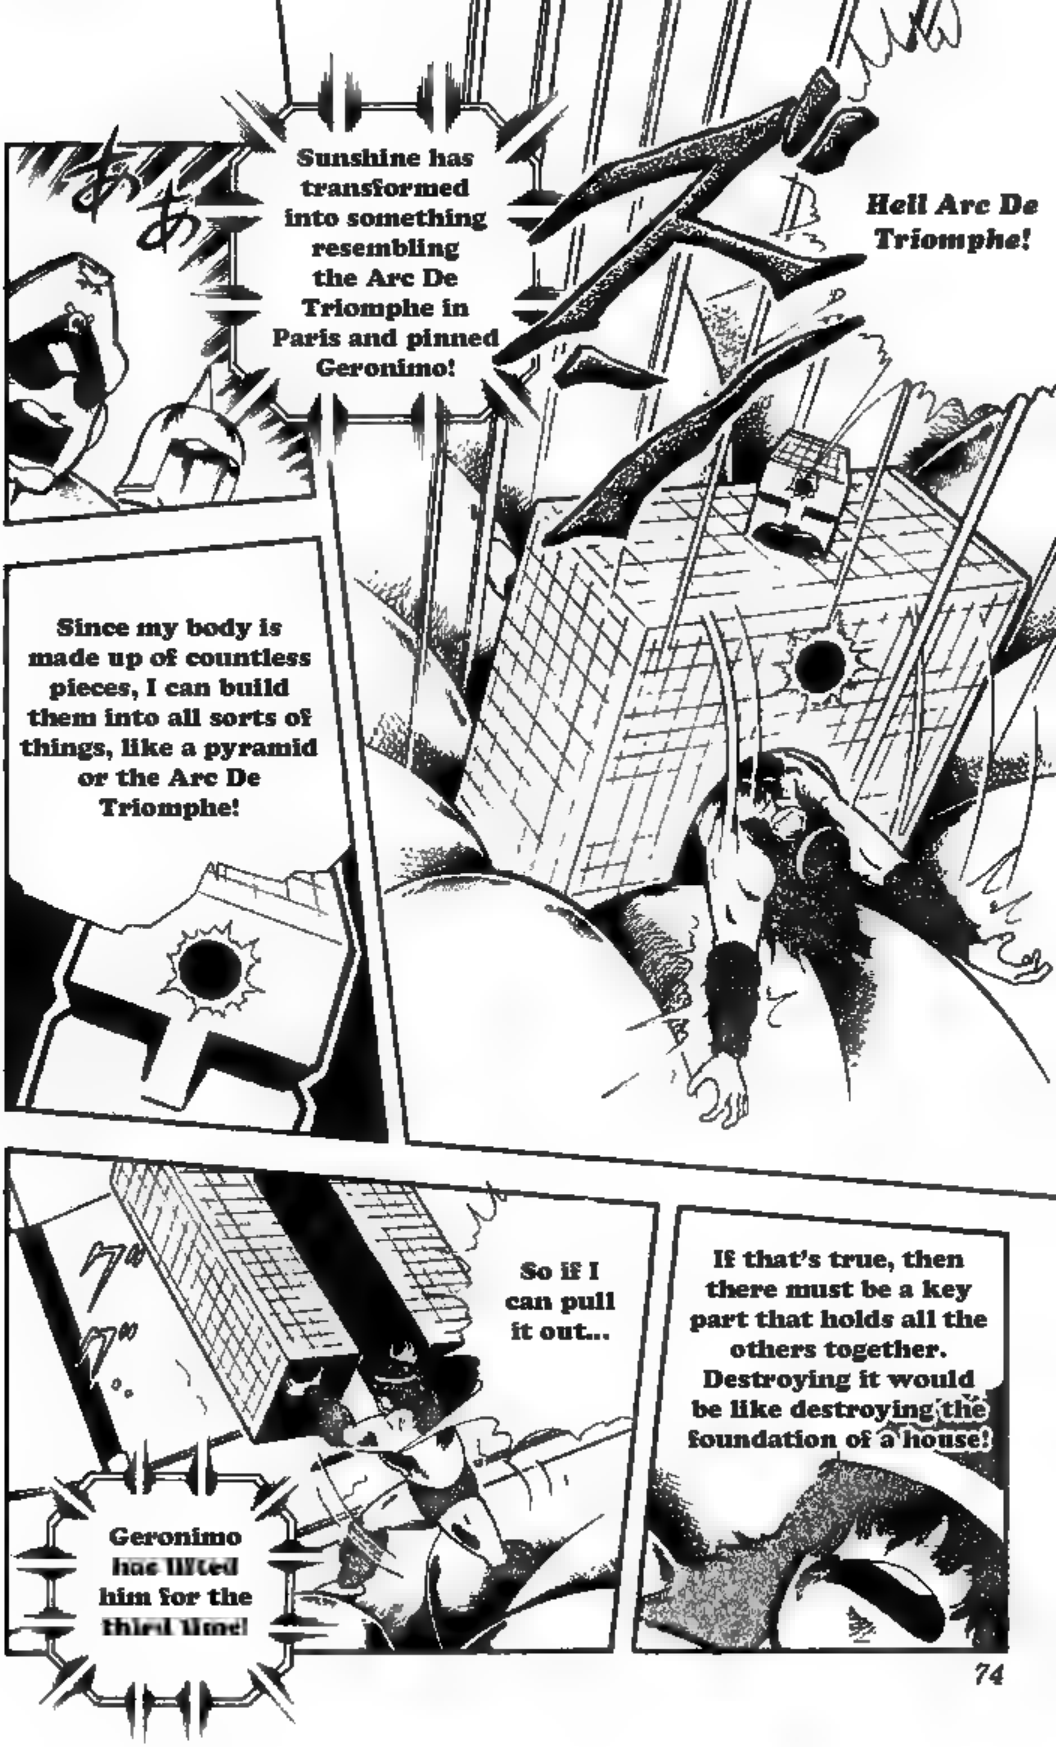


Sunshine, he's already been taken by god! Do you really want to humiliate that brave soul!?
Are you even listening to me, you jerk!? It's over!
AAH!
Terry-man, sir...

Geronimo isn't dead! He's standing up!
It's mean to treat a still-burning Chojin like I were a regular human.
Uwah!
Terry's wrong again, as usual! That's not the soul of a mere human! This proves that he's a real Chojin!
Geronimo uses a high-angled Brain Buster to shatter Sunshine into pieces!



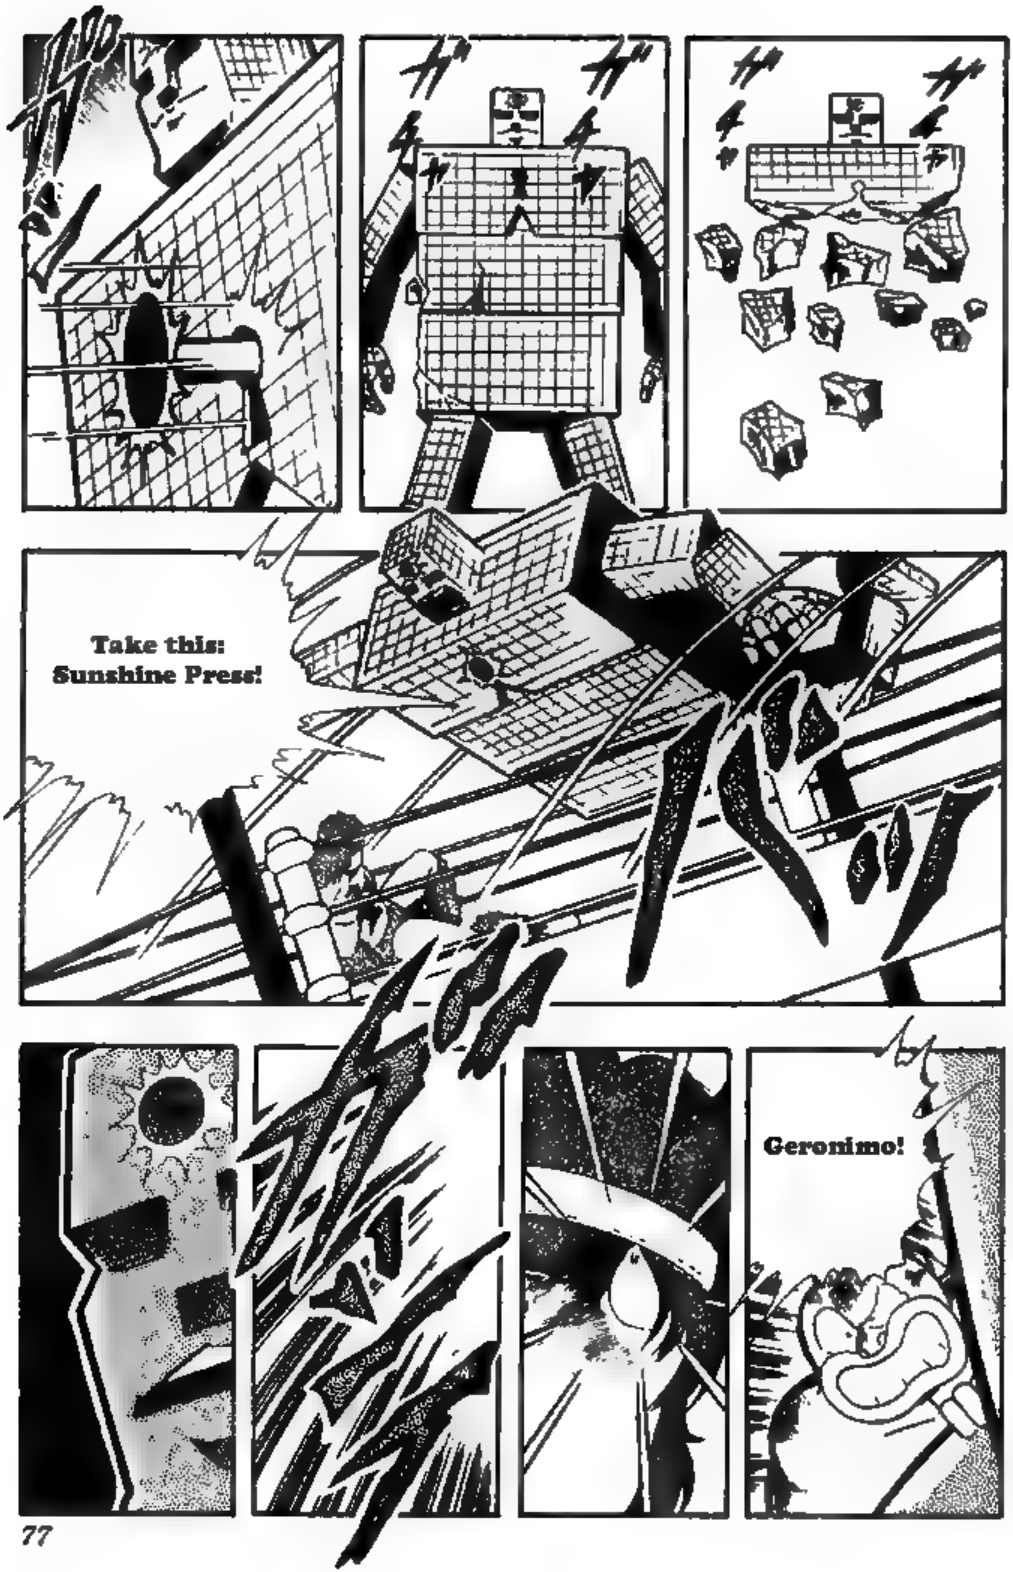
Kinnikuman's right, Geronimo is a full-fledged immortal Chojin!
Huh?
You're right... I jumped to conclusions.
GEEEH!
That's...



Sunshine has transformed into something resembling the Arc De Triomphe in Paris and pinned Geronimo!
Hell Arc De Triomphe!
Since my body is made up of countless pieces, I can build them into all sorts of things, like a pyramid or the Arc De Triomphe!
So if I can pull it out...
If that's true, then there must be a key part that holds all the others together. Destroying it would be like destroying the foundation of a house!
Geronimo has lifted him for the third time!

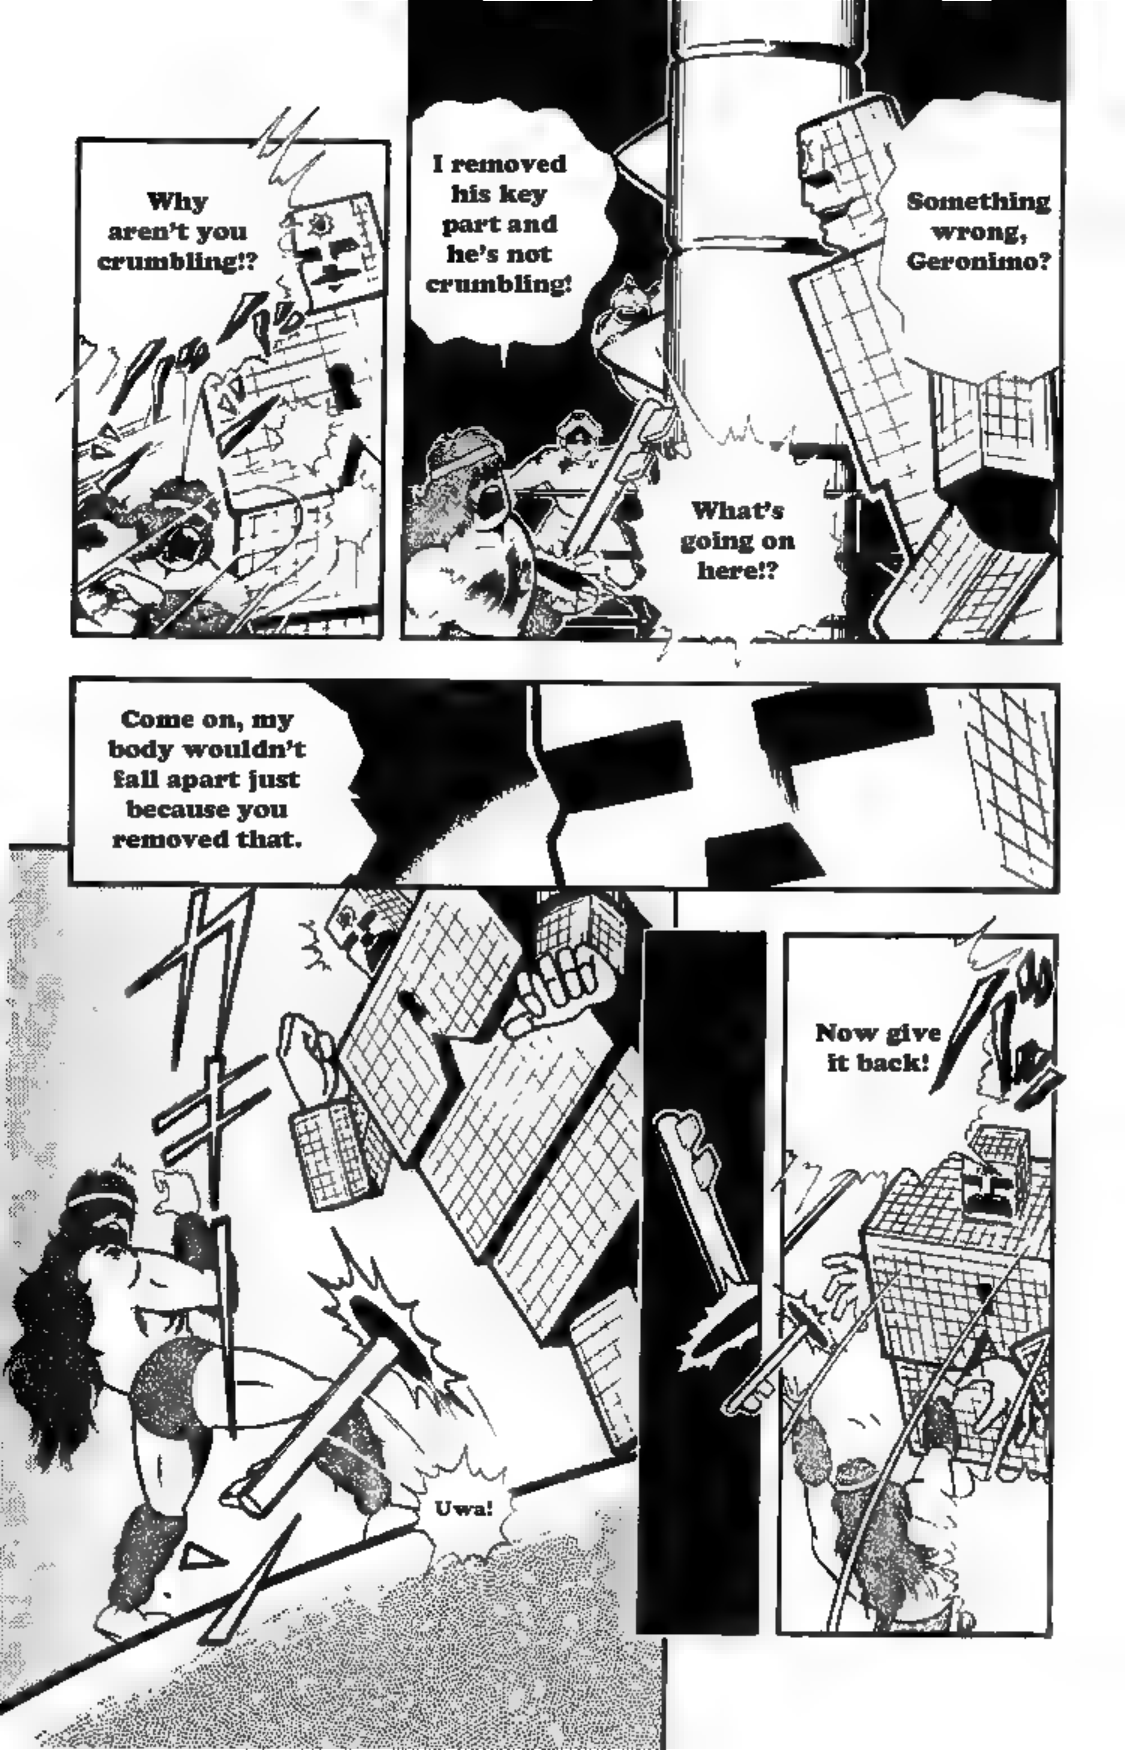
This time I'll find your key part!
Where did that sudden burst of energy come from!?
Terry, Geronimo's starting to scare me...
Sunshine's body has hit the iron pole and broken into pieces again!
Okay, where is it!?

There! That sun mark on his chest must be the key part!
Take this!
Geroni-mo!
Caught off-guard, Geronimo is hit directly by Sunshine's Hell Top!
I'll finish this by returning to my original form and crushing you.



Take this:
Sunshine Press!
Geronimo!

I've got you!
Good-bye, Sun-shine!
Sunshine, this is the end of your Sand Half Once I take your key part out, your body will fall apart!



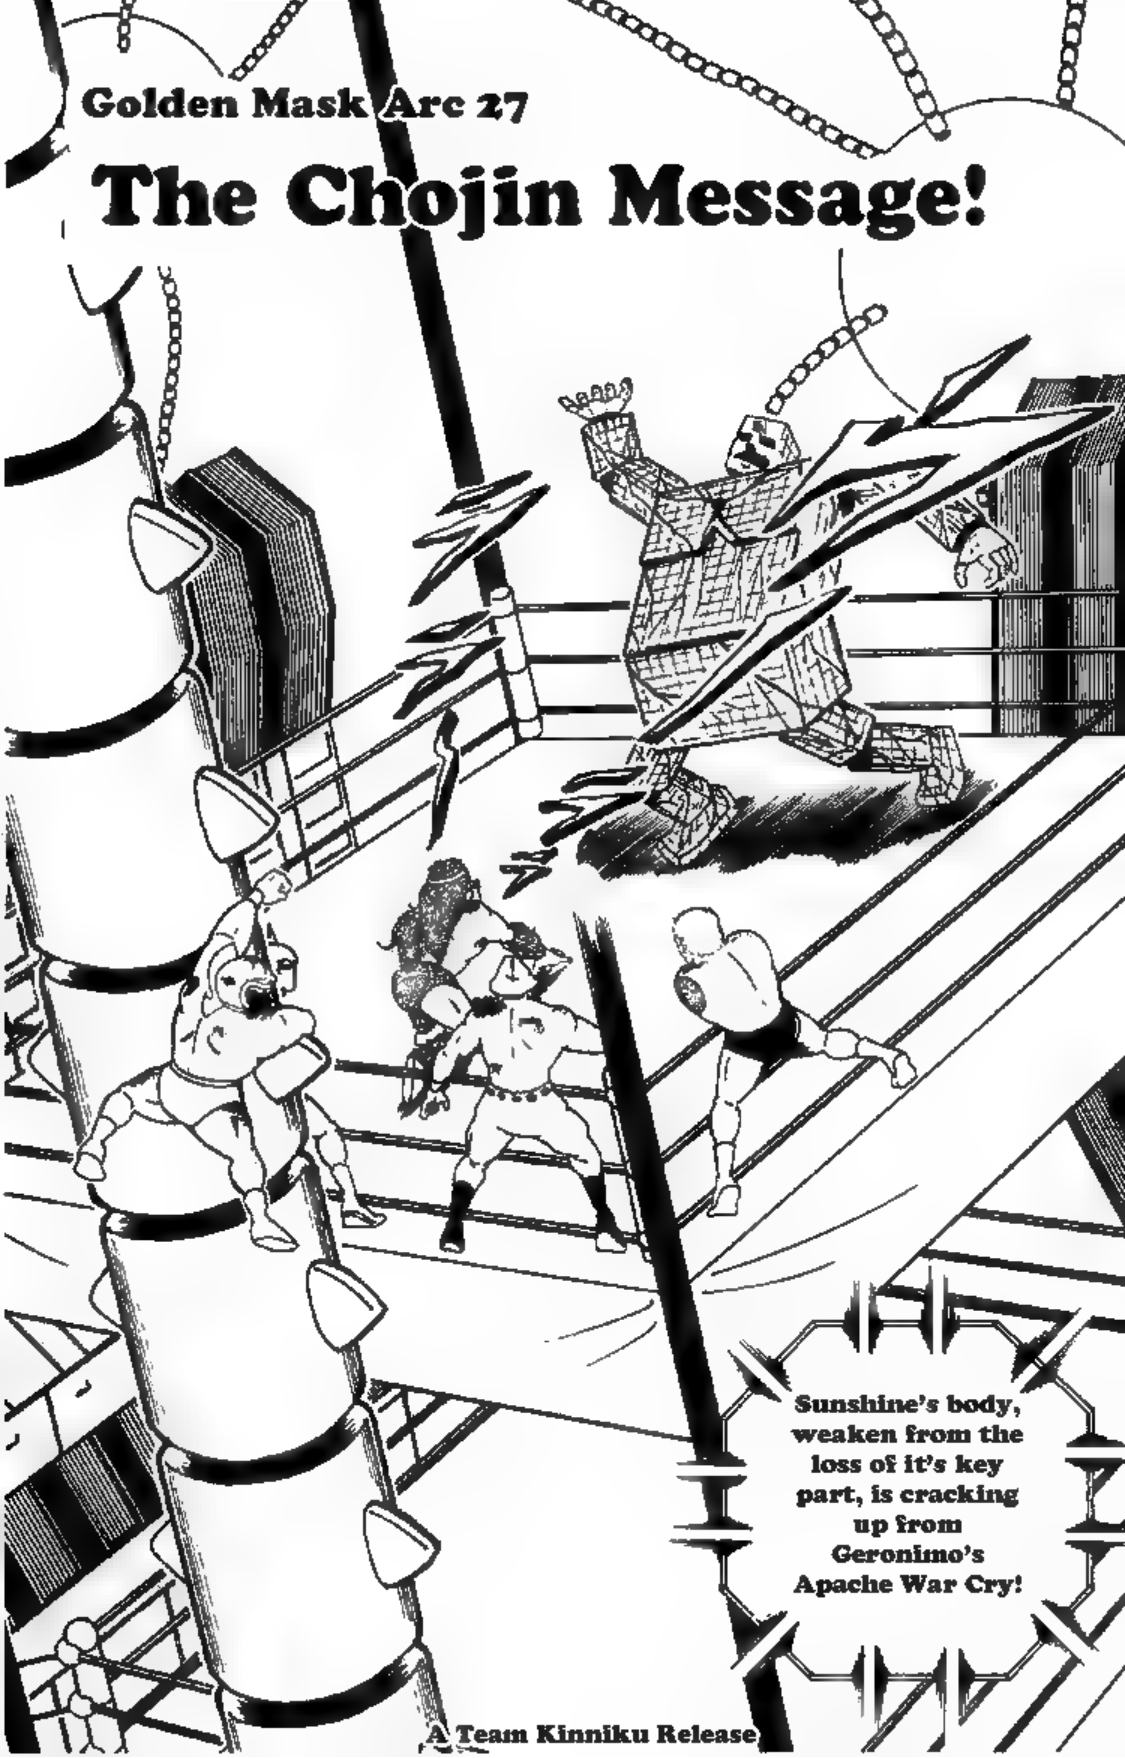
Why aren't you crumbling!?
I removed his key part and he's not crumbling!
Something wrong, Geronimo?
What's going on here!?
Come on, my body wouldn't fall apart just because you removed that.
Uwa!
Now give it back!

Geronimo, don't give his key part back!
UWAAA AAA!
However, it's going to take a bit more than that to make him fall apart!
You did good! You were right about the key part!

...and also loud noises!
Sunshine's body is a mass of pure sand! Sand is weak to wind and water...
I understand, Terryman, sir!
APACHE WAR CRY!

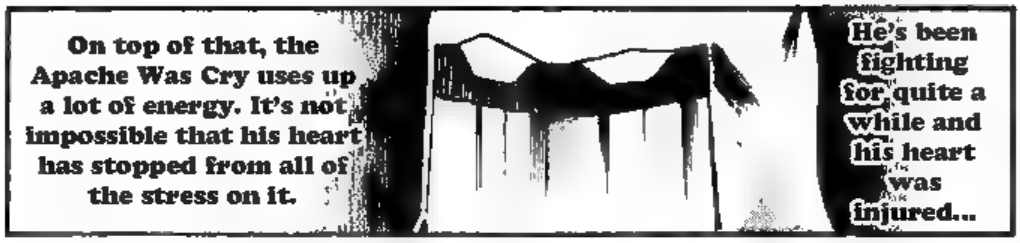
Golden Mask Arc 27

The Chojin Message!

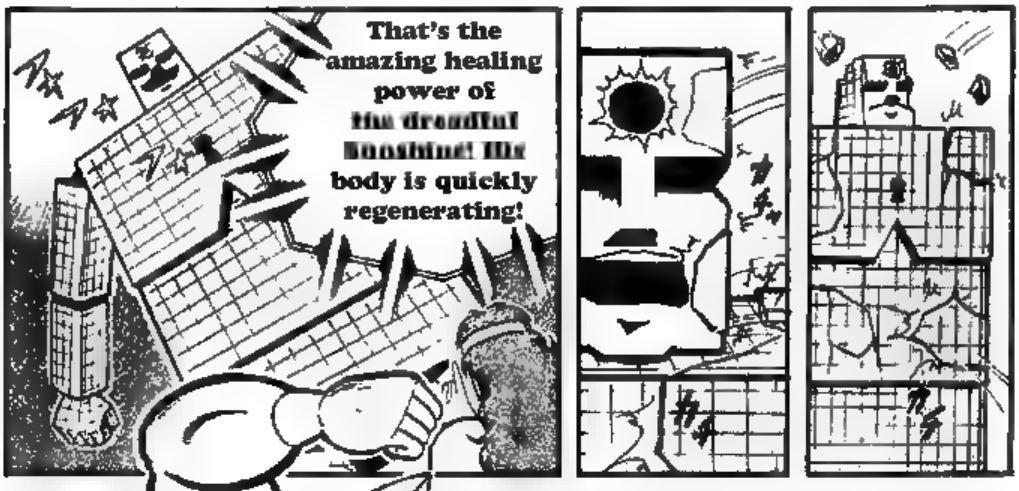


Sunshine's body is slowly becoming a landslide!
SFX: URARARA!
Alright, Geronimo! You can do this!
Stop! This sound is...
I can't... My voice is fading!

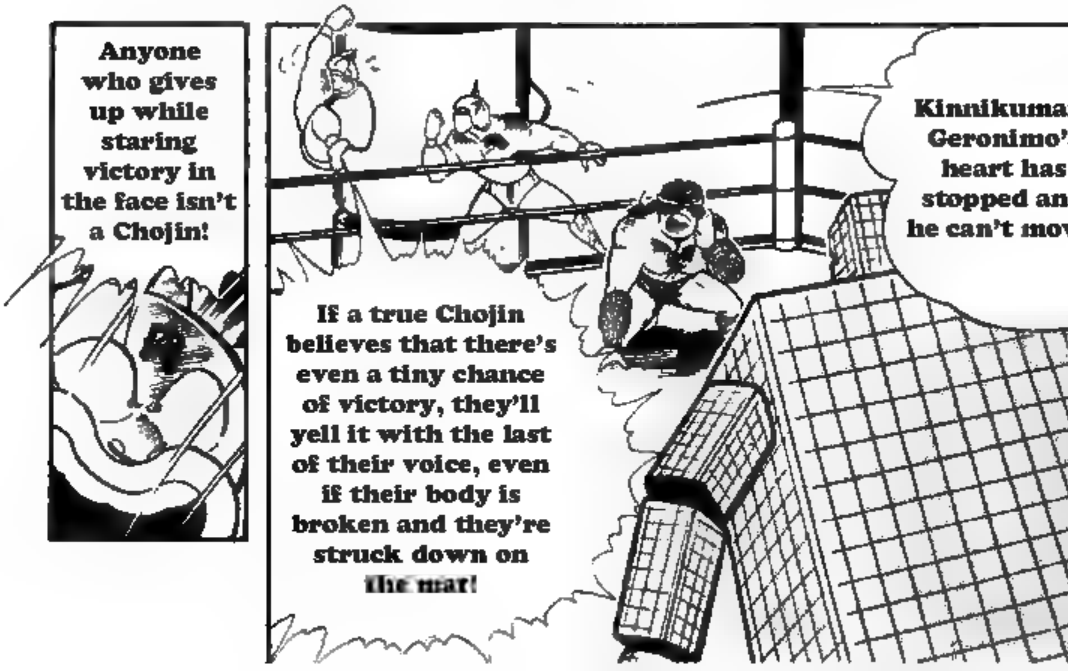
Geronimo's Apache War Cry has faded away!
What's wrong, Geronimo?
Uh...
He's dead!
Geronimo!



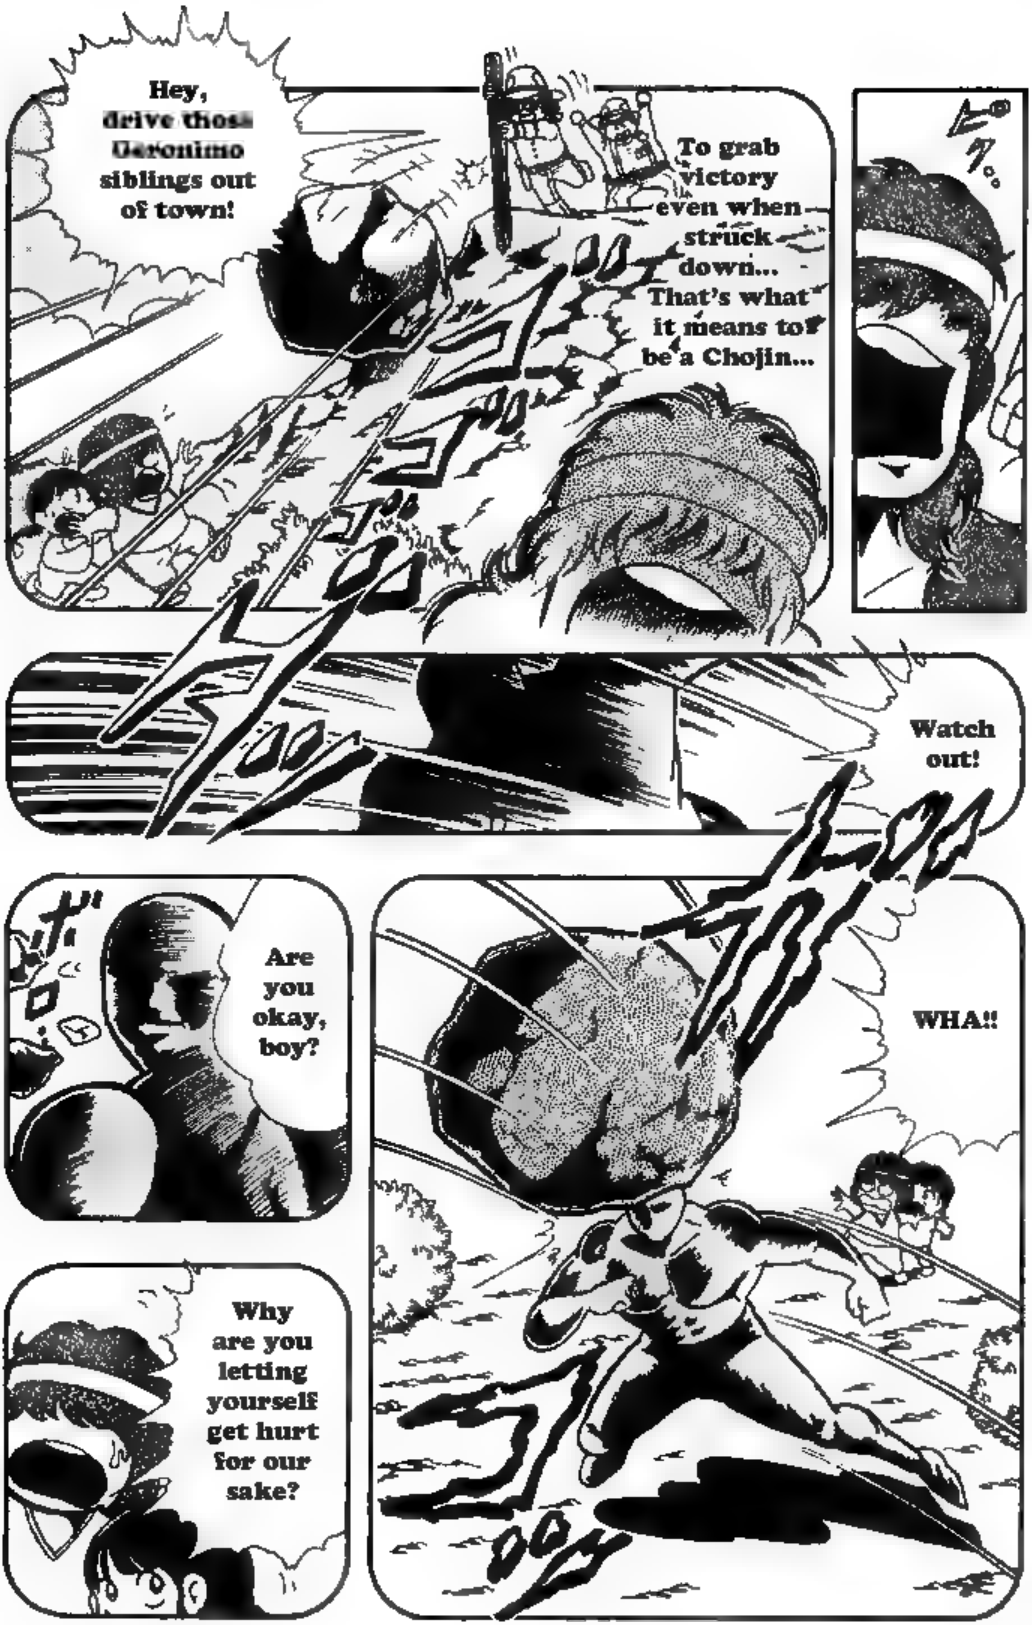
On top of that, the Apache Was Cry uses up a lot of energy. It's not impossible that his heart has stopped from all of the stress on it.
He's been fighting for quite a while and his heart was injured...



That's the amazing healing power of the dreadful Sunshine! His body is quickly regenerating!
Geronimo, are you already out of power, even though you're a Chojin!?



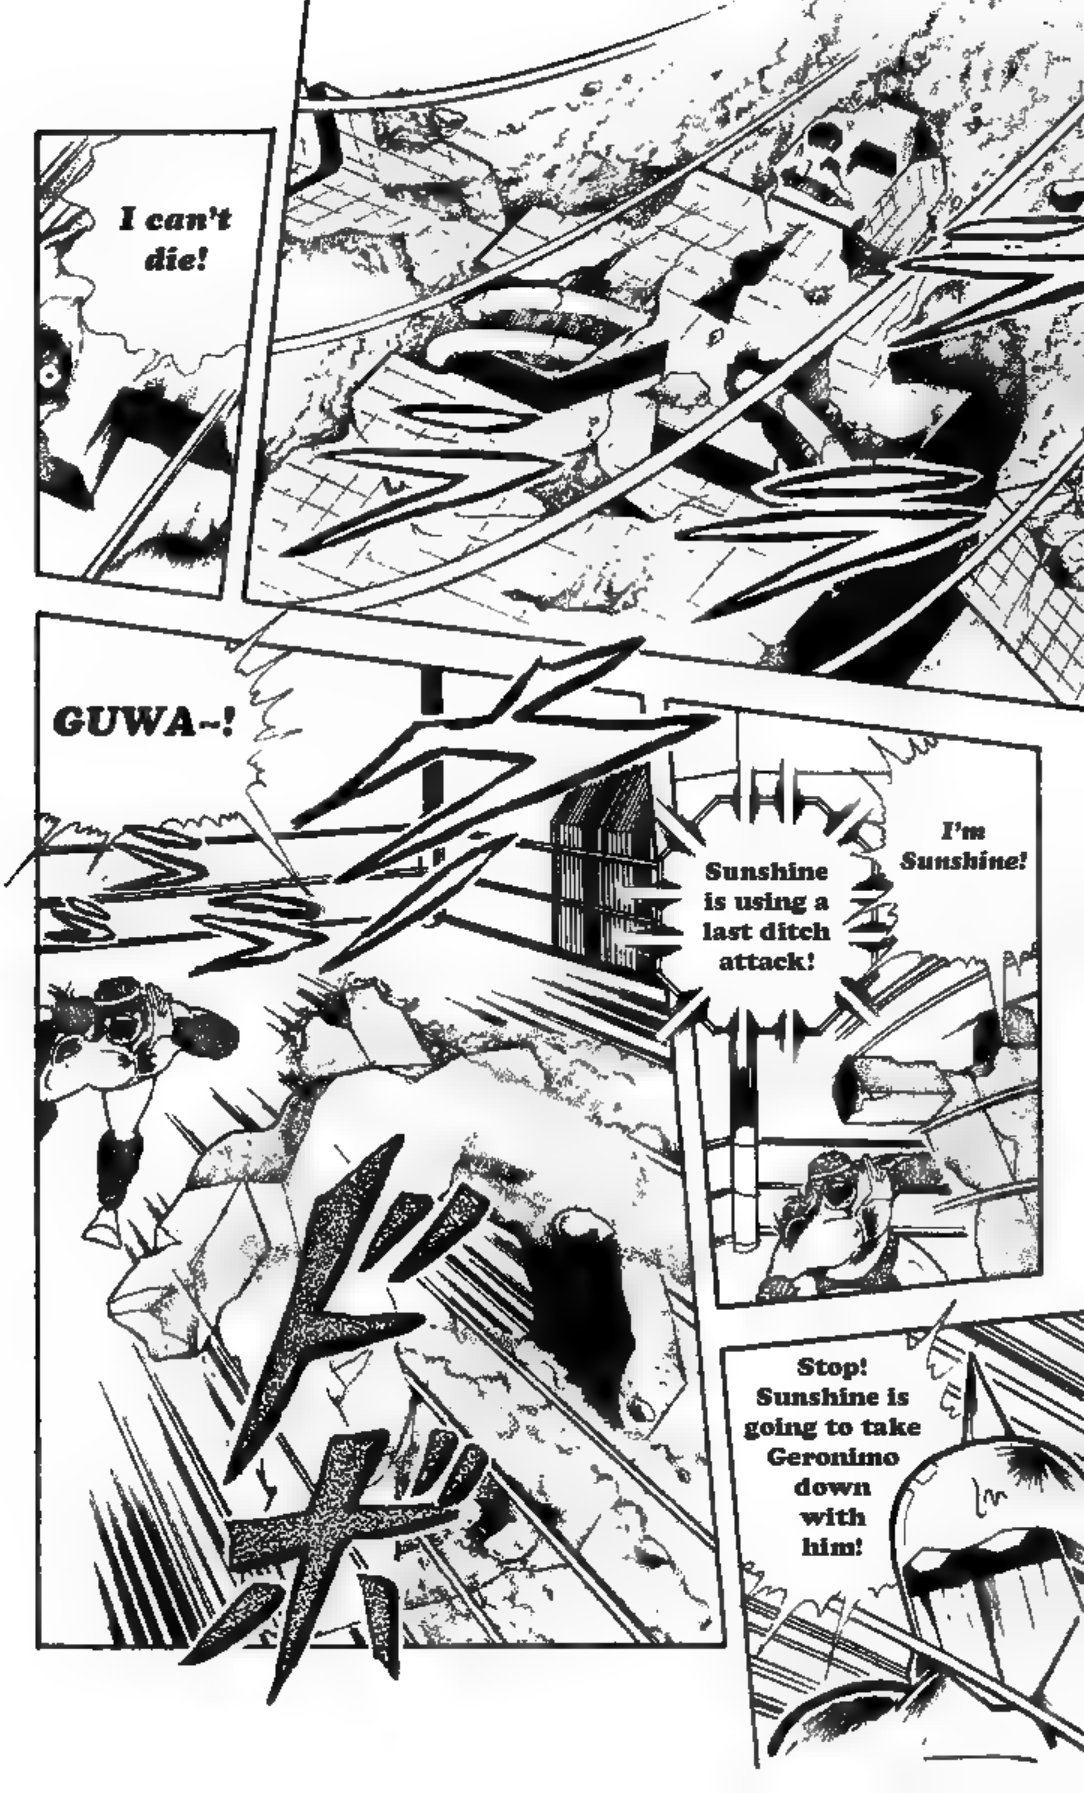
Anyone who gives up while staring victory in the face isn't a Chojin!
If a true Chojin believes that there's even a tiny chance of victory, they'll yell it with the last of their voice, even if their body is broken and they're struck down on the mat!
Kinnikuman! Geronimo's heart has stopped and he can't move!



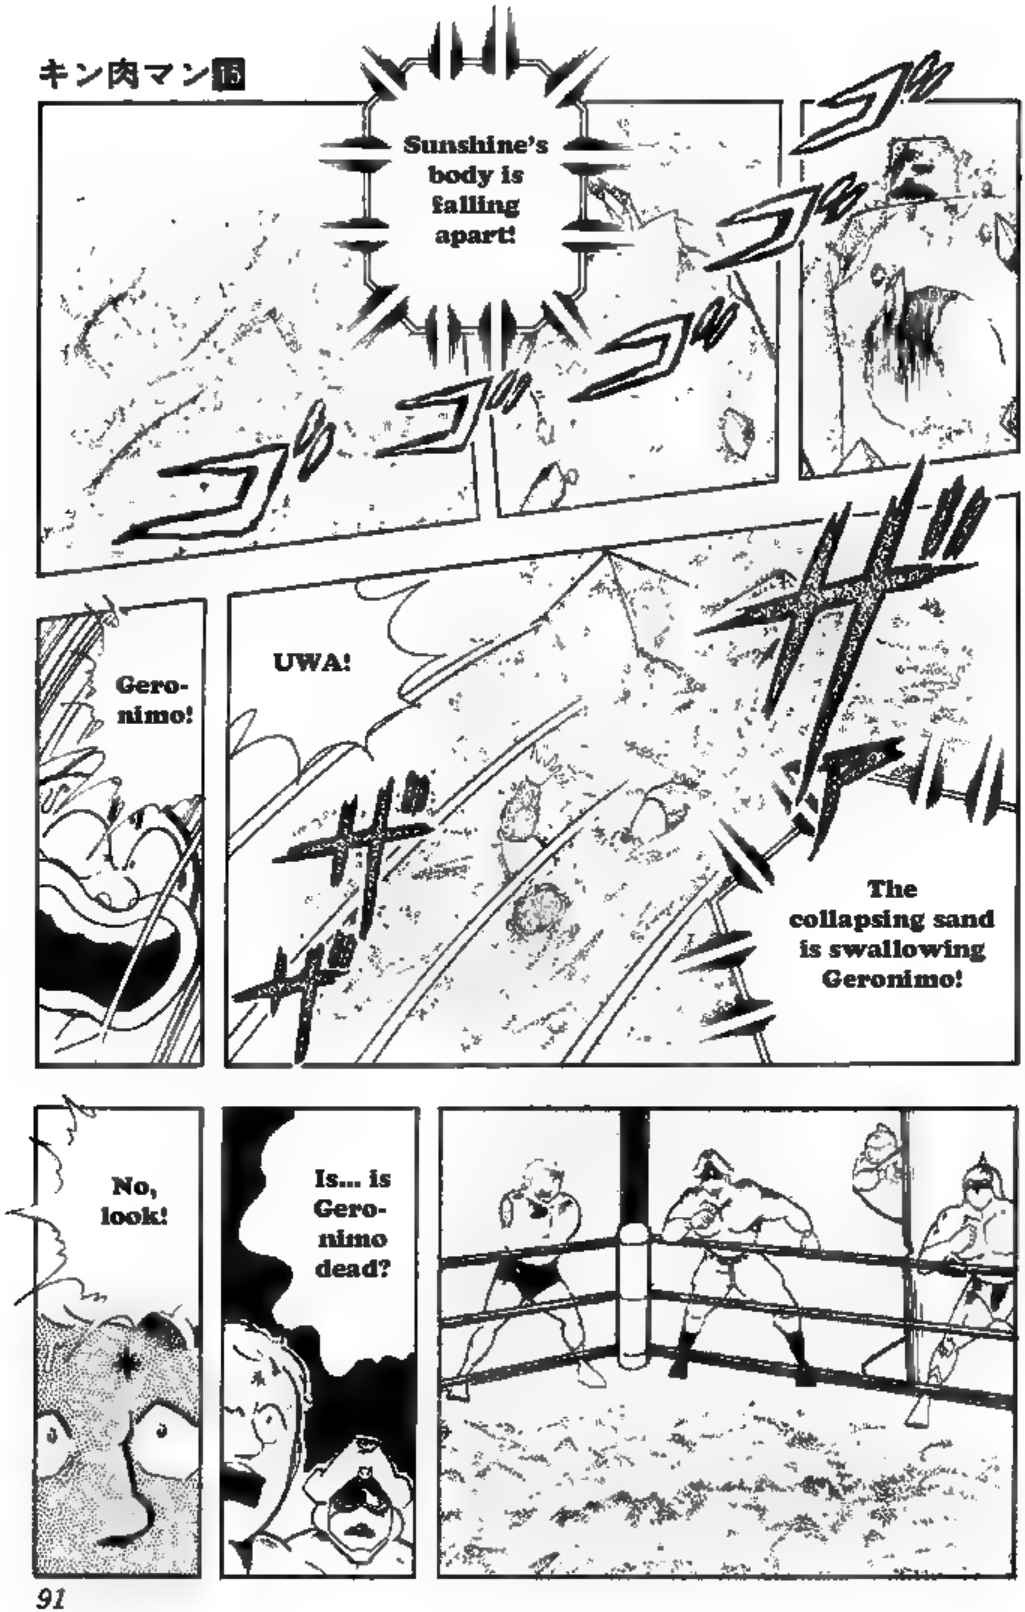
Hey, drive those Geronimo siblings out of town!
To grab victory even when struck down... That's what it means to be a Chojin...
Watch out!
Are you okay, boy?
WHA!!
Why are you letting yourself get hurt for our sake?

He's scary, run!
Do you understand, boy? Never let people with evil hearts deceive you. If you think clearly, you'll know your opponent, and even if you're struck down...
Chojin!
If there are people crying somewhere, I will be their shield. That's the Chojin Message.
As long as you have justice, you'll always win!
Although my body is at it's limit, I will still grab victory!

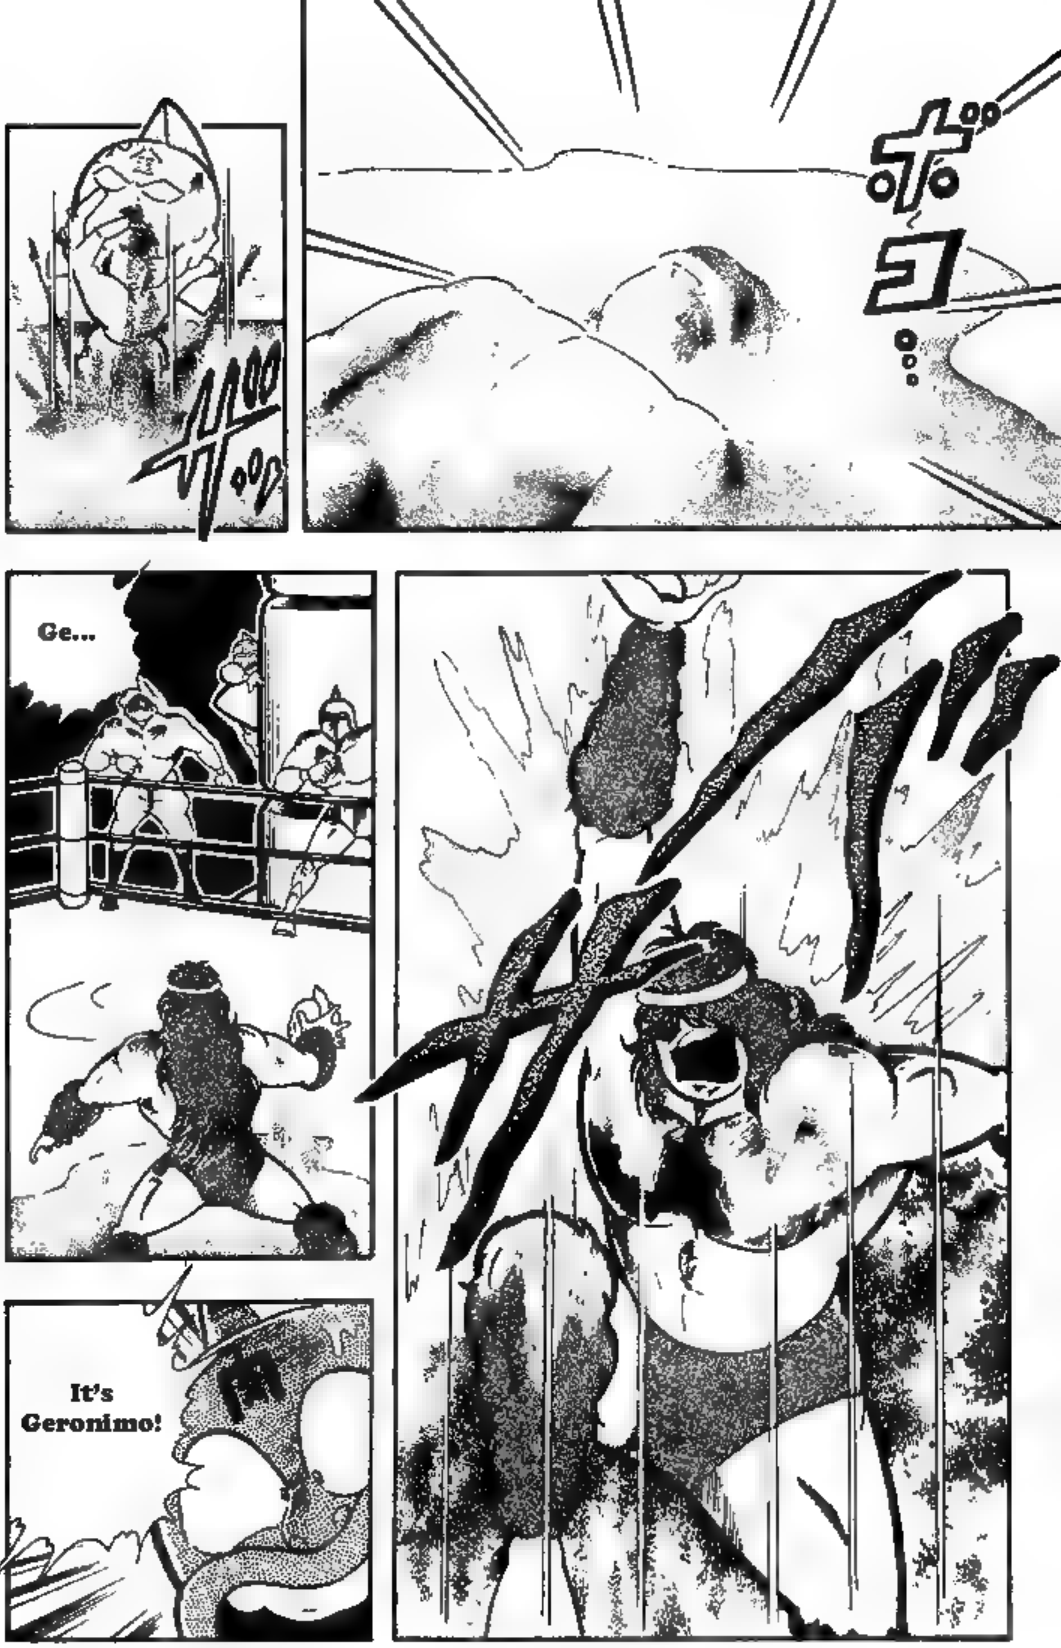
Geronimo's stopped heart...
Massaging your heart back to life is pointless!
He's that kind of guy!?
Geronimo's using his own hand to restart his heart.
SFX: URARA!
APACHE WAR CRY!



I can't die!
GUWA~!
Sunshine is using a last ditch attack!
I'm Sunshine!
Stop! Sunshine is going to take Geronimo down with him!

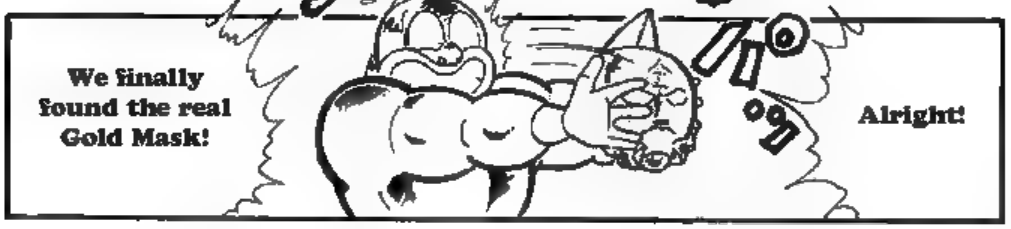


Sunshine's body is falling apart!
Gero-nimo!
UWA!
The collapsing sand is swallowing Geronimo!
No, look!
Is... is Gero-nimo dead?



Ge...
It's Geronimo!

JUSTICE CHOJIN:
O-GERONIMO
(APACHE WAR CRY)
xDEVIL KNIGHTS:
-X-SUNSHINE
JUSTICE WILL ALWAYS PREVAIL!
And so, the Five-Teir Ring matches end with 3 wins and a draw for the Justice Chojin!
They did it!
This should be the real Gold Mask, but let's test it to make sure.
If they both respond, it's real.
Silver Mask goes on the right shoulder, 45 degrees to the left.
Um...

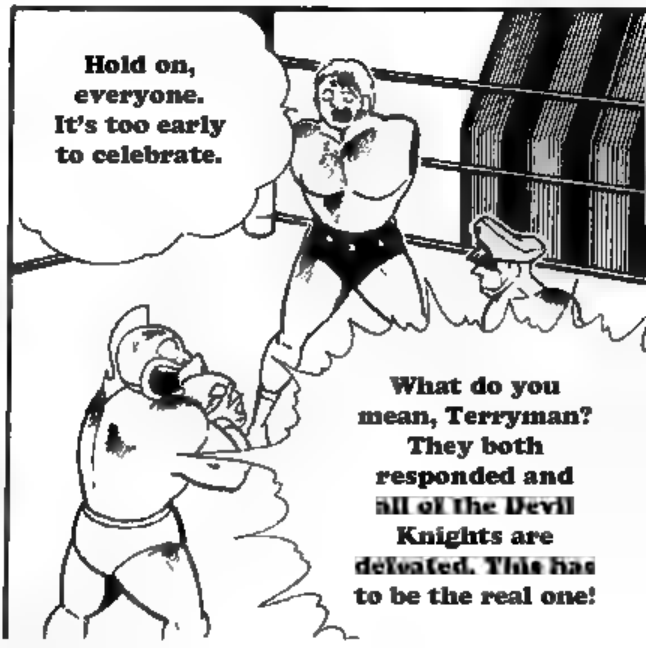


We finally found the real Gold Mask!
Alright!

Hahaha! We finally did it!

What are you going to do?

Please Kinnikuman, I want to test it once more.



Hold on, everyone. It's too early to celebrate.
What do you mean, Terryman? They both responded and all of the Devil Knights are defeated. This has to be the real one!

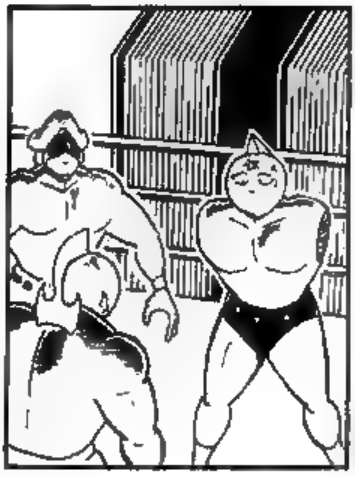
If that's the real Gold mask, it will give the correct answer with Kinnikuman's voice, proving that it's the real one.
They say there's a password that only the real Silver and Gold Mask know. I'll put on the Silver Mask and ask the question.

GOLD MASK, HERE IS THE QUESTION. IF YOU ANSWER IT, YOU ARE THE REAL GOLD MASK.

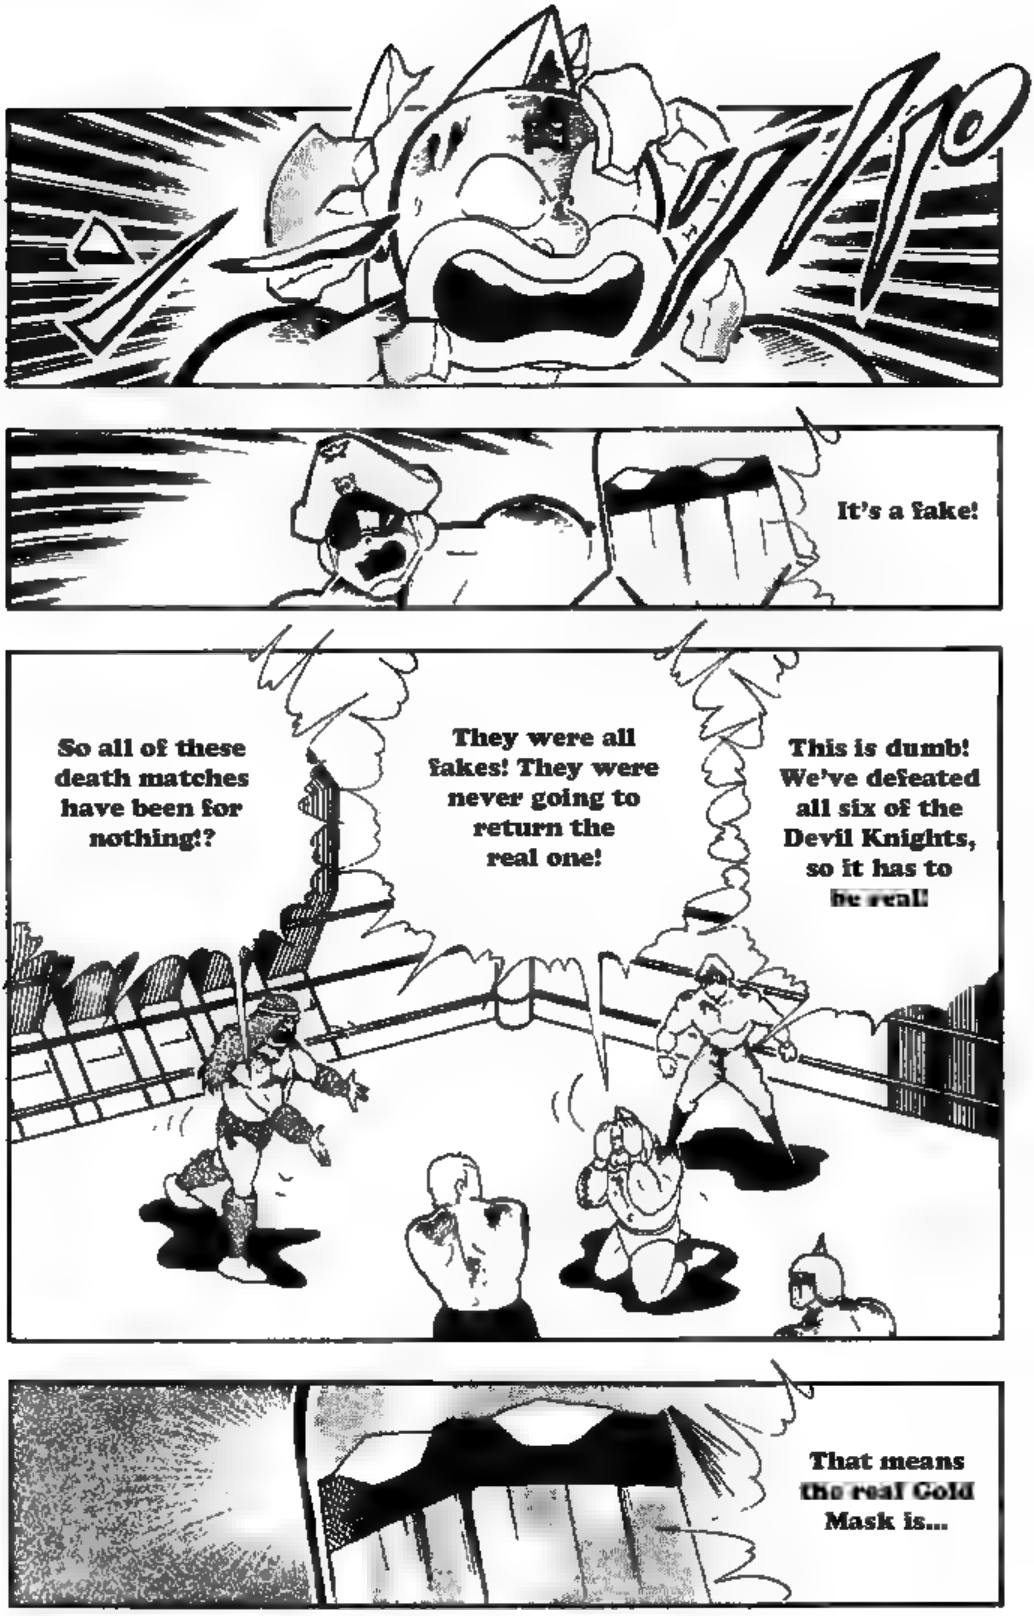
Okay.
Alright, put it on once more.

UNDER-STOOD.

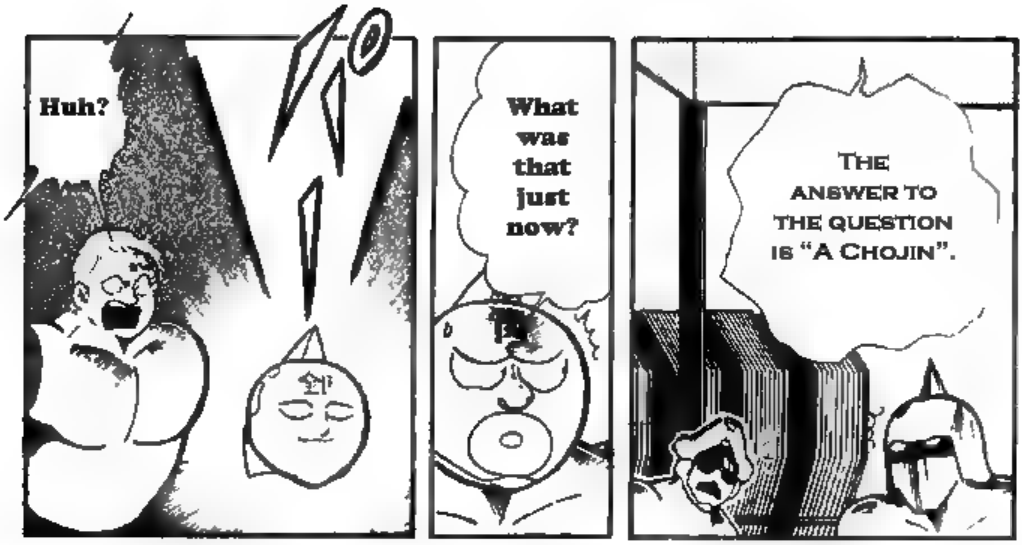
WHAT'S WRONG, GOLD MASK?



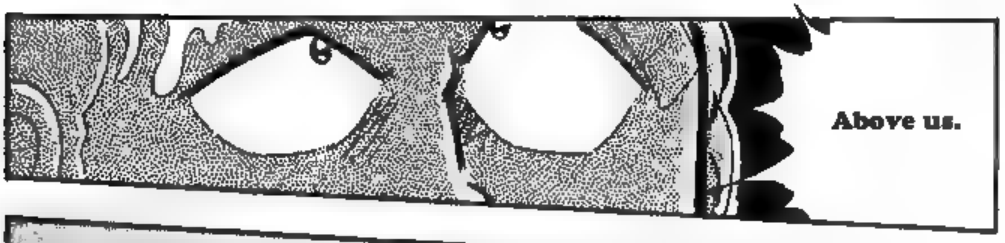
WHAT WALKS ON FOUR LEGS IN THE MORNING, TWO LEGS AT NOON, AND THREE LEGS IN THE EVENING?



It's a fake!
So all of these death matches have been for nothing!?
They were all fakes! They were never going to return the real one!
This is dumb! We've defeated all six of the Devil Knights, so it has to be real!
That means the real Gold Mask is...



Huh?
What was that just now?
THE ANSWER TO THE QUESTION IS "A CHOJIN".

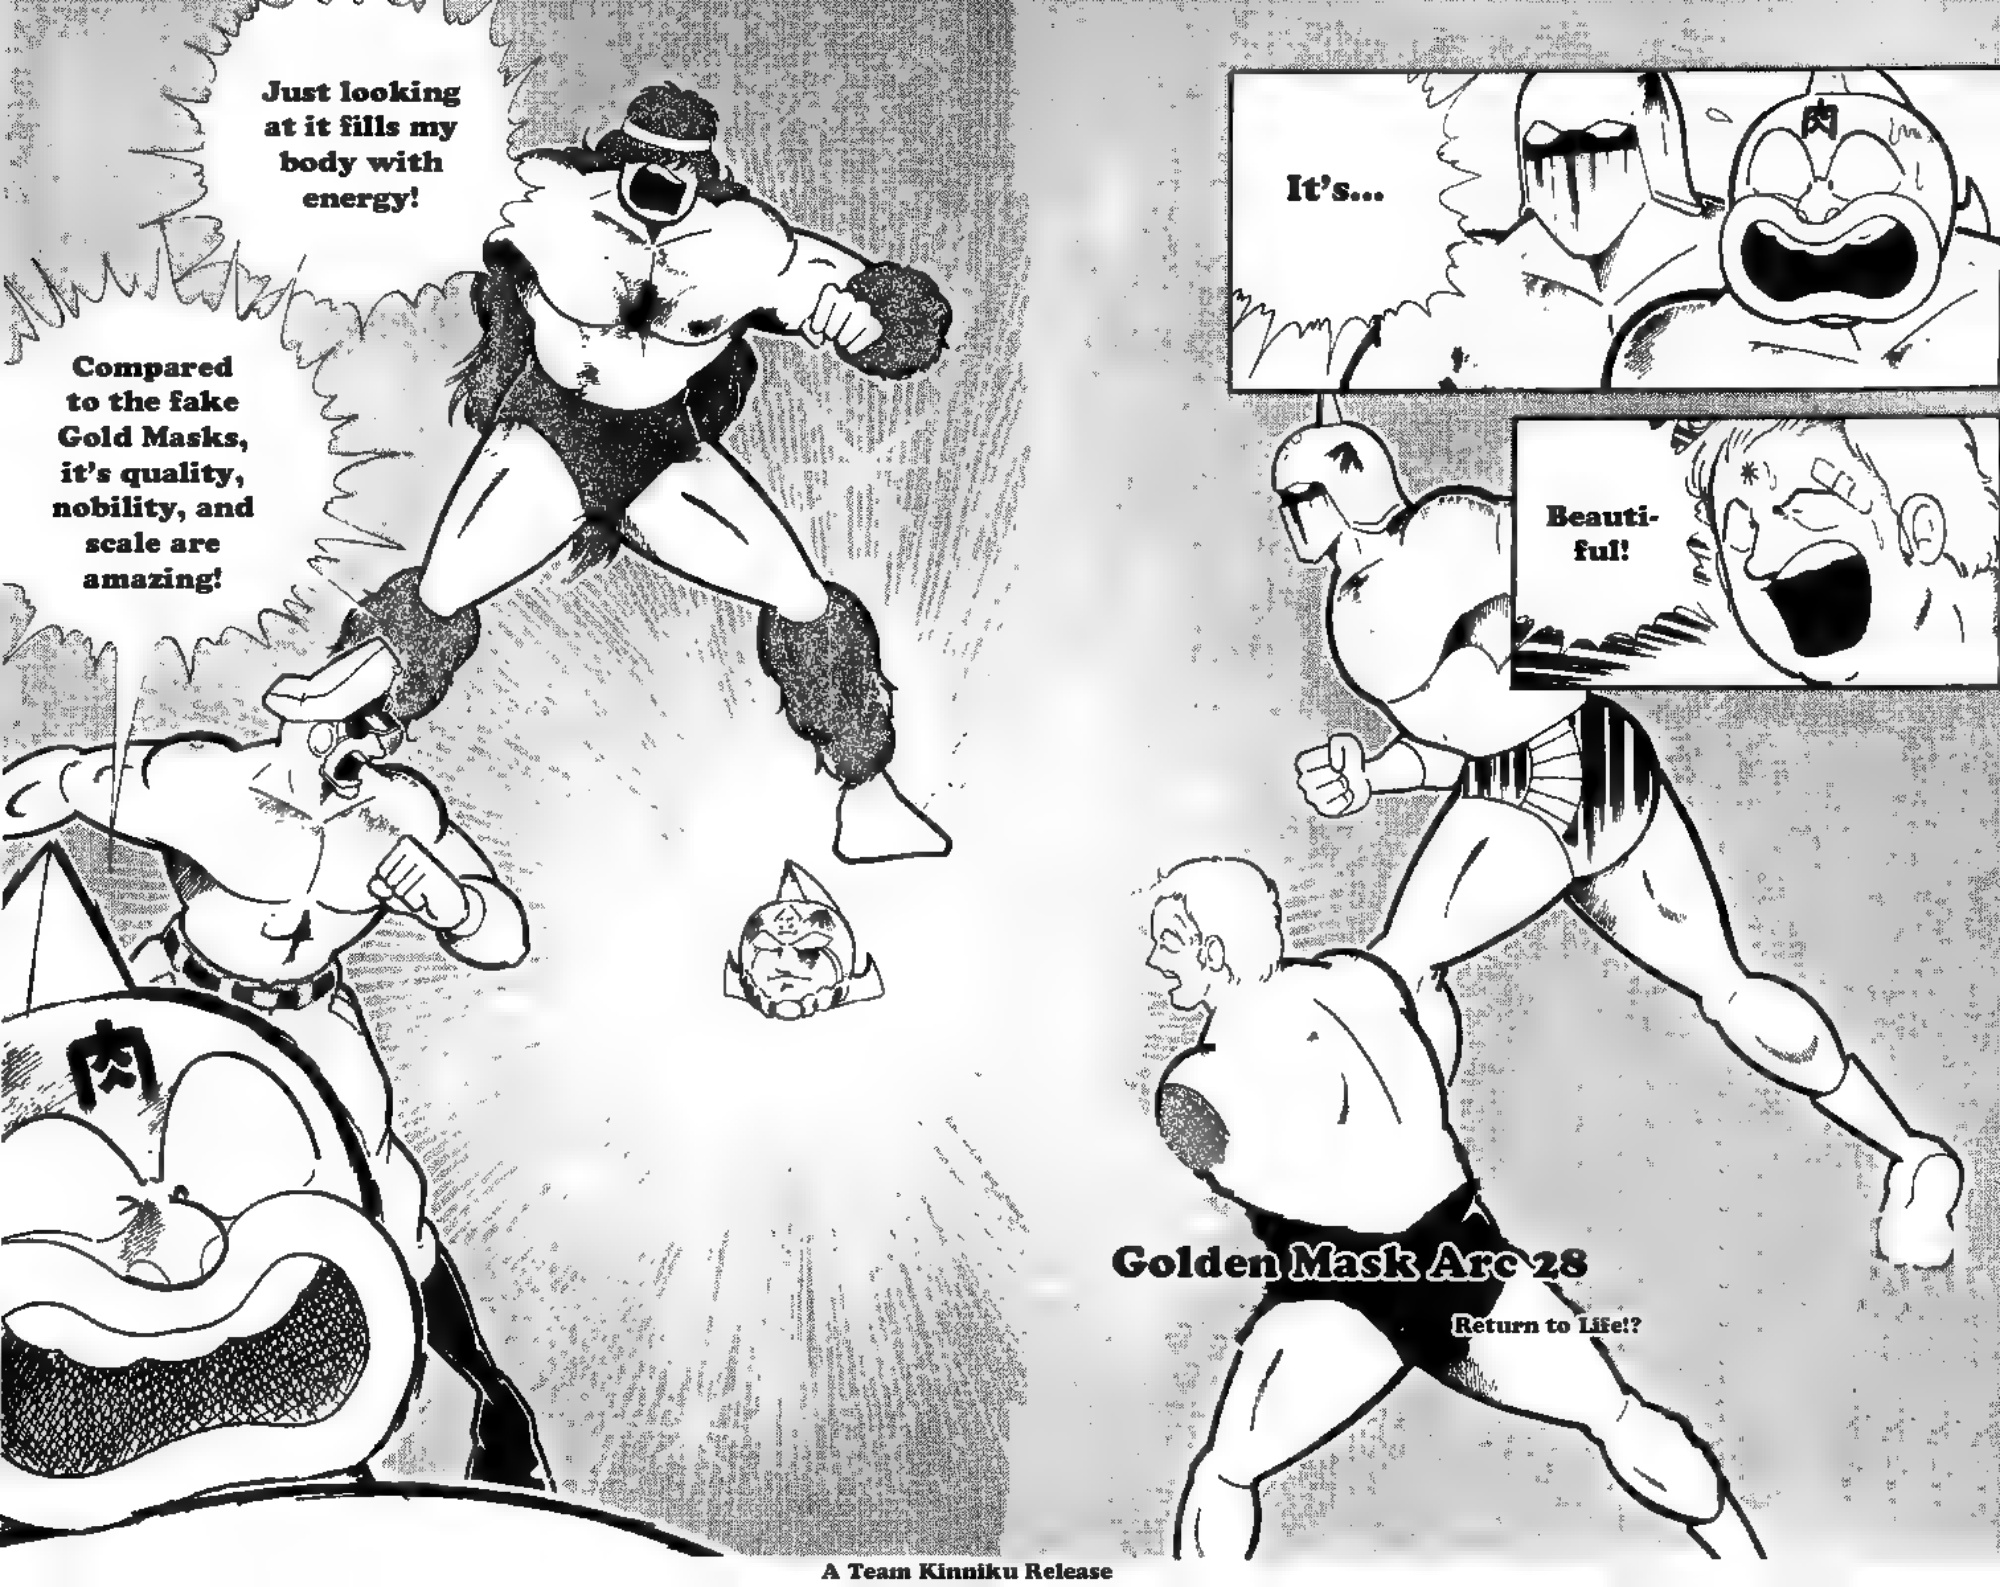


Above us.

THE ANSWER IS "A CHOJIN".
The real Gold Mask is up on the Witch Hour!
THE ANSWER IS "A CHOJIN".

復活なるか!? の巻

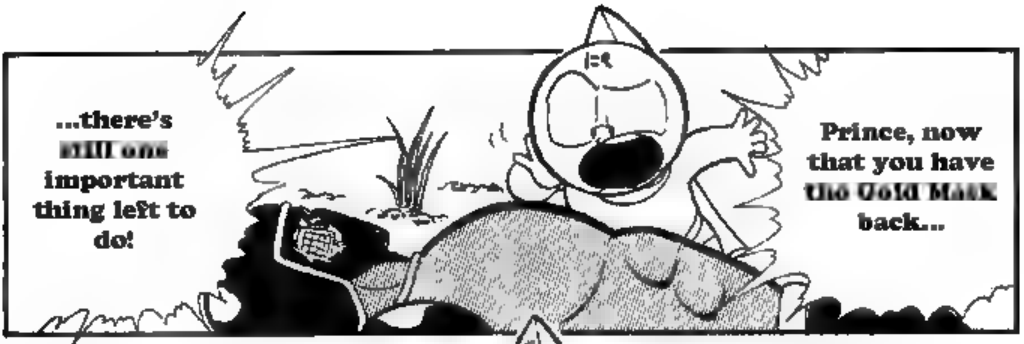
Hurry everyone, the real Gold Mask is on the top floor!
A CREATURE WITH FOUR LEGS IN THE MORNING, TWO LEGS AT NOON AND THREE LEGS IN THE EVENING IS "A CHOJIN"!
Ooh!
Gold Mask, you won't escape!



Just looking at it fills my body with energy!
Compared to the fake Gold Masks, it's quality, nobility, and scale are amazing!
It's...
Beauti-ful!
Golden Mask Arc 28
Return to Life!?

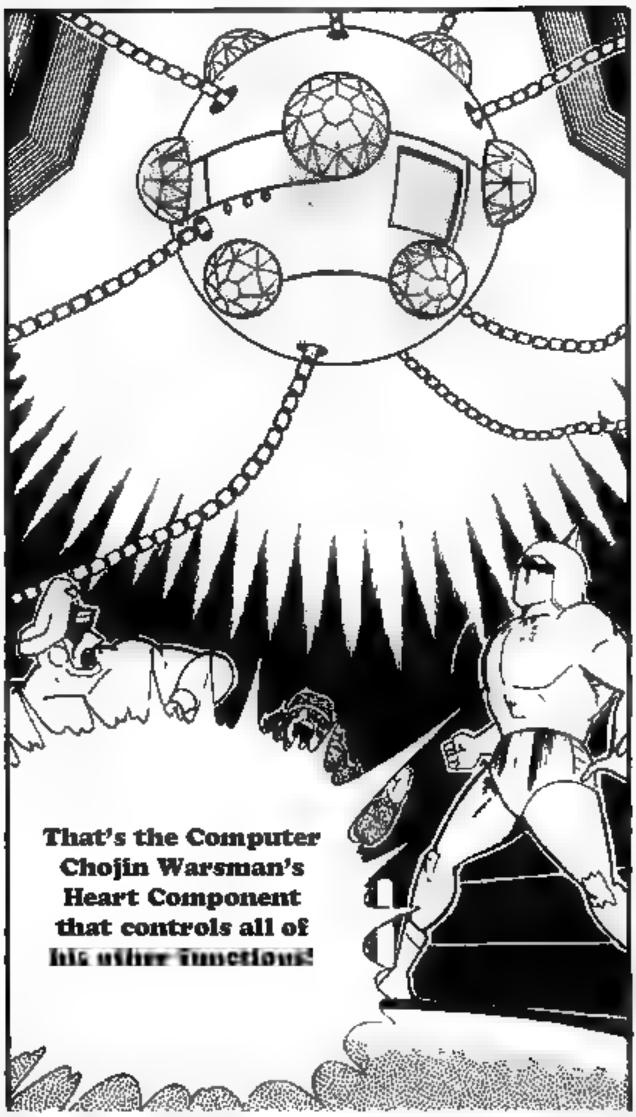
Huh?
Wait, it could be a trap!
There's no doubt that this is the real Gold Mask!
Seeing it with my own eyes...
It answered the question right and everything!
What are you saying?
But there's one final way to prove it.
This could be the real Gold Mask...
"Morning" refers to a Chojin's childhood. Even a Chojin can't stand at that age, so he needs to use four "legs", incldING his hands.
Gold Mask!
Tell me why the answer is "A Chojin"!

"Night" is a Chojin's old age. At that point, they're presented with a cane from the Chojin Association to represent their life's work. Counting the cane makes three legs.
"Noon" is adulthood. A Chojin who finished childhood can stand firmly on two legs.
...and three at night!
That makes four in the morning, two at noon...
The Idol Chojin, led by Kinnikuman, have finally won back the Gold Mask!
Look at that!
That was perfect! He's the real Gold Mask!



...there's still one important thing left to do!
Prince, now that you have the Gold Mask back...

What does he mean?

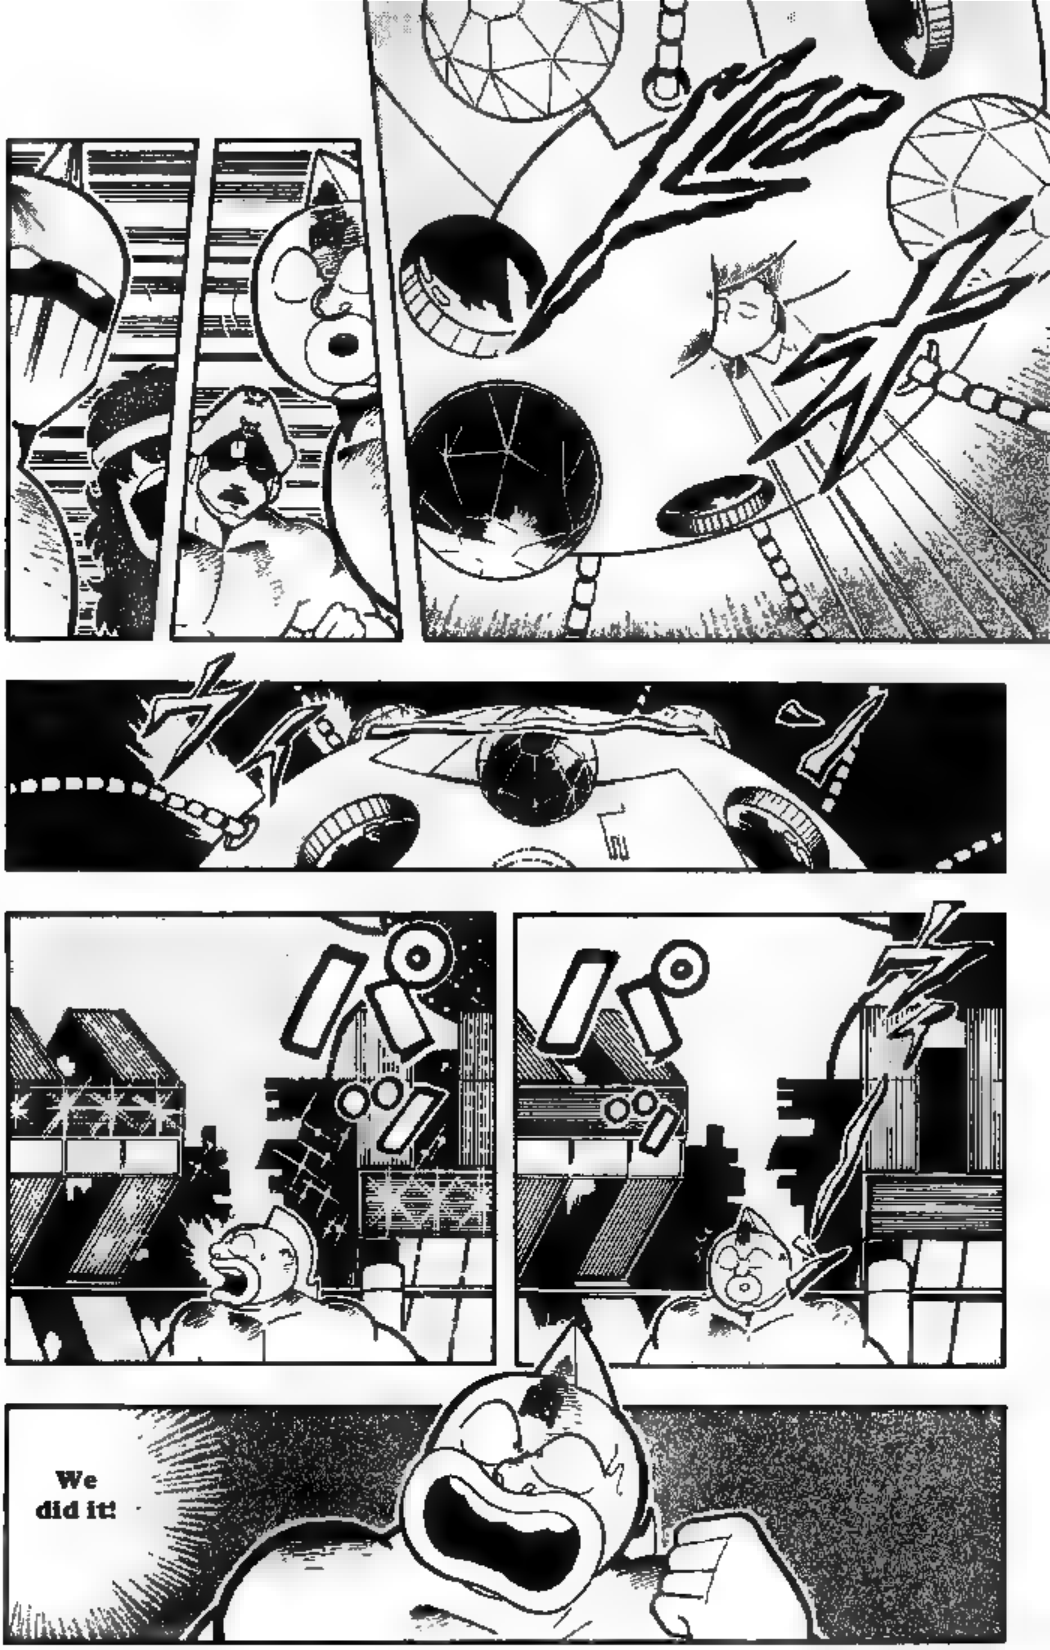


That's the Computer Chojin Warsman's Heart Component that controls all of his other functions!

We almost forgot! It's the reason we went inside Warsman in the first place: to give Warsman's heart a shock to revive him!
Where is Warsman's heart!?

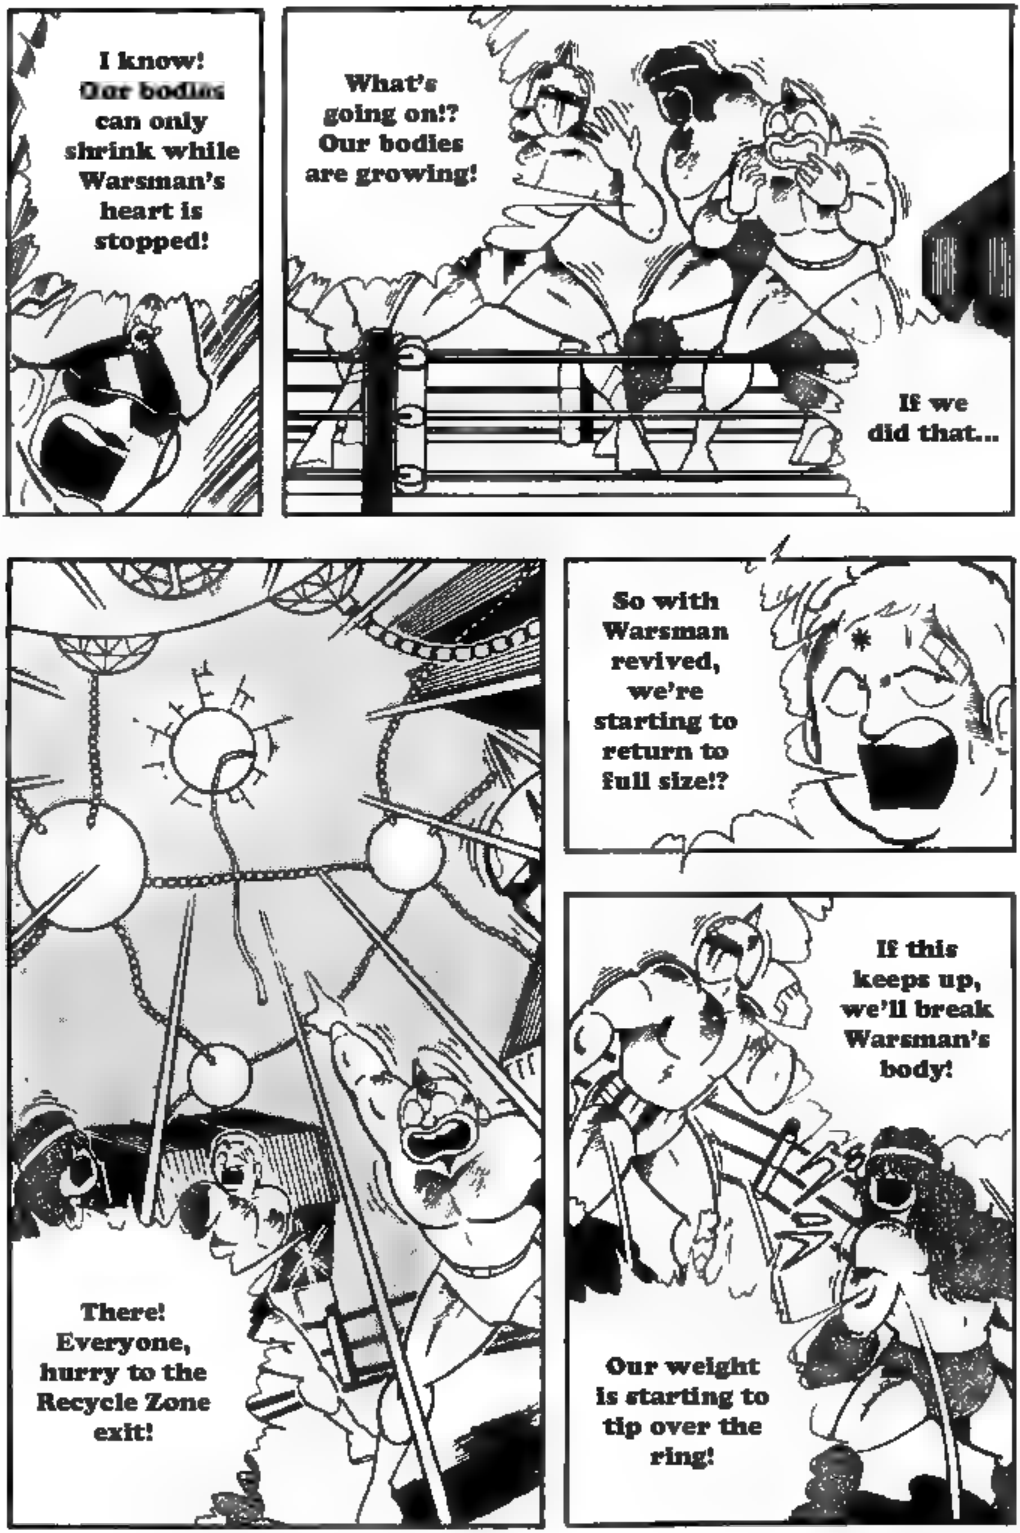
Huh?

Suguru, the Silver Mask! Throw the mask of peace at it!
How do we shock it if we don't have a ladder that can reach it?
We beg you, Silver Mask!
Hit Warsman's heart with the Silver Mask?
Be careful. Once the heart starts to move, we'll only have five minutes to escape!
Okay, got it!



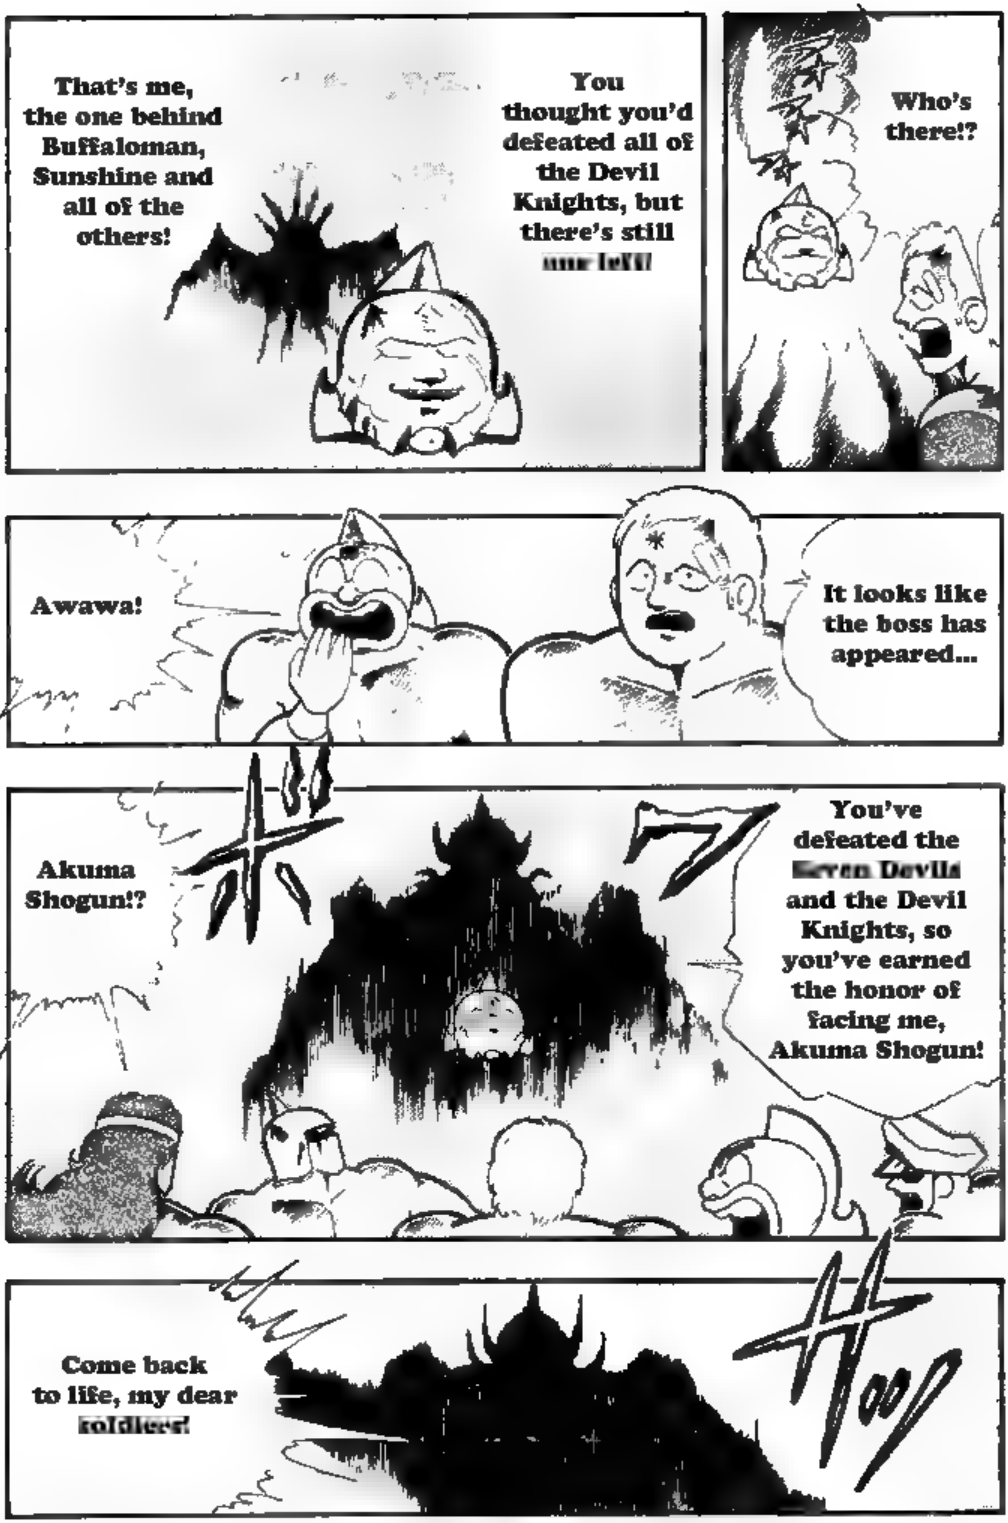
We
did it!

Warsman's revived!
His heart's started up again!
Geh?
Warsman's regaining consciousness!
ドッ
ドッ
ドッ
ドン



I know! Our bodies can only shrink while Warsman's heart is stopped!
What's going on!? Our bodies are growing!
If we did that...
So with Warsman revived, we're starting to return to full size!?
If this keeps up, we'll break Warsman's body!
Our weight is starting to tip over the ring!
There! Everyone, hurry to the Recycle Zone exit!

パワワワ
Hey!
パワワワ
The Recycle Zone is shrinking!
Who's doing this!?
No, it's being controlled by someone!
The Gold Mask is stopping us!?
To be honest, I have no reason to let you leave!
パワワ



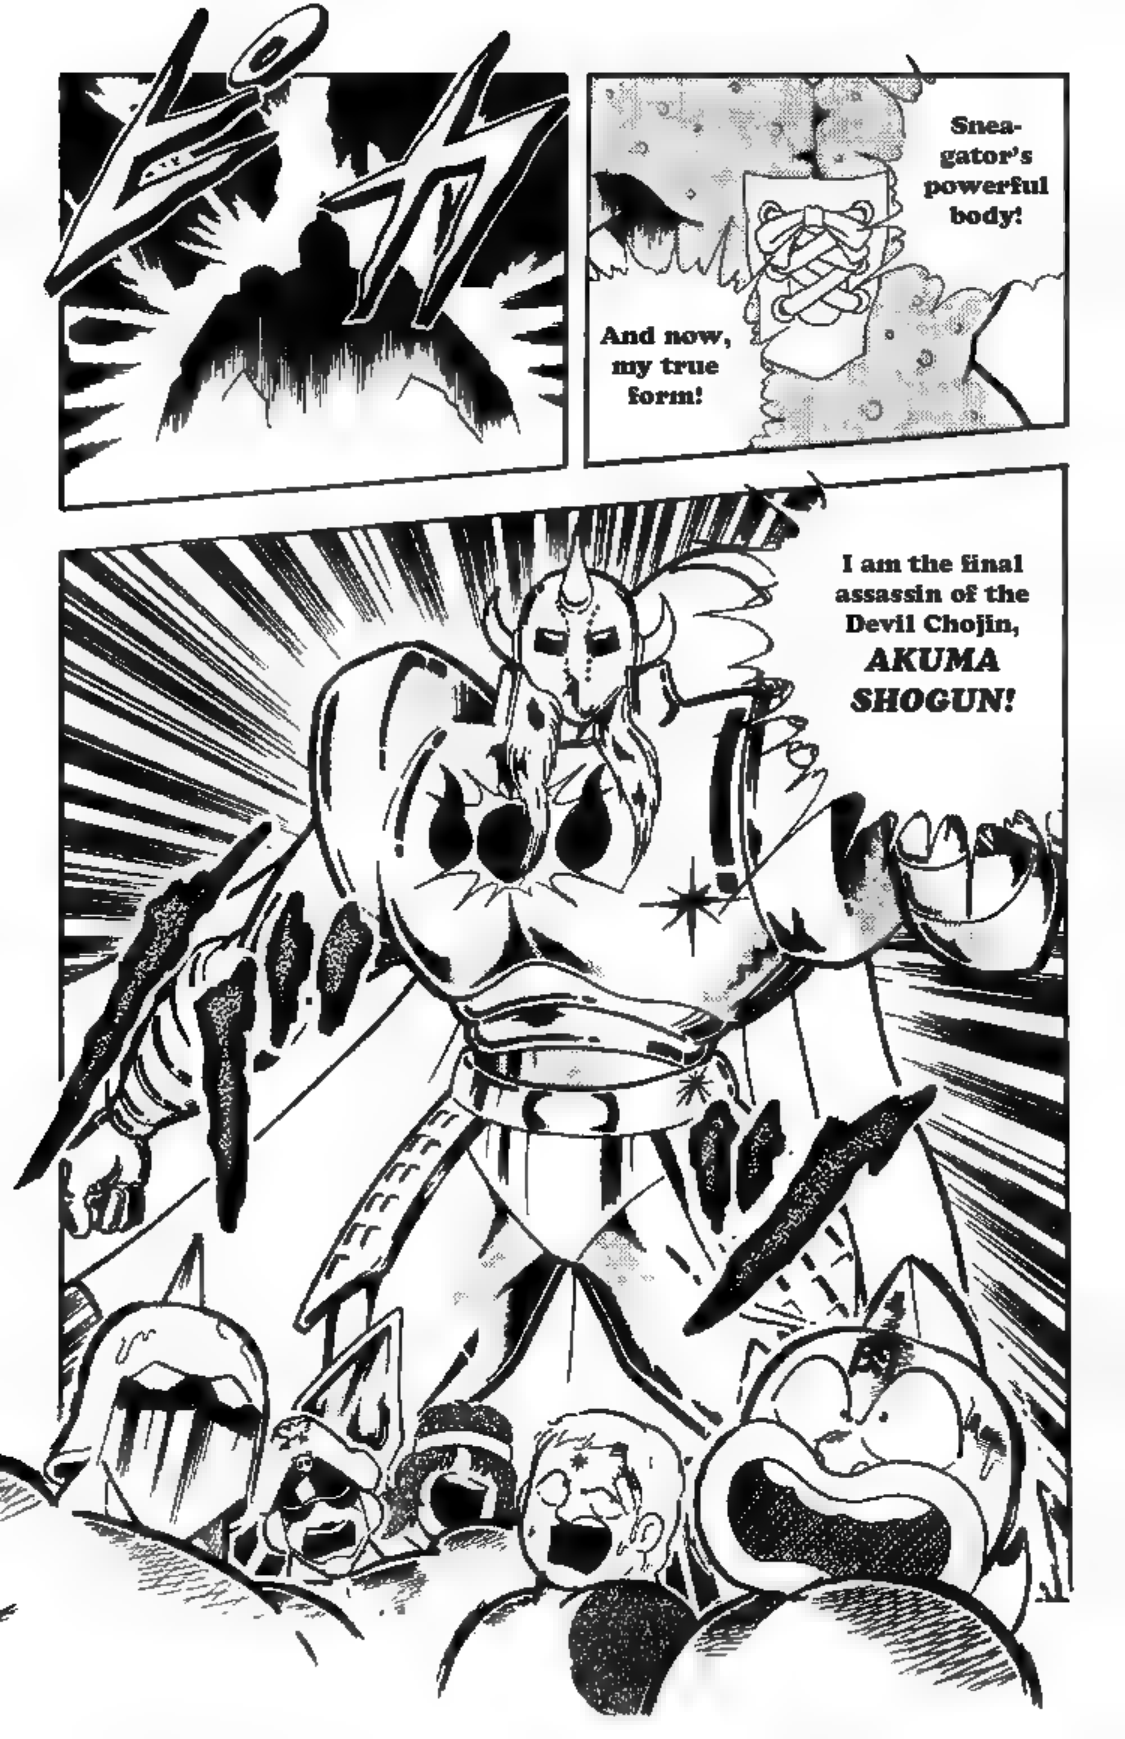
That's me, the one behind Buffaloman, Sunshine and all of the others!
You thought you'd defeated all of the Devil Knights, but there's still one left!
Who's there!?
Awawa!
It looks like the boss has appeared...
Akuma Shogun!?
You've defeated the Seven Devils and the Devil Knights, so you've earned the honor of facing me, Akuma Shogun!
Come back to life, my dear soldiers!

Note: Akuma Shogun's name translates to "Devil General".

Aah!
ボ
ク
Those are the defeated Devil Knights!

So give me your power!
All of you have failed me, aside from Ashuraman who fought to a draw!

Guh!
The five Chojin have united!
Junk-man's brutal-ity!
The Ninja's technique!
Planetman's Speed!
Sunshine's power!



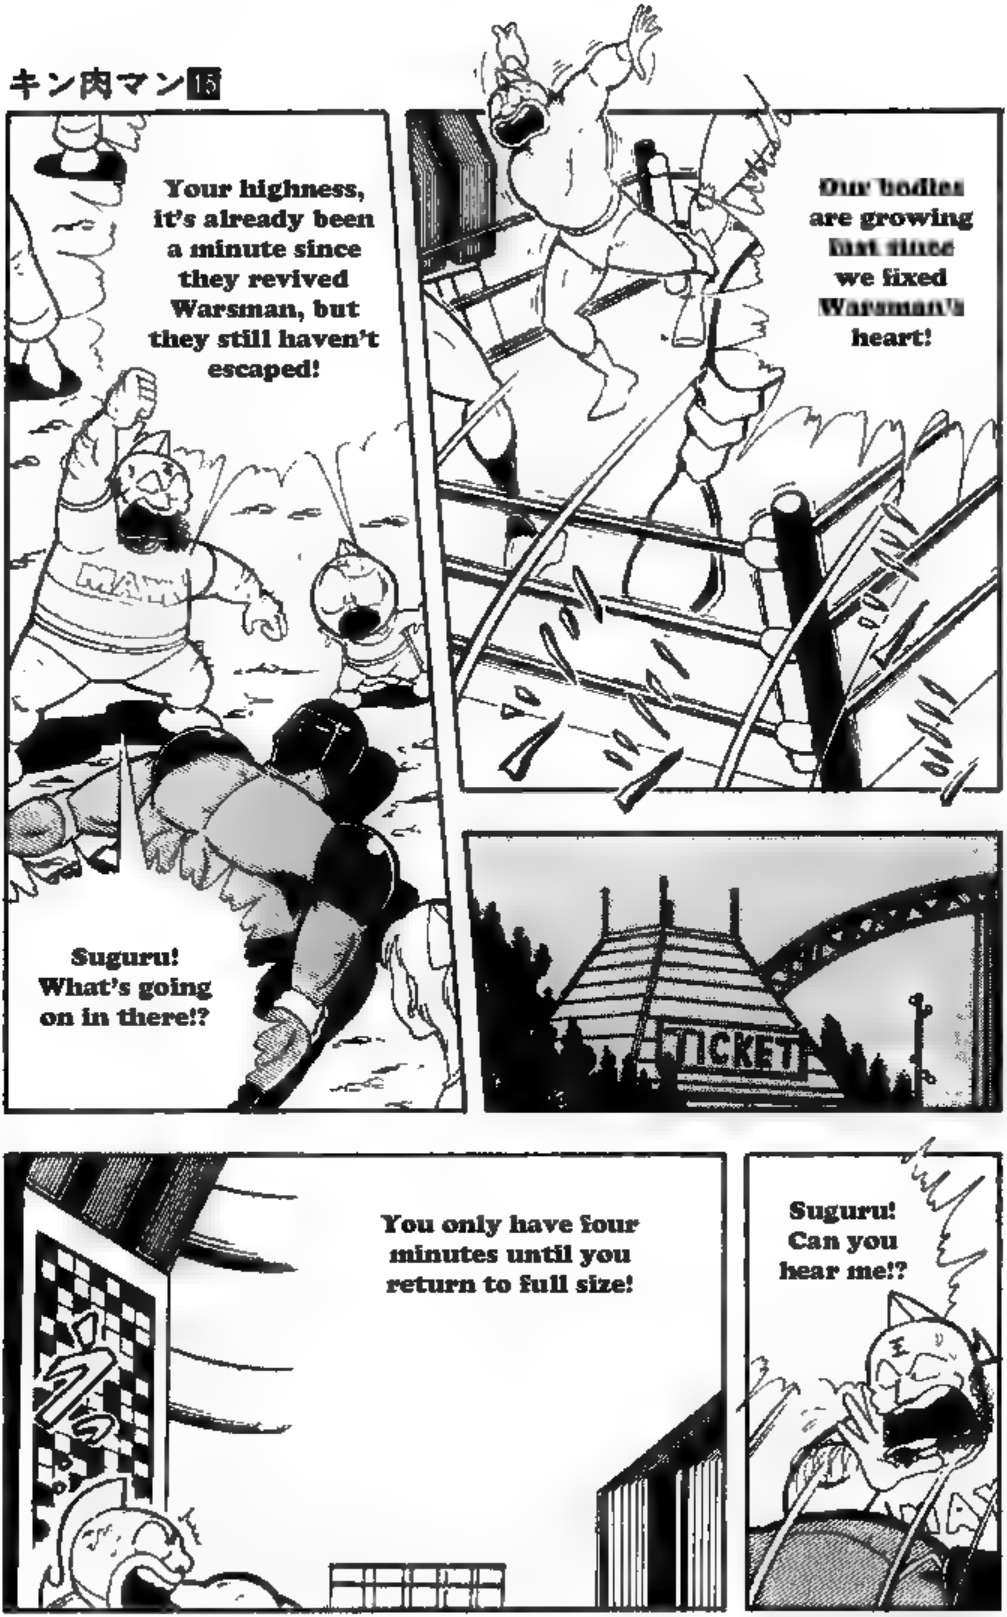
Sneagator's powerful body!
And now, my true form!
I am the final assassin of the Devil Chojin, AKUMA SHOGUN!

Golden Mask Arc 29

The Power of Akuma Shogun!

A Team Kiniku Release

That's why they've all combined into one perfect Devil Chojin!
KAKAKA! Do you see, Justice Chojin!? The other 5 Devil Knights couldn't do anything on their own!
えぇ..
With a demonic opponent like that, we stand no chance!
How can imperfect humans compete with that!?
He will!?
Even if you can't win, you must fight me. Otherwise, Warsman will die and you won't get the Gold Mask back.
Even if the pieces were seperate, we wouldn't be able to beat them again!



Your highness, it's already been a minute since they revived Warsman, but they still haven't escaped!
Suguru! What's going on in there!?
Our bodies are growing fast since we fixed Warsman's heart!
TICKET
You only have four minutes until you return to full size!
Suguru! Can you hear me!?

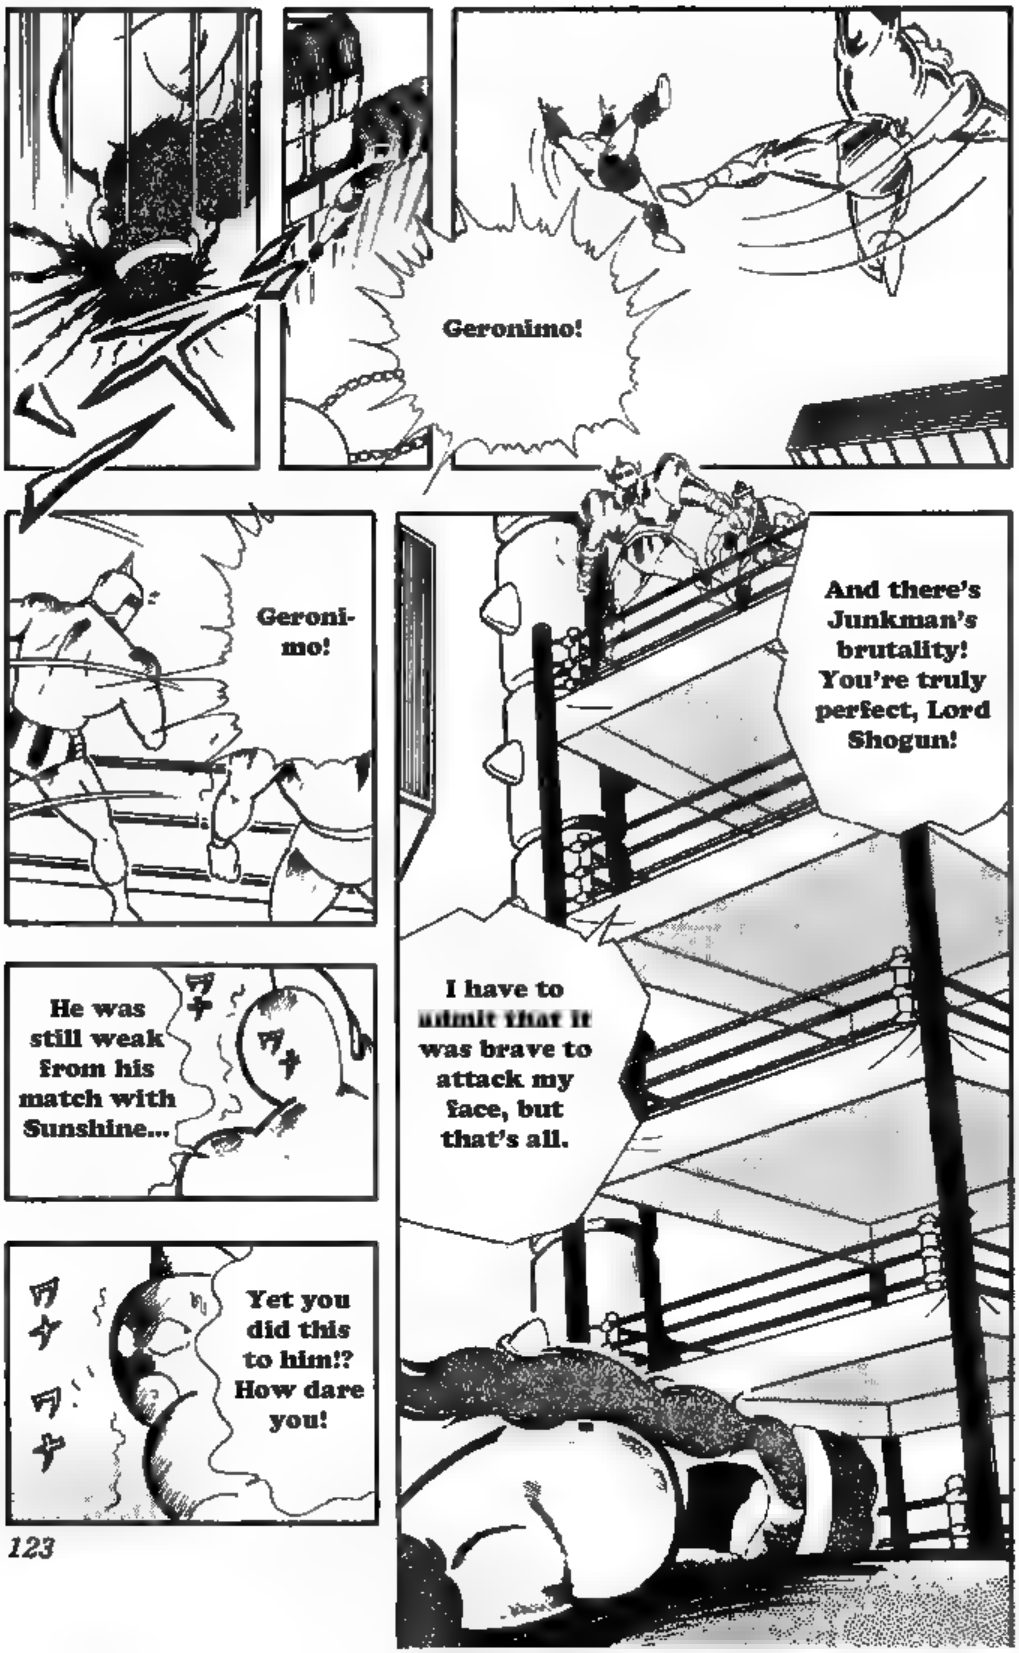
KAKAKA KAKAKA!
It's sad that you went through so much trouble to revive Warsman, but you'll be the ones to destroy his body.
You... don't mock...
Geroni-mo!
Lord Shogun!
...The Justice Chojin!

Uh!?
He vanished!
Ura-rara!
I won't be taking any more of those chops.
Dorya!
Oh no! A Double-arm Suplex!
No, you're wrong!

Spin Double Arm!
We have to save Geronimo, fast!
We can't. He's created a massive Tornado by spinning. If we get too close, we'll be blow away!
Using the Double Arm hold while spinning like that is normally impossible. He must be using Sunshine's strength.
That's Sunshine's Power!

Gero-nimo's body is...
Look!
Amazing, it's just like magic!
He's been flipped upside-down!
That's The Ninja's technique!
And also...
Of course!

Take this!
Geroni-mo!
Planetman's space-like wrestling moves!
Hell's Guillotine!

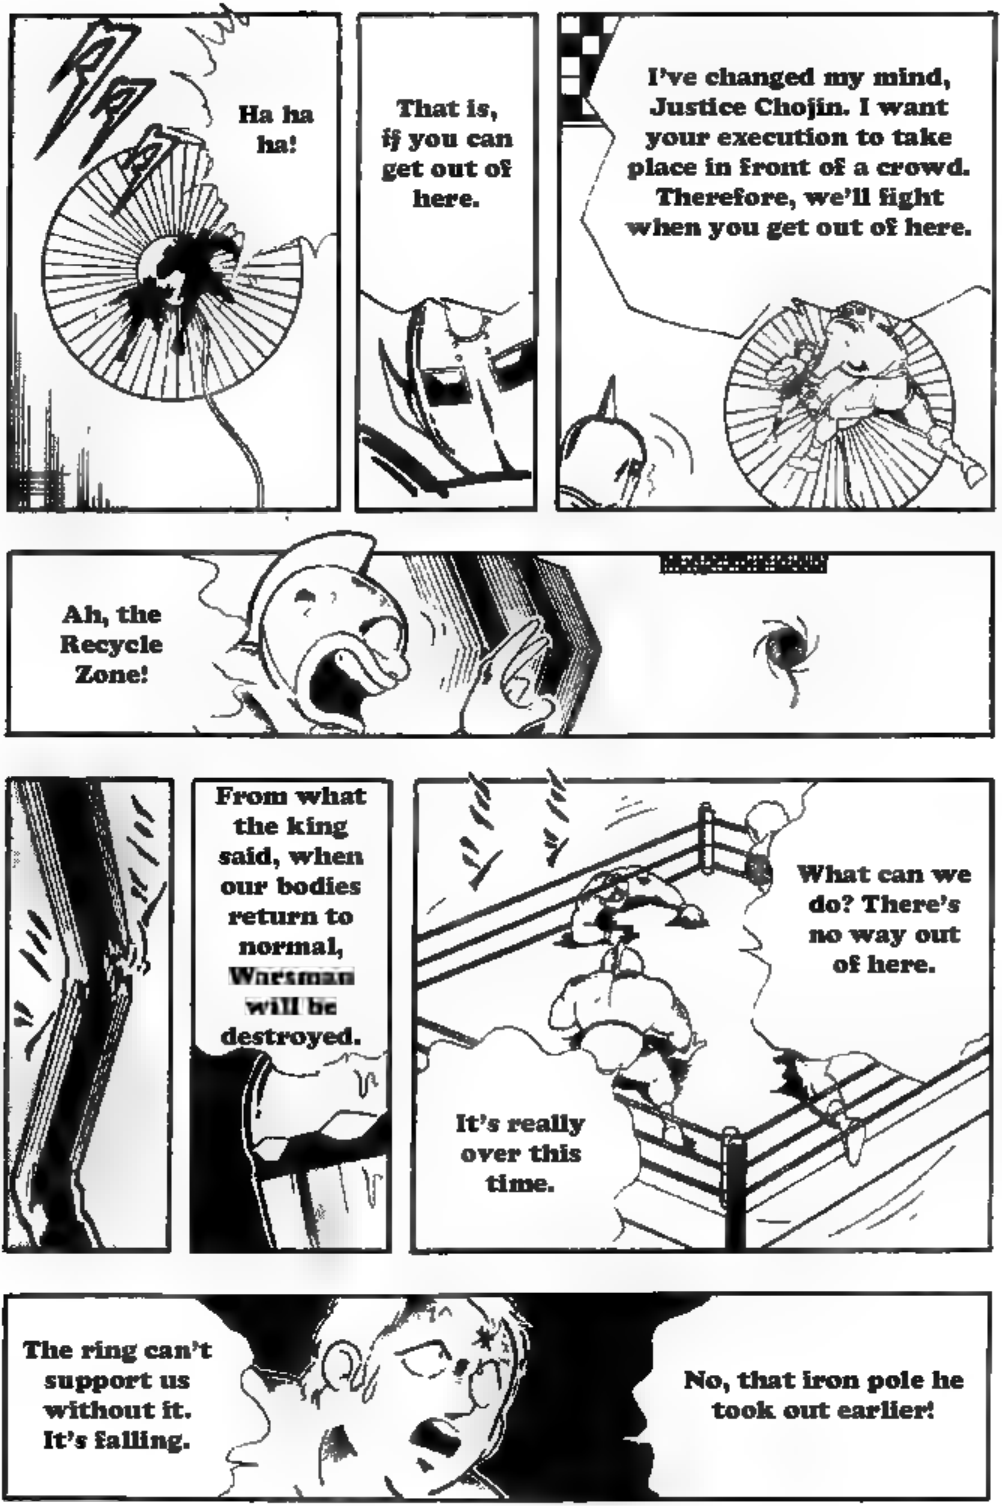


Geronimo!
Geroni-mo!
And there's Junkman's brutality! You're truly perfect, Lord Shogun!
I have to admit that it was brave to attack my face, but that's all.
He was still weak from his match with Sunshine...
ワナ
ワナ
ワナ
ワナ
Yet you did this to him!? How dare you!

Kinni-kuman!
Akuma
Shogun, I'll be your next opponent!
Heh heh heh... I was going to save you for last, but this might be fun.
Hold on, Kinniku-man!
Calm down and look behind him.
Your head isn't clear right now. It would be impossible for you to win!
Let go of me!

For now, the four of us will gang up on Ashuraman and Akuma Shogun, then leap into the Recycle Zone when the chance comes.
Zo...
It's the Recycle...
Oh, Okay.
Charge!
He didn't budge!
What are you doing?
UWAAA!

Guh!
Is this the full power of the Justice Chojin?
Lord Shogun, I'm sorry to interrupt, but we don't have time.
Why, Ashura-man?
I'll kill you all!
Our bodies are growing, too! If we don't leave now, we'll be in danger, too!
He pulled out one of the iron poles!

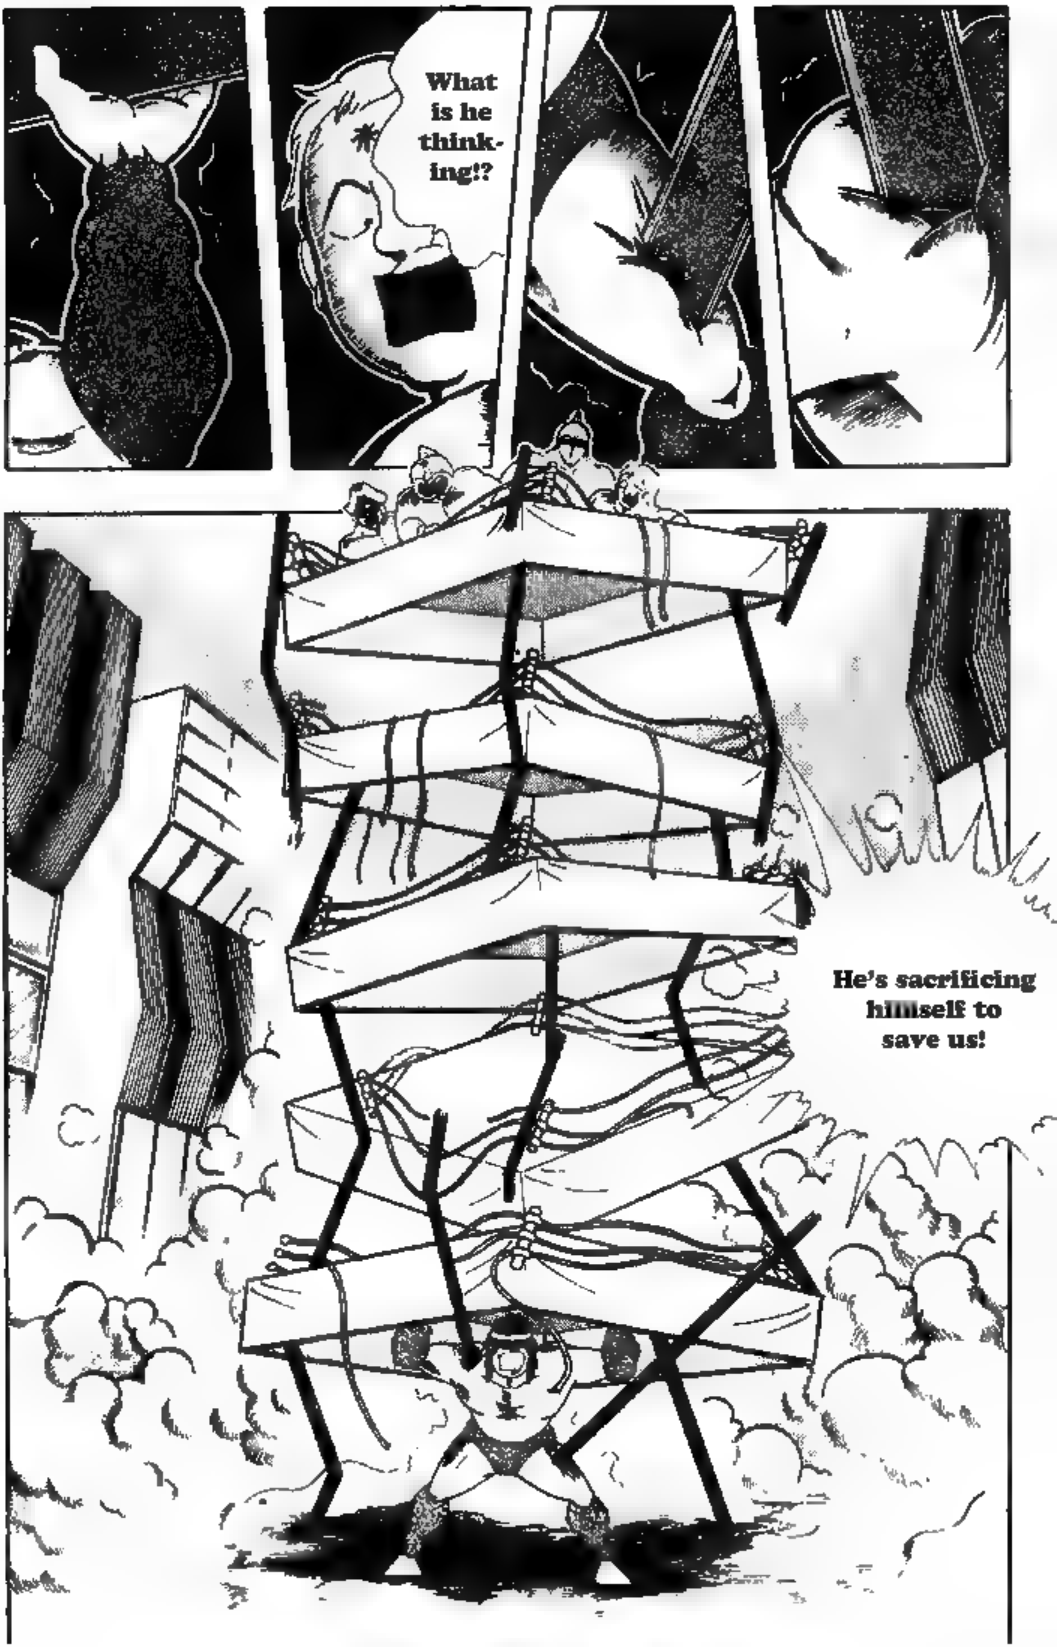


Ha ha ha!
That is, if you can get out of here.
I've changed my mind, Justice Chojin. I want your execution to take place in front of a crowd. Therefore, we'll fight when you get out of here.
Ah, the Recycle Zone!
From what the king said, when our bodies return to normal, Warsman will be destroyed.
What can we do? There's no way out of here.
It's really over this time.
The ring can't support us without it. It's falling.
No, that iron pole he took out earlier!

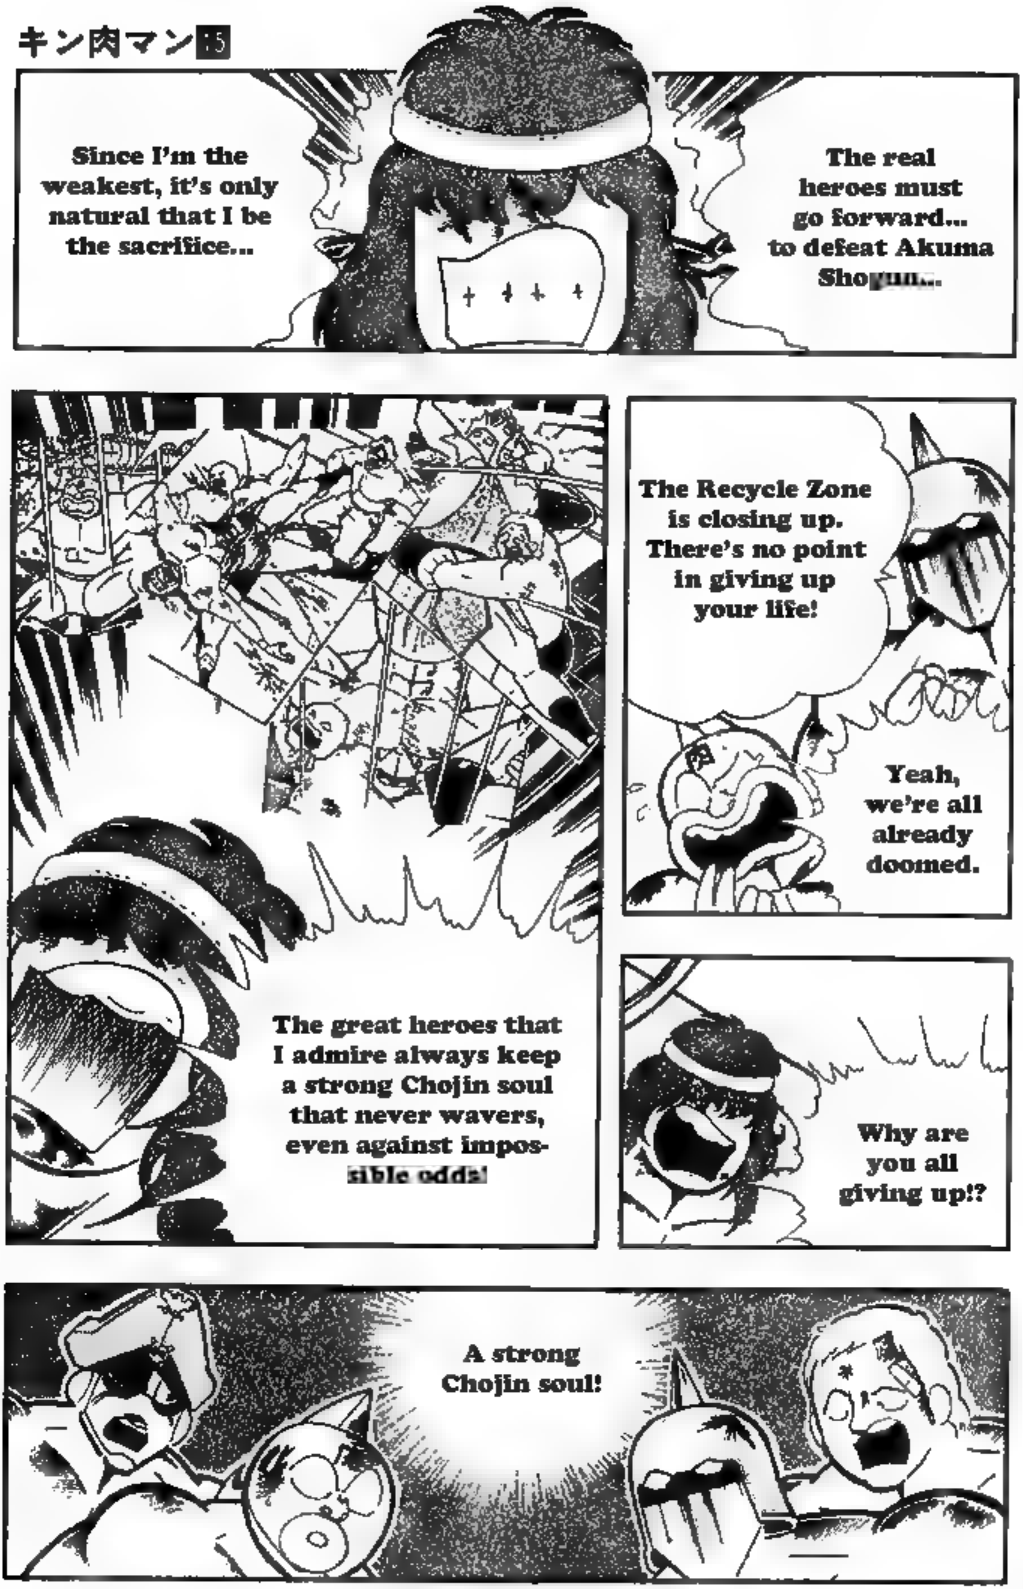
Uwa!
We're falling!
UWA!
Aah!
Huh? What's going on?
The ring has stopped crumbling!

Geronimo's holding up the ring!
.....!!

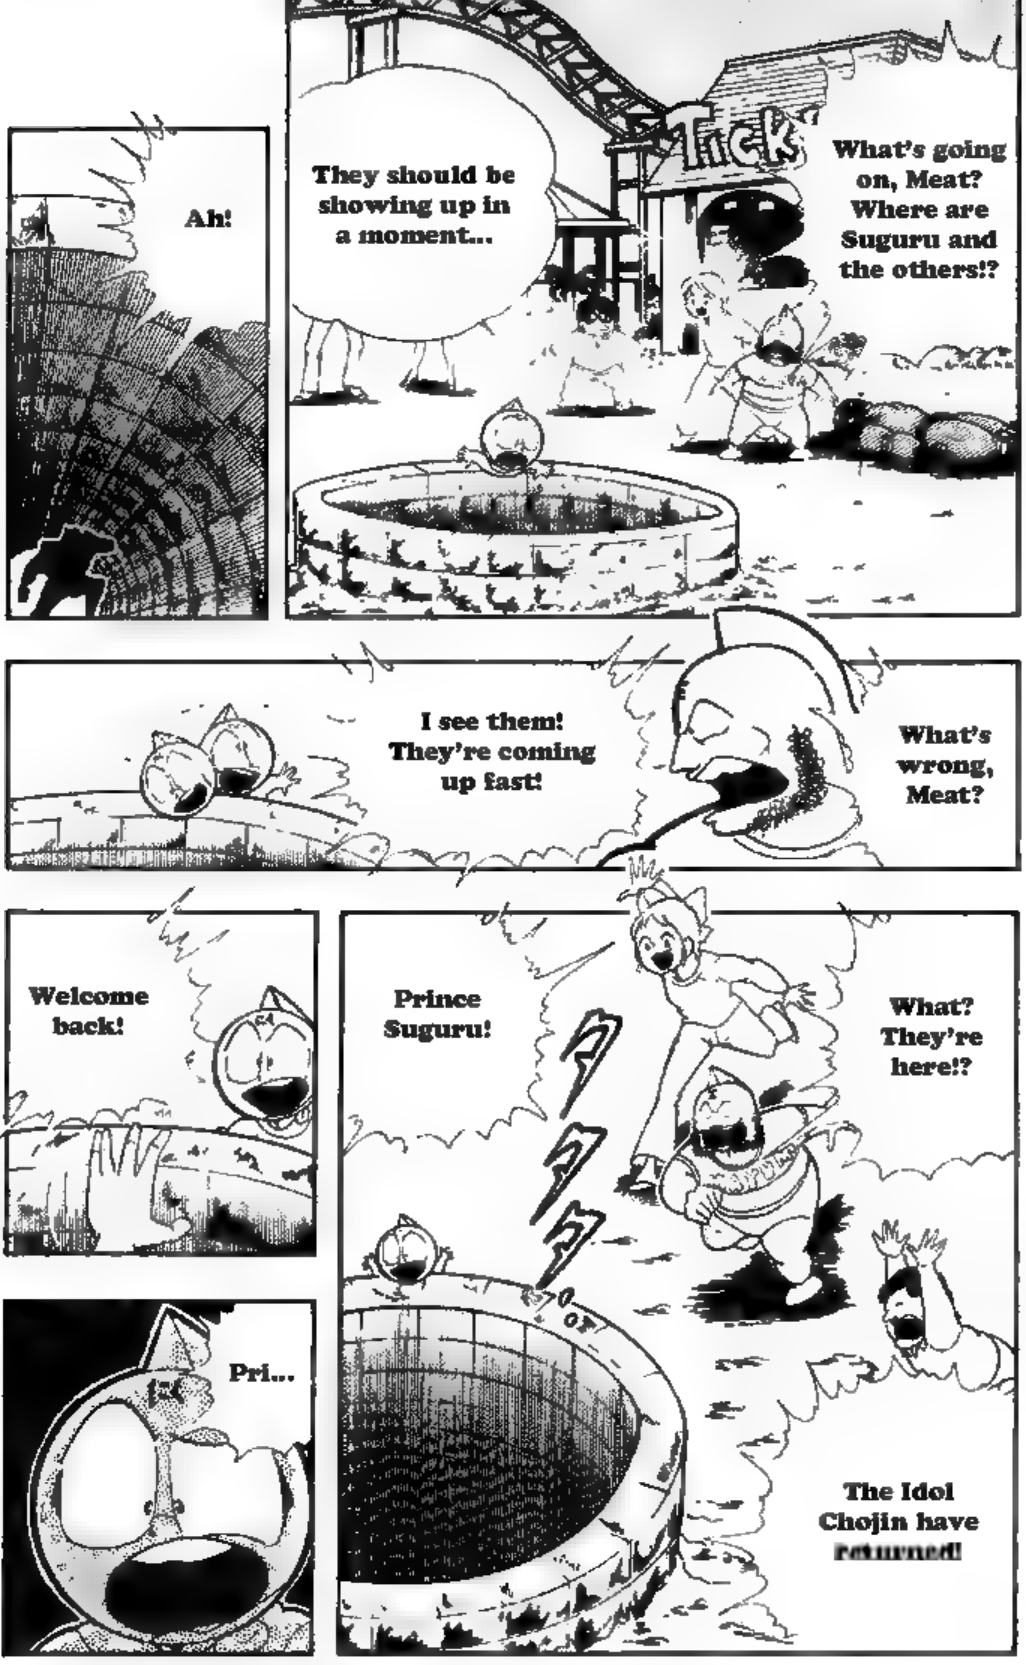
Geronimo is supporting...
...the entire five-teir ring by himself!
Golden Mask Arc 30
The Hero's Secret!
A Team Kinnikn Release



What is he thinking!?
He's sacrificing himself to save us!



Since I'm the weakest, it's only natural that I be the sacrifice...
The real heroes must go forward... to defeat Akuma Shogun...
The great heroes that I admire always keep a strong Chojin soul that never wavers, even against impossible odds!
The Recycle Zone is closing up. There's no point in giving up your life!
Yeah, we're all already doomed.
Why are you all giving up!?
A strong Chojin soul!



Ah!
They should be showing up in a moment...
Trick
What's going on, Meat? Where are Suguru and the others!?
I see them! They're coming up fast!
What's wrong, Meat?
Welcome back!
Pri...
Prince Suguru!
What? They're here!?
The Idol Chojin have returned!

Devil Chojin!
I'm sorry, but we're not the Justice Chojin.
That means there's no way Kinnikuman and the others can get out of Warsman's body!
The Recycle Zone has been closed by I, Akuma Shogun.
There's still two minutes! That's more than enough time for them to find a way out!
They'll grow back to their normal size and all die together! Kakakakaka!

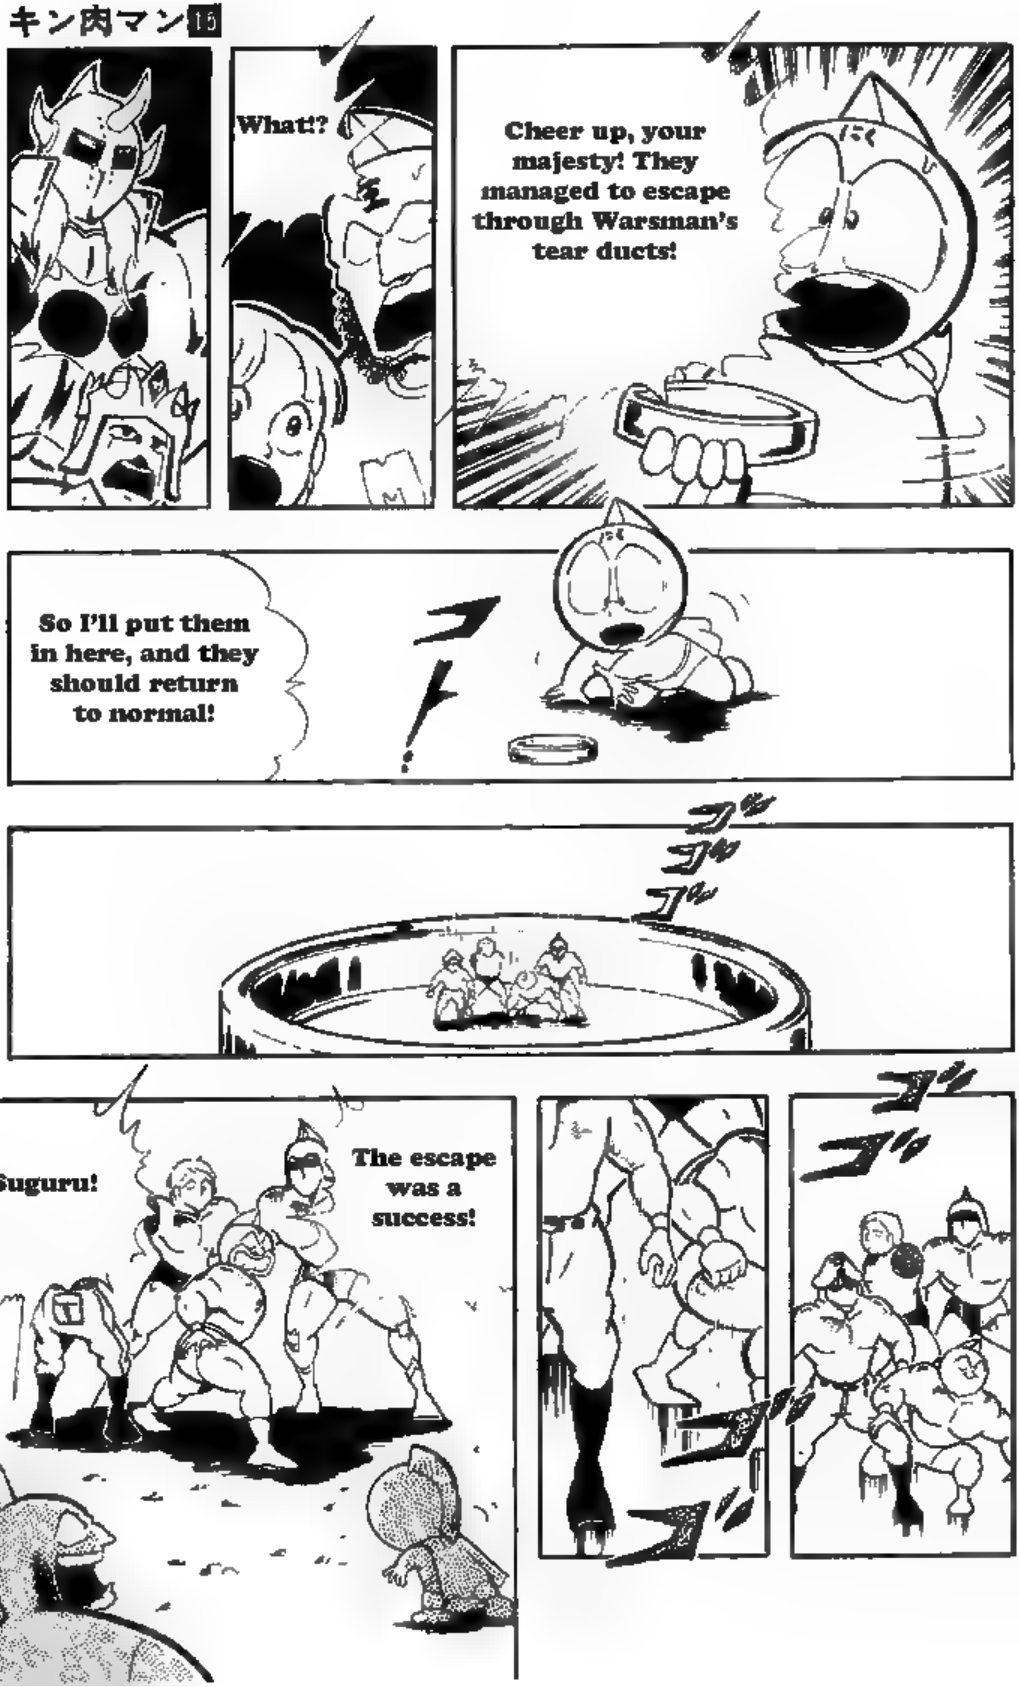
Suguru, you have two minutes left to escape, can you make it!?
But the Recycle Zone is gone...
Hurry everyone! Escape while you can! There's not much time left!
Look, there's a light coming from outside!
Even without the Recycle Zone!
There's a way to escape!
Of course! I've got it!

Hurry and escape before my strength gives out!
Our bodies are growing faster!
Suguru! One minute remains!
What, just one minute!?
What about Geronimo!?
Let's go, everyone!
Right.
I can't do it! I can't abandon a friend who's gone through all of this with us! I'll save him alone if I have to!
Geronimo's already on his last legs.

Geronimo, we'll never forget you and all of the brave risks you took...
Do you think it's easy for us!?
Guys...
DEVILS, WE'LL MAKE YOU PAY FOR THIS!

Owa!
If we just ride the water's flow, we can get out!
What!? That water...
That's great...

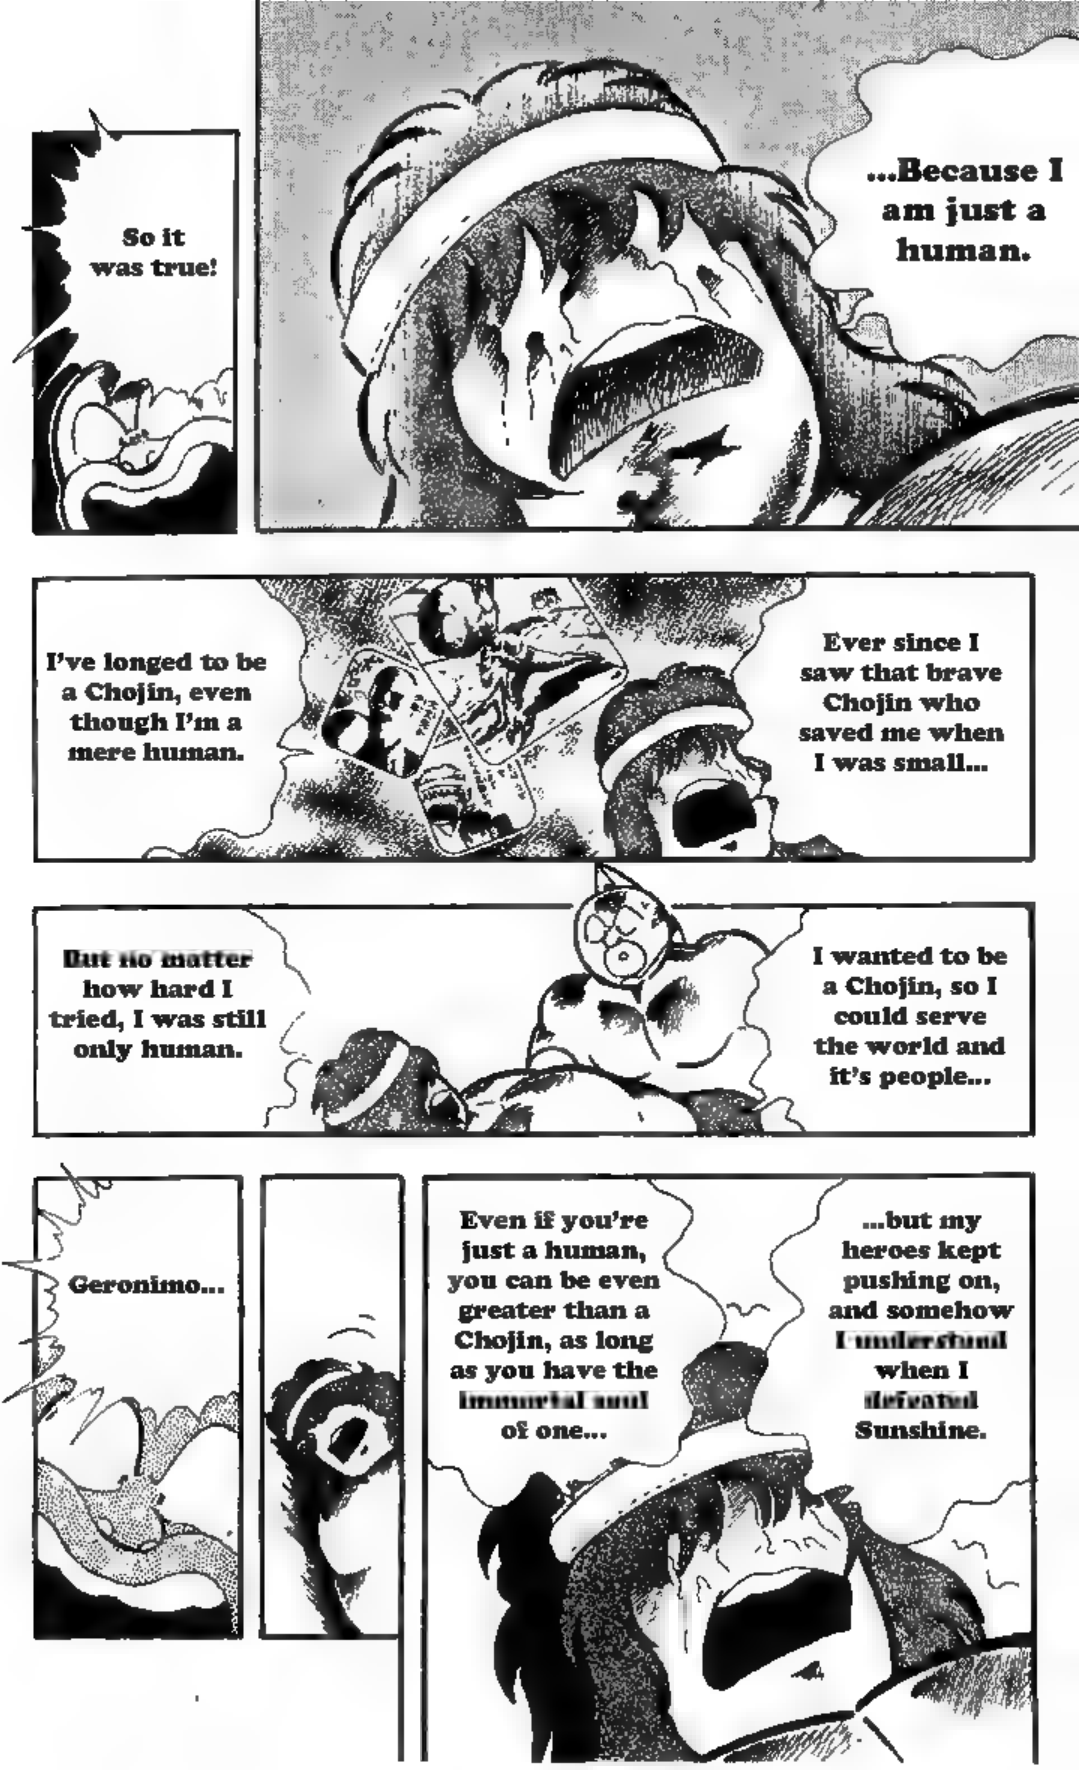
Prince!
Is it too late!?
20 more seconds!
I can't believe this!
I'll just use this dropper and...
There they are!
Those tears...
!



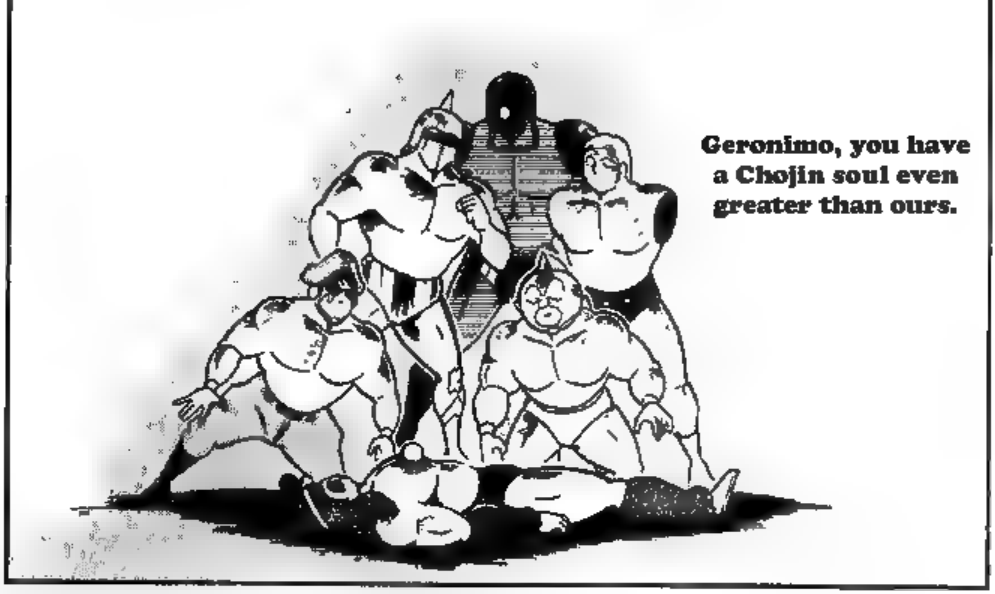
What!?
Cheer up, your majesty! They managed to escape through Warsman's tear ducts!
So I'll put them in here, and they should return to normal!
ゴゴゴ
Suguru!
The escape was a success!
ゴゴ
ゴゴ

The Idol
Chojin have returned!
...but he used up all of his power, and he's in critical condition!
Of course, Geronimo must have been washed out, too!
Geronimo got out, too!?
Chojin can transfuse each other with power, just like giving blood!
Isn't there anything we can do?
I'll give him some of mine, too!
Oh, Warsman!
Alright, let's all give him some of our Chojin Power!
If we all give him a part of our Chojin Power, he may recover!

100,000 power each!
Alright, everyone!
I'm sorry, but I'm not able to take your Chojin Power...
He's not taking it!
A small gift from all of us! Take it, Geronimo!

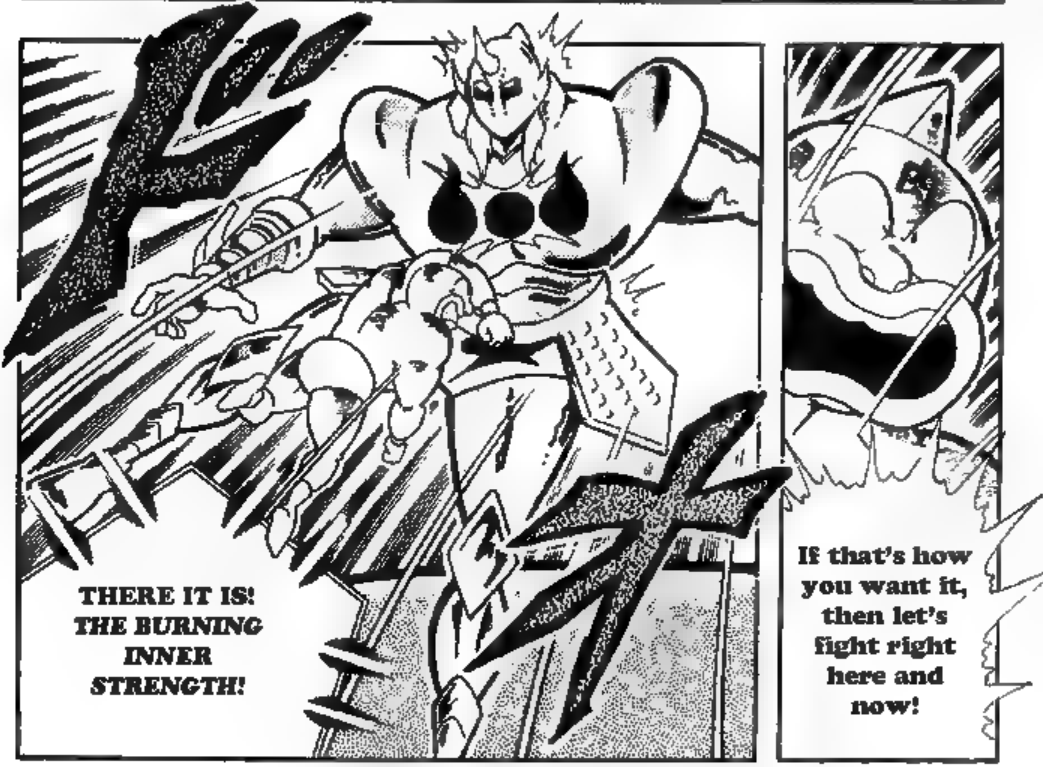


So it was true!
...Because I am just a human.
I've longed to be a Chojin, even though I'm a mere human.
Ever since I saw that brave Chojin who saved me when I was small...
But no matter how hard I tried, I was still only human.
I wanted to be a Chojin, so I could serve the world and it's people...
Geronimo...
Even if you're just a human, you can be even greater than a Chojin, as long as you have the immortal soul of one...
...but my heroes kept pushing on, and somehow I understand when I defeated Sunshine.



Geronimo, you have a Chojin soul even greater than ours.

You... How dare you!?
Hmph. That's what happens when a human tries to do a Chojin's job.

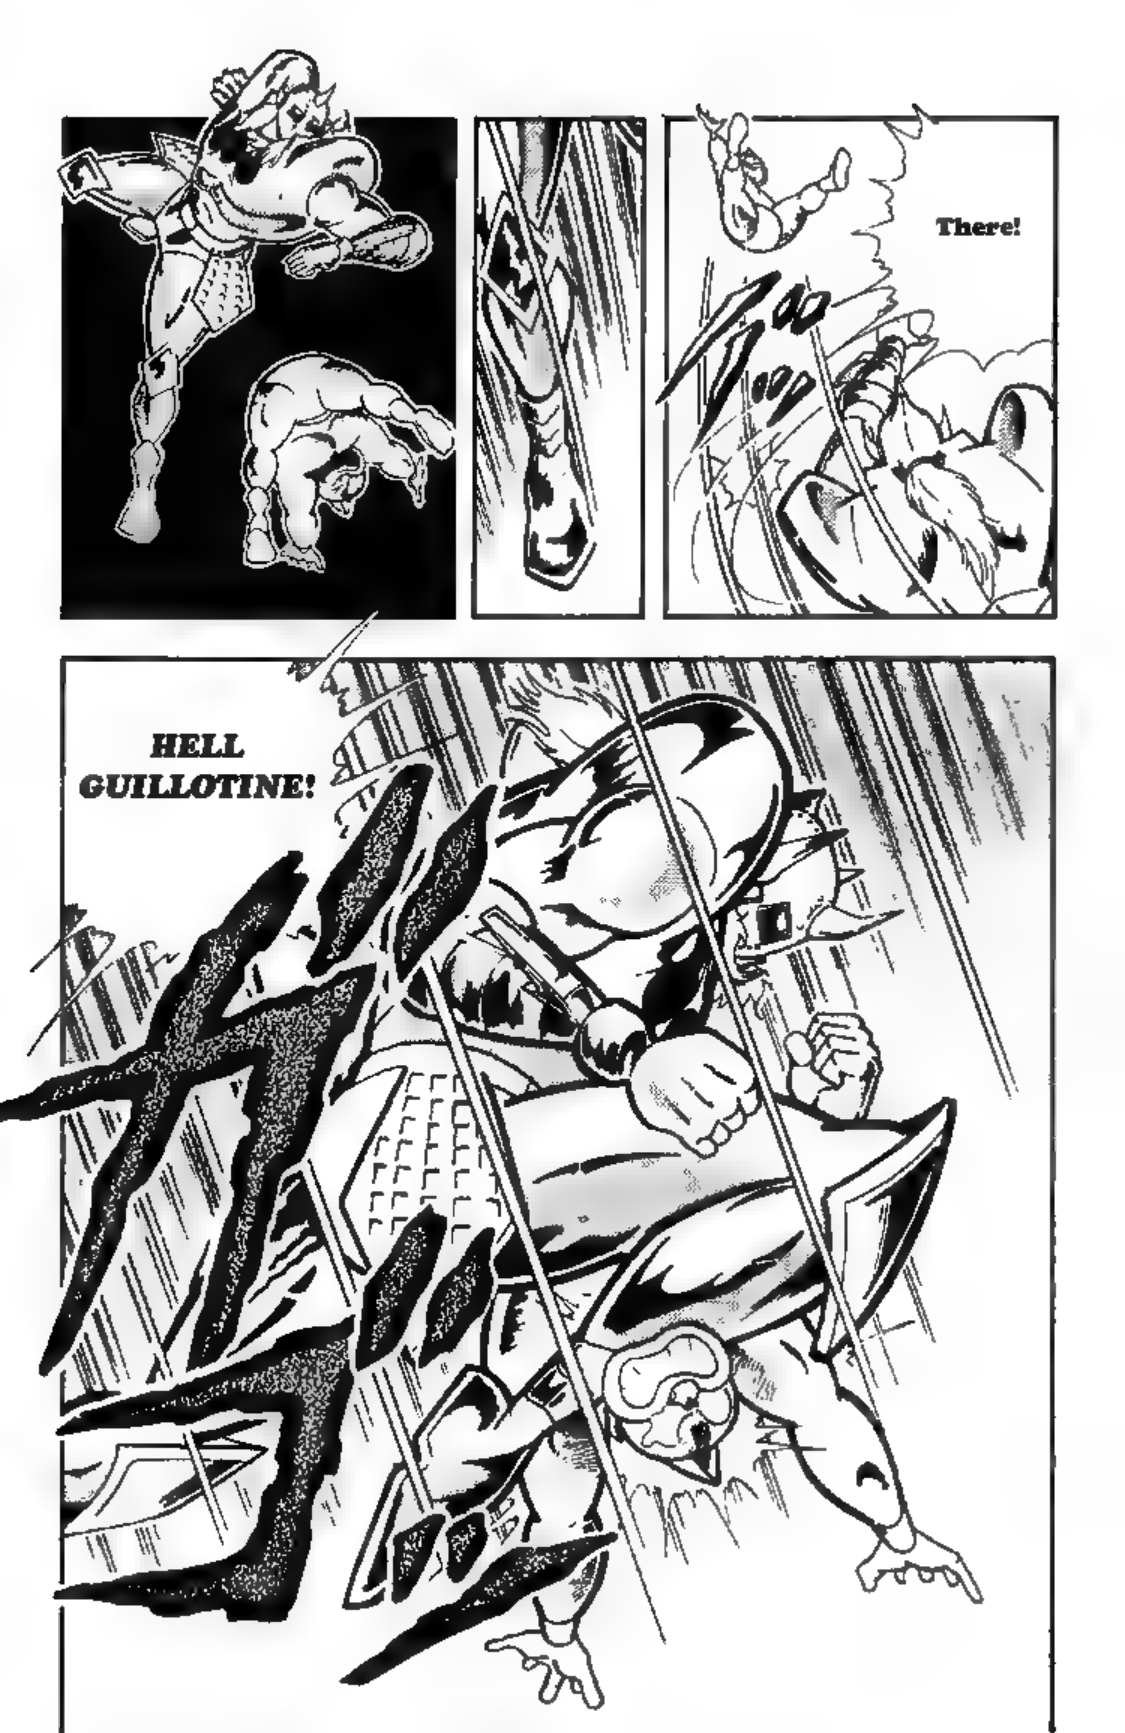


THERE IT IS! THE BURNING INNER STRENGTH!
If that's how you want it, then let's fight right here and now!

Golden Mask Arc 31

The Door to Hell!

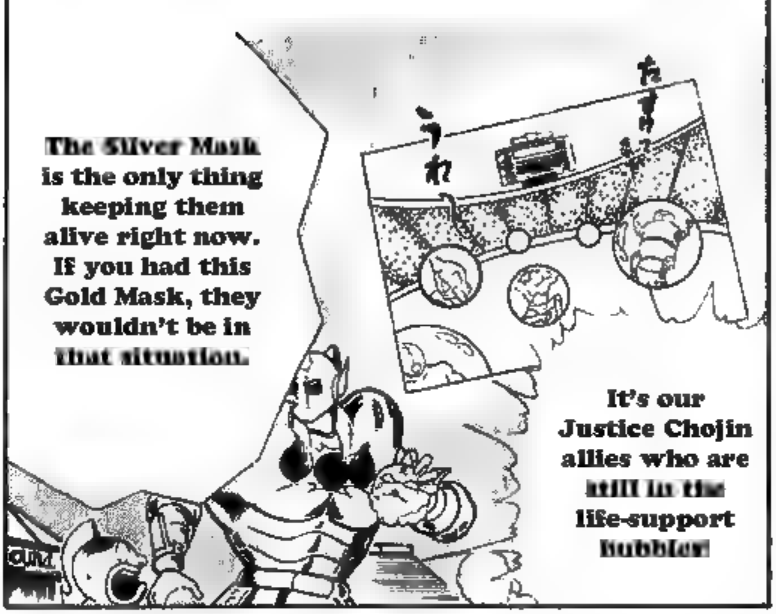
I can't push him back...
Orya!
It's the Burning Inner Strength!
So this is the Burning Inner Strength...
That's as far as you'll be going, Kinnikuman!
But...
That stance!



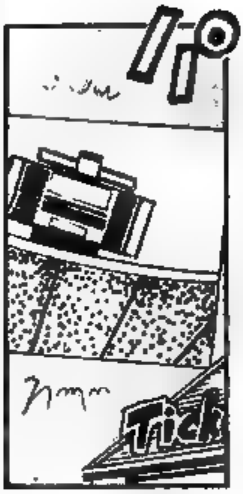
There!
HELL GUILLOTINE!

Prince!
Kinnikuman!
GUHUH!
Lord Shogun!
Just as I thought, I can't absorb the Burning Inner Strength..
Although the Burning Inner Strength has taken down many strong opponents, it only gets swatted away like the mosquito it is when used against Lord Shogun!

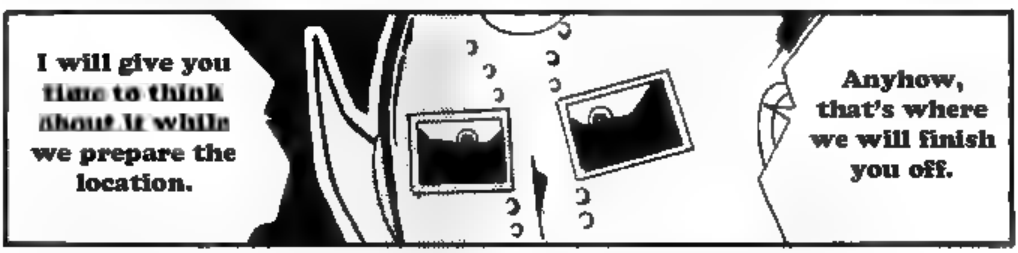
This guy wants to steal my title of "Shogun"...
The Burning Inner Strength has even taken down Lord Shogun's knee. If I defeat it, then that means I'm even greater than him!
Hmph... Now I want to defeat him even more...
Please forgive me!
Huh huh heh... You've suddenly shown a bit of fear, Kinniku-man...
I can't fight both of them!
I shouldn't have used my Burning Inner Strength back there!
Eeh!?
Don't forget, the lives of thousands of Chojin are riding on your decision!
I must insist that you do fight both of us.



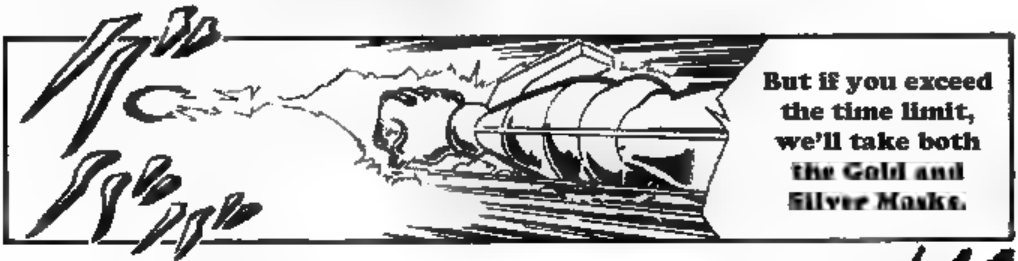
The Silver Mask is the only thing keeping them alive right now. If you had this Gold Mask, they wouldn't be in that situation.
It's our Justice Chojin allies who are still in the life-support bubble!



Tick

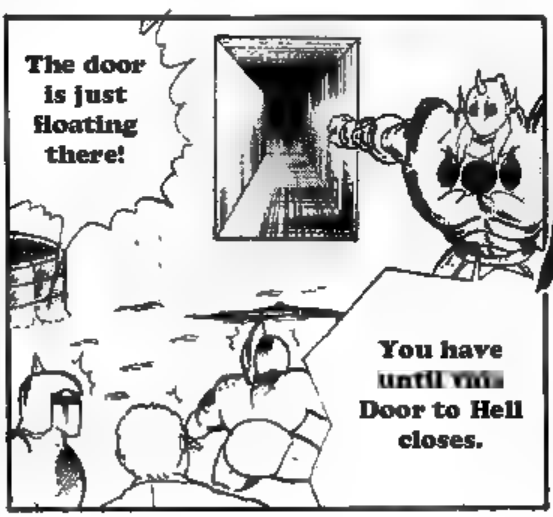


I will give you time to think about it while we prepare the location.
Anyhow, that's where we will finish you off.



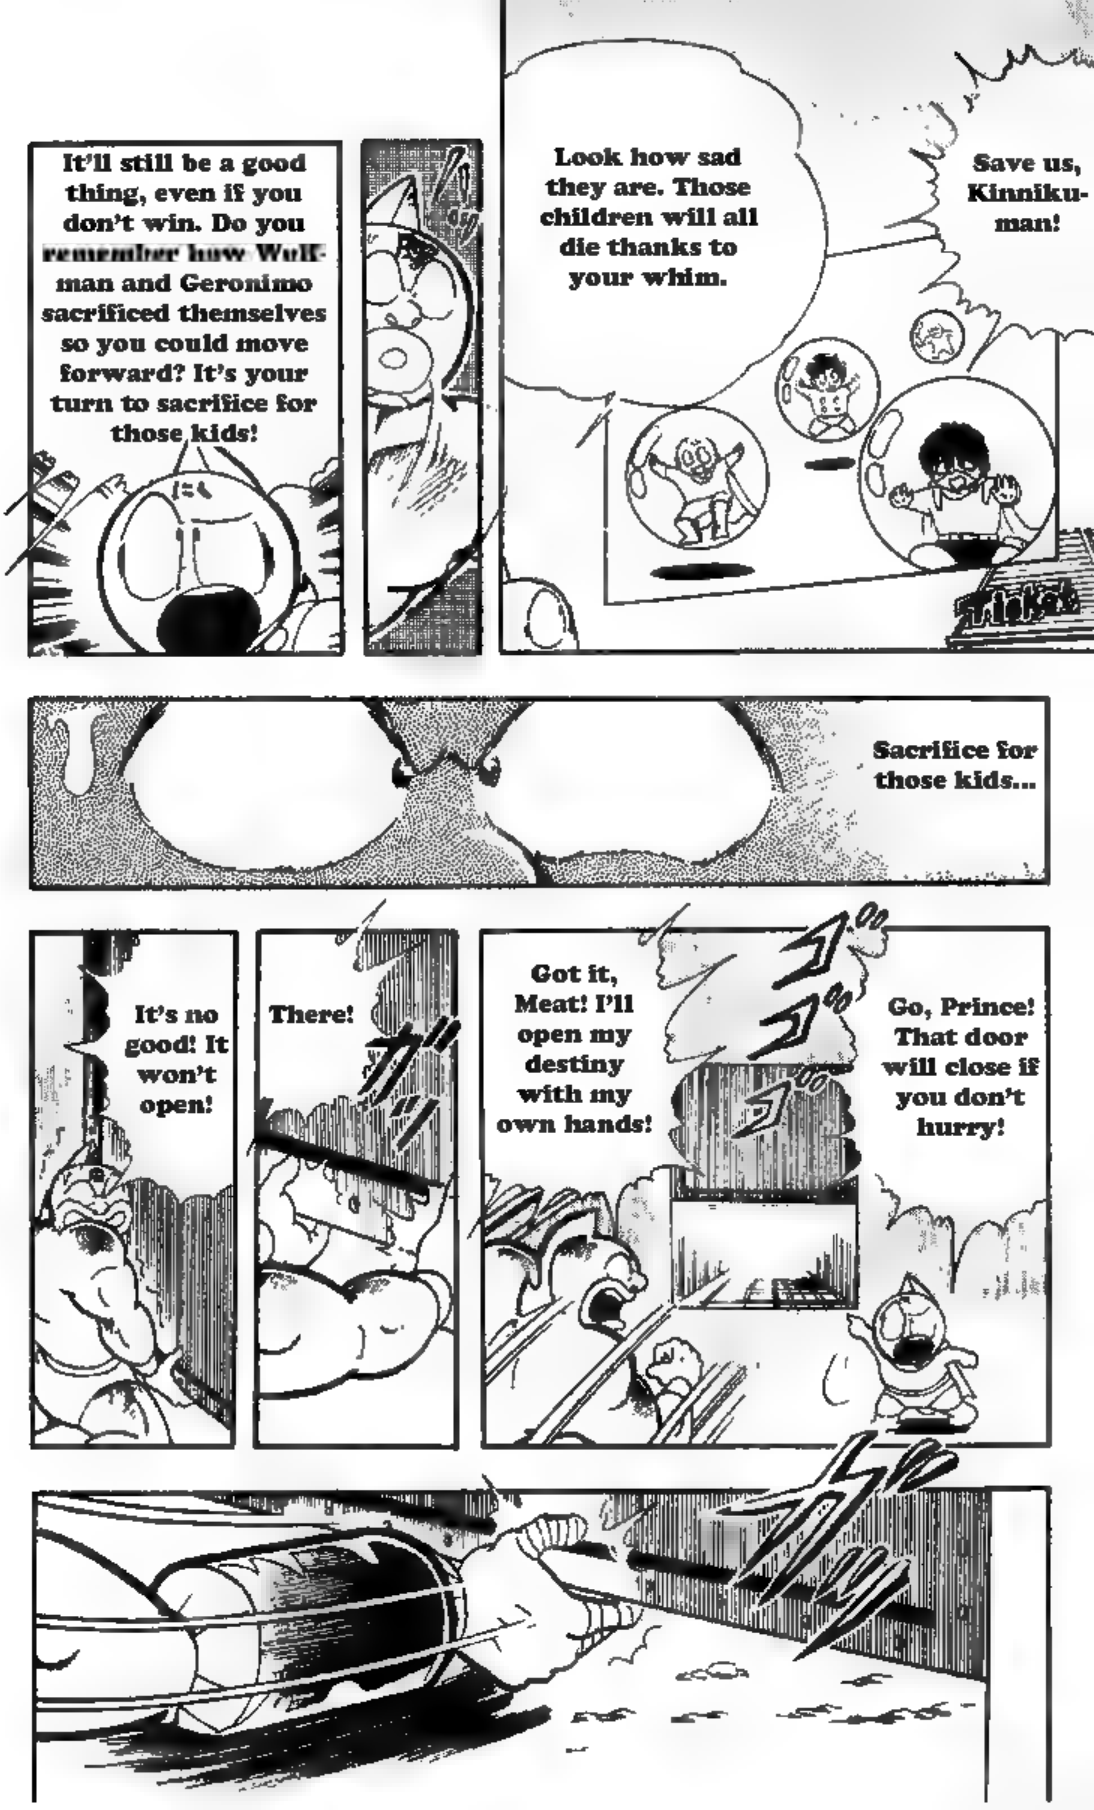
But if you exceed the time limit, we'll take both the Gold and Silver Masks.

We'll be waiting for you in the depths of hell!



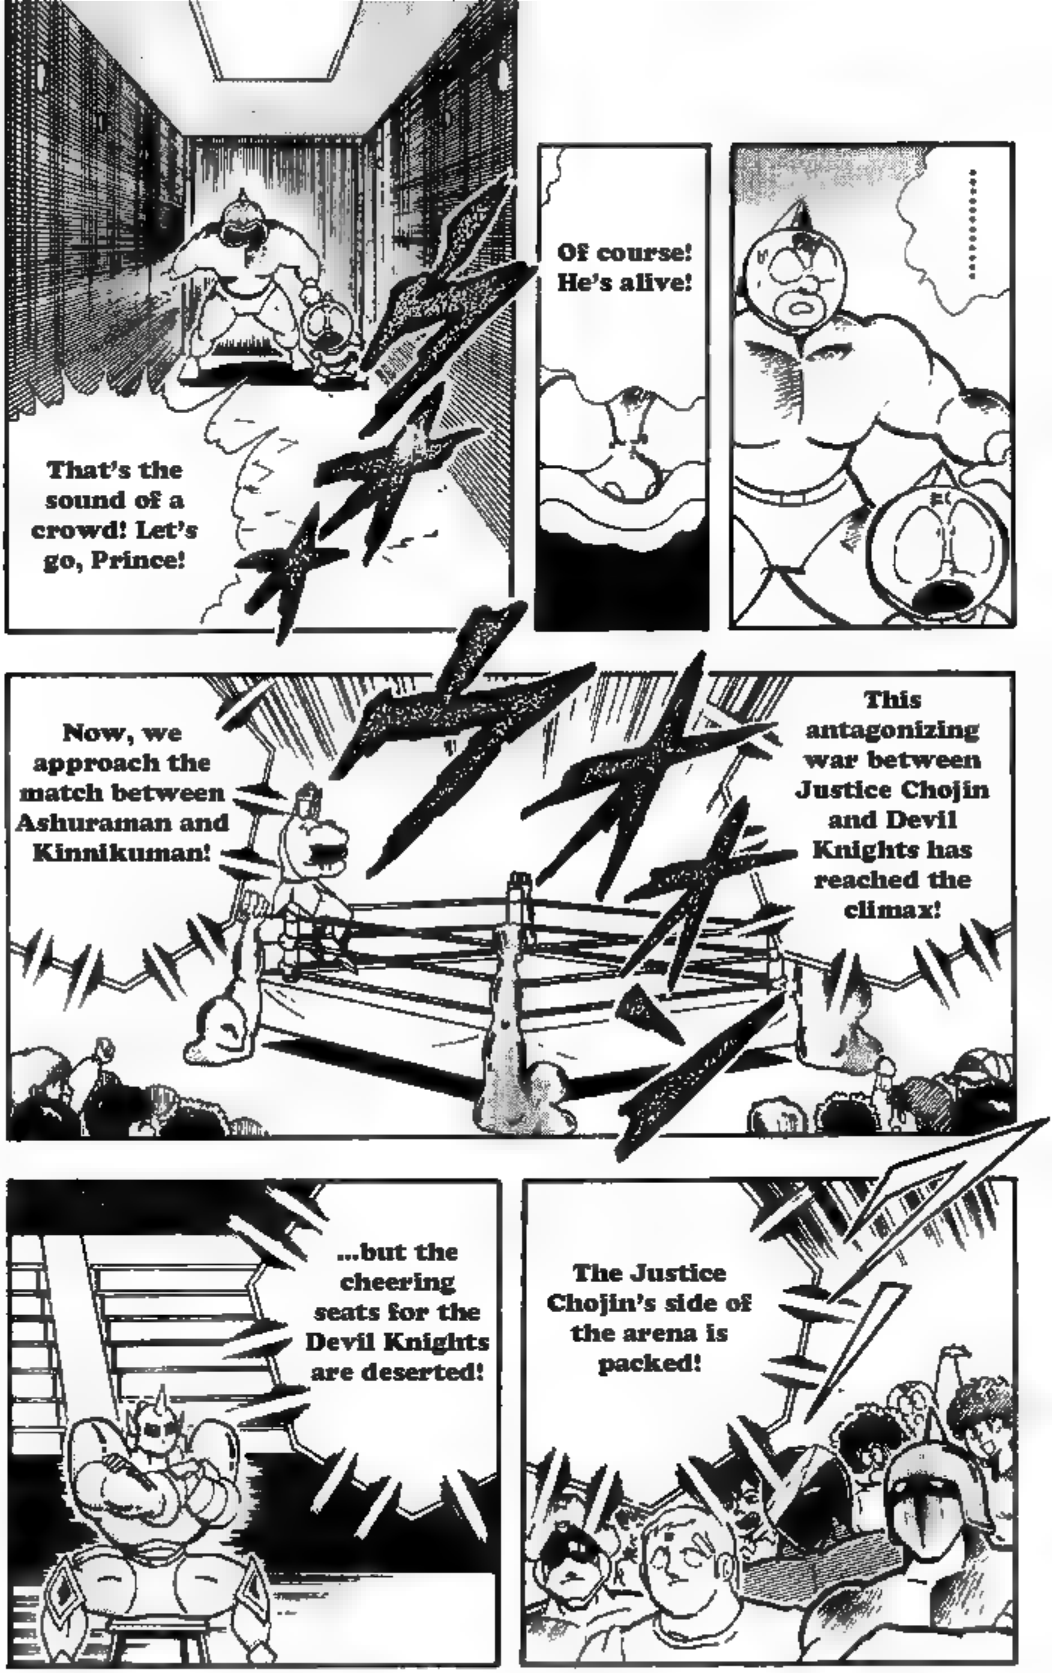
The door is just floating there!
You have until this Door to Hell closes.

I can't fight them!
I feel sorry for them, but can't we just give our Silver Mask away?
So you're going to abandon all of the Chojin at Kourakuen who are waiting for the Gold Mask!?
What's wrong, Kinnikuman?
I don't have the courage to take revenge for Wolfman and Geronimo!
I was wrong about you, Kinnikuman!
Prince, look at that!
If that's the way it is, then we won't ask you for help. We'll take the Gold Mask back ourselves.
Suguru, I'm ashamed to be your father!

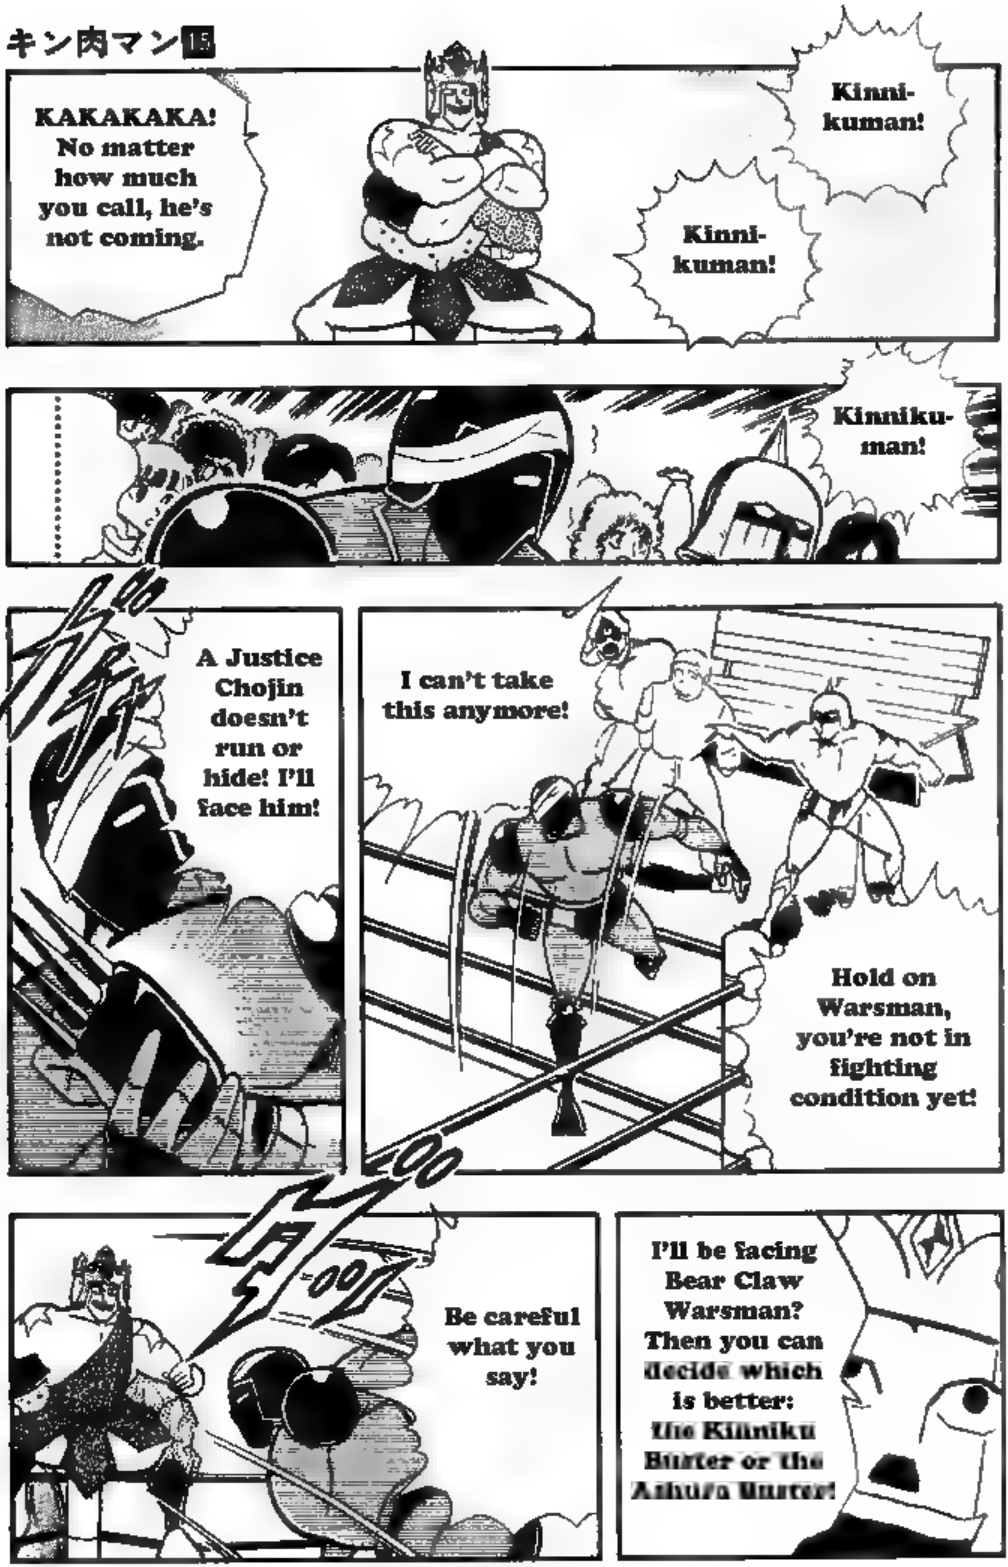


It'll still be a good thing, even if you don't win. Do you remember how Wolfman and Geronimo sacrificed themselves so you could move forward? It's your turn to sacrifice for those kids!
Look how sad they are. Those children will all die thanks to your whim.
Save us, Kinnikuman!
Sacrifice for those kids...
It's no good! It won't open!
There!
Got it, Meat! I'll open my destiny with my own hands!
Go, Prince! That door will close if you don't hurry!

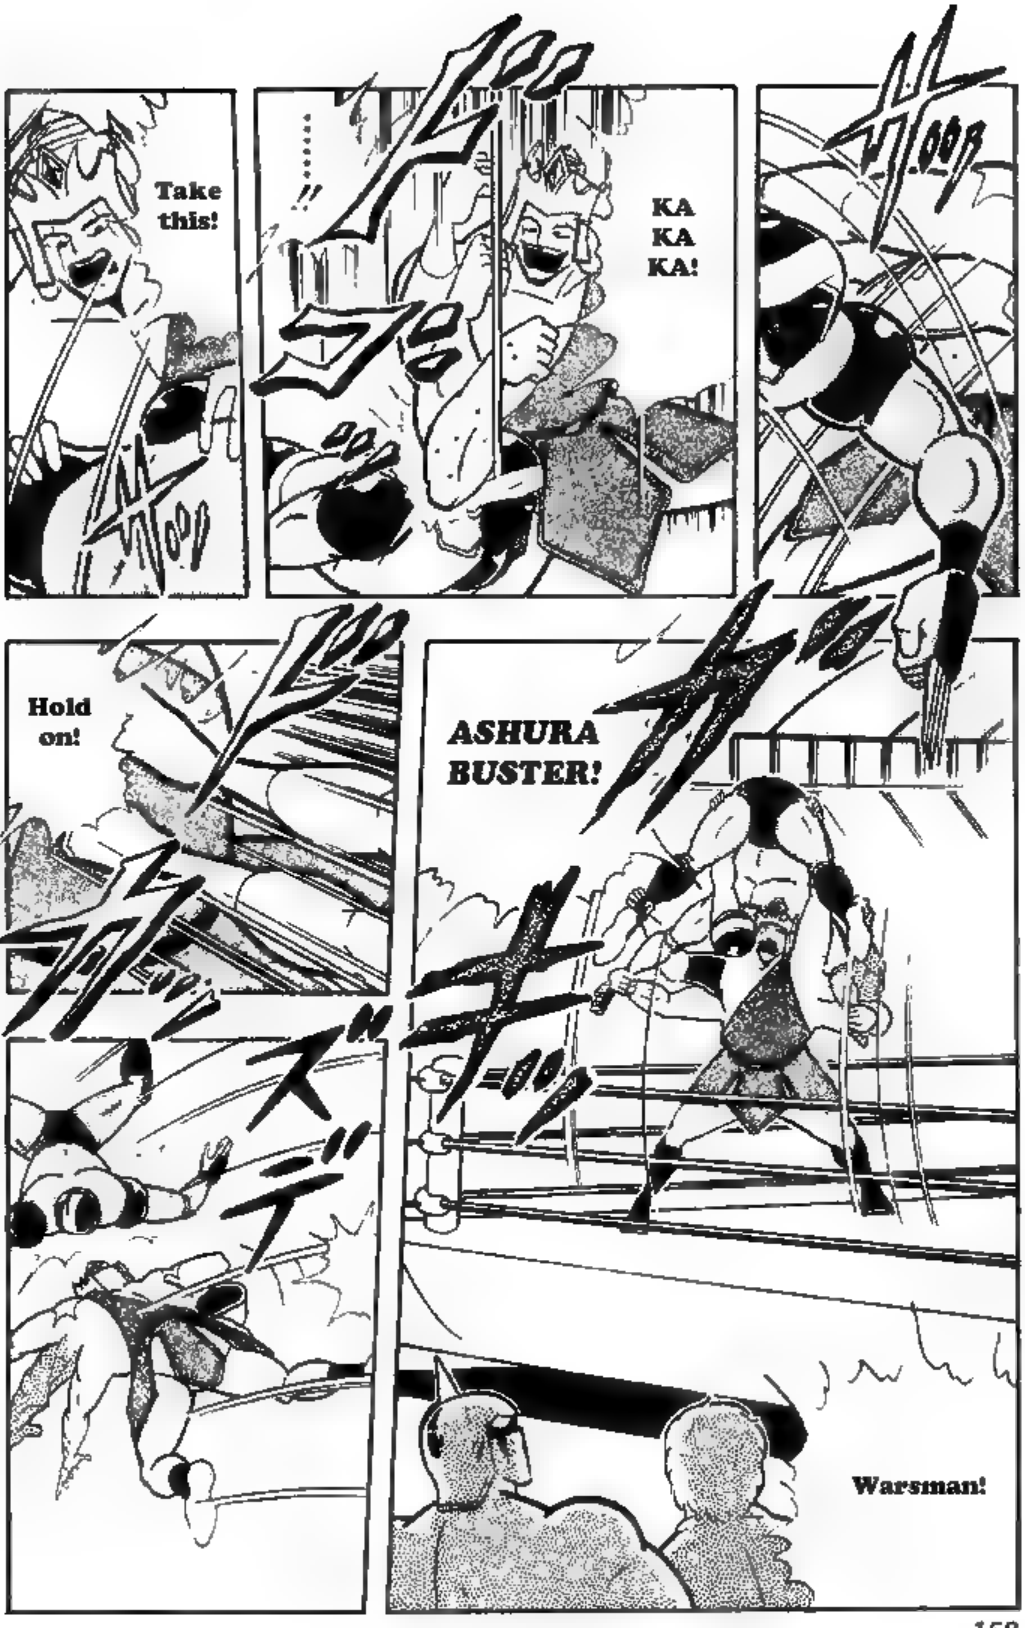
Now, Prince!
This door requires 10 million power to open.
Those hands!
Ah! You're...



That's the sound of a crowd! Let's go, Prince!
Of course! He's alive!
.....
Now, we approach the match between Ashuraman and Kinnikuman!
This antagonizing war between Justice Chojin and Devil Knights has reached the climax!
...but the cheering seats for the Devil Knights are deserted!
The Justice Chojin's side of the arena is packed!

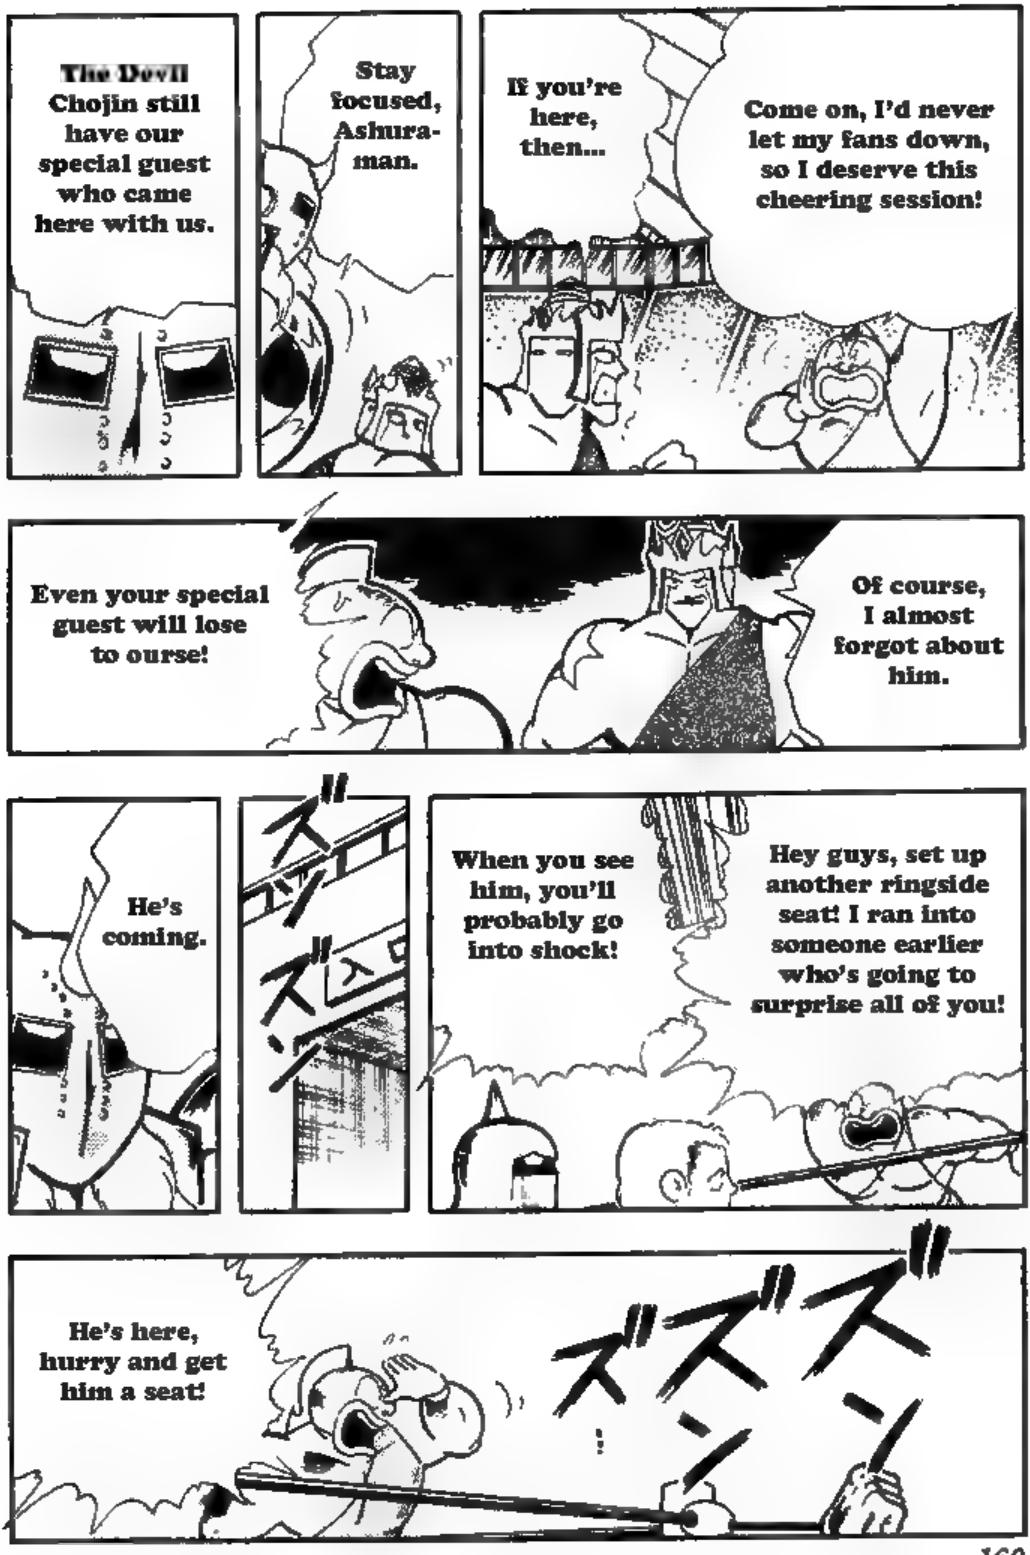


KAKAKAKA! No matter how much you call, he's not coming.
Kinni-kuman!
Kinni-kuman!
Kinniku-man!
A Justice Chojin doesn't run or hide! I'll face him!
I can't take this anymore!
Hold on Warsman, you're not in fighting condition yet!
Be careful what you say!
I'll be facing Bear Claw Warsman? Then you can decide which is better: the Kinniku Buster or the Ashura Buster!

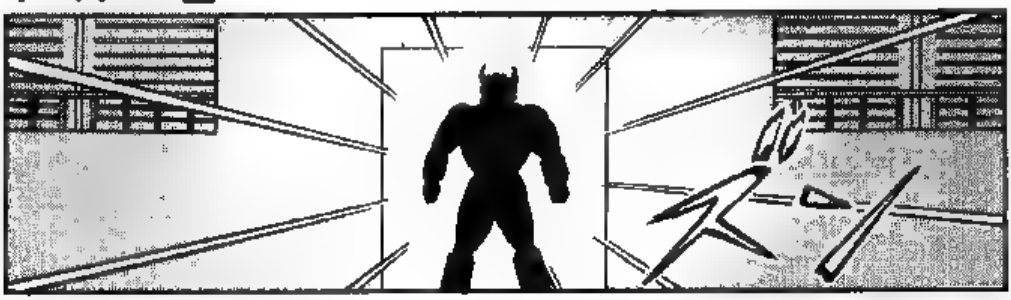


Take this!
KA KA KA!
Hold on!
ASHURA BUSTER!
Warsman!

Who did that!?
Kinniku-man!
Ashuraman, your opponent is me!
Hmph! He came afterall...
It's Kinnikuman! Kinnikuman has gallantly entered the ring!
KINNIKU-MAN!

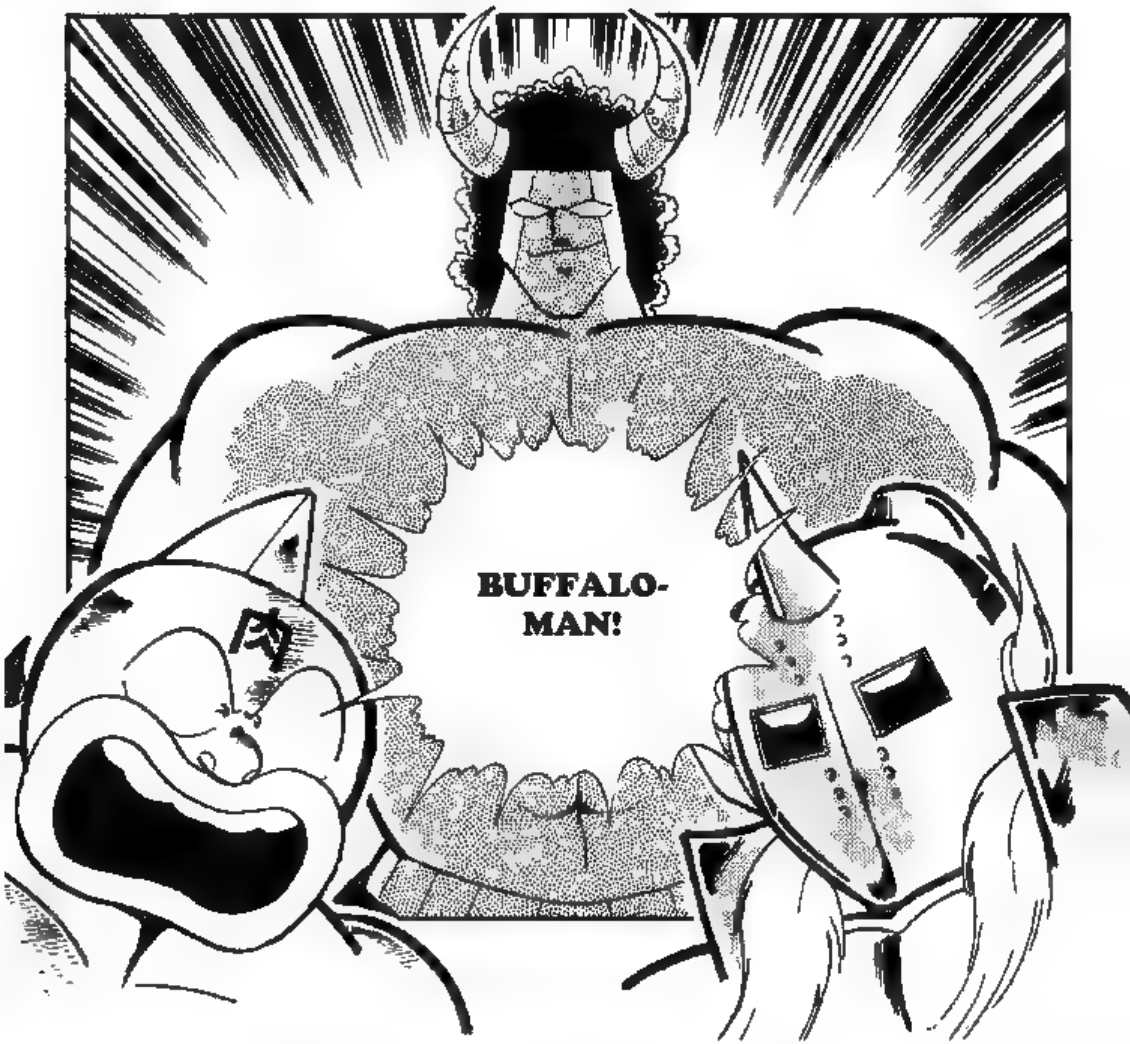


The Devil
Chojin still have our special guest who came here with us.
Stay focused, Ashuraman.
If you're here, then...
Come on, I'd never let my fans down, so I deserve this cheering session!
Even your special guest will lose to ourse!
Of course, I almost forgot about him.
He's coming.
ズズズ
When you see him, you'll probably go into shock!
Hey guys, set up another ringside seat! I ran into someone earlier who's going to surprise all of you!
He's here, hurry and get him a seat!
ズズズ



Wel-
come!

You're
right on
time.

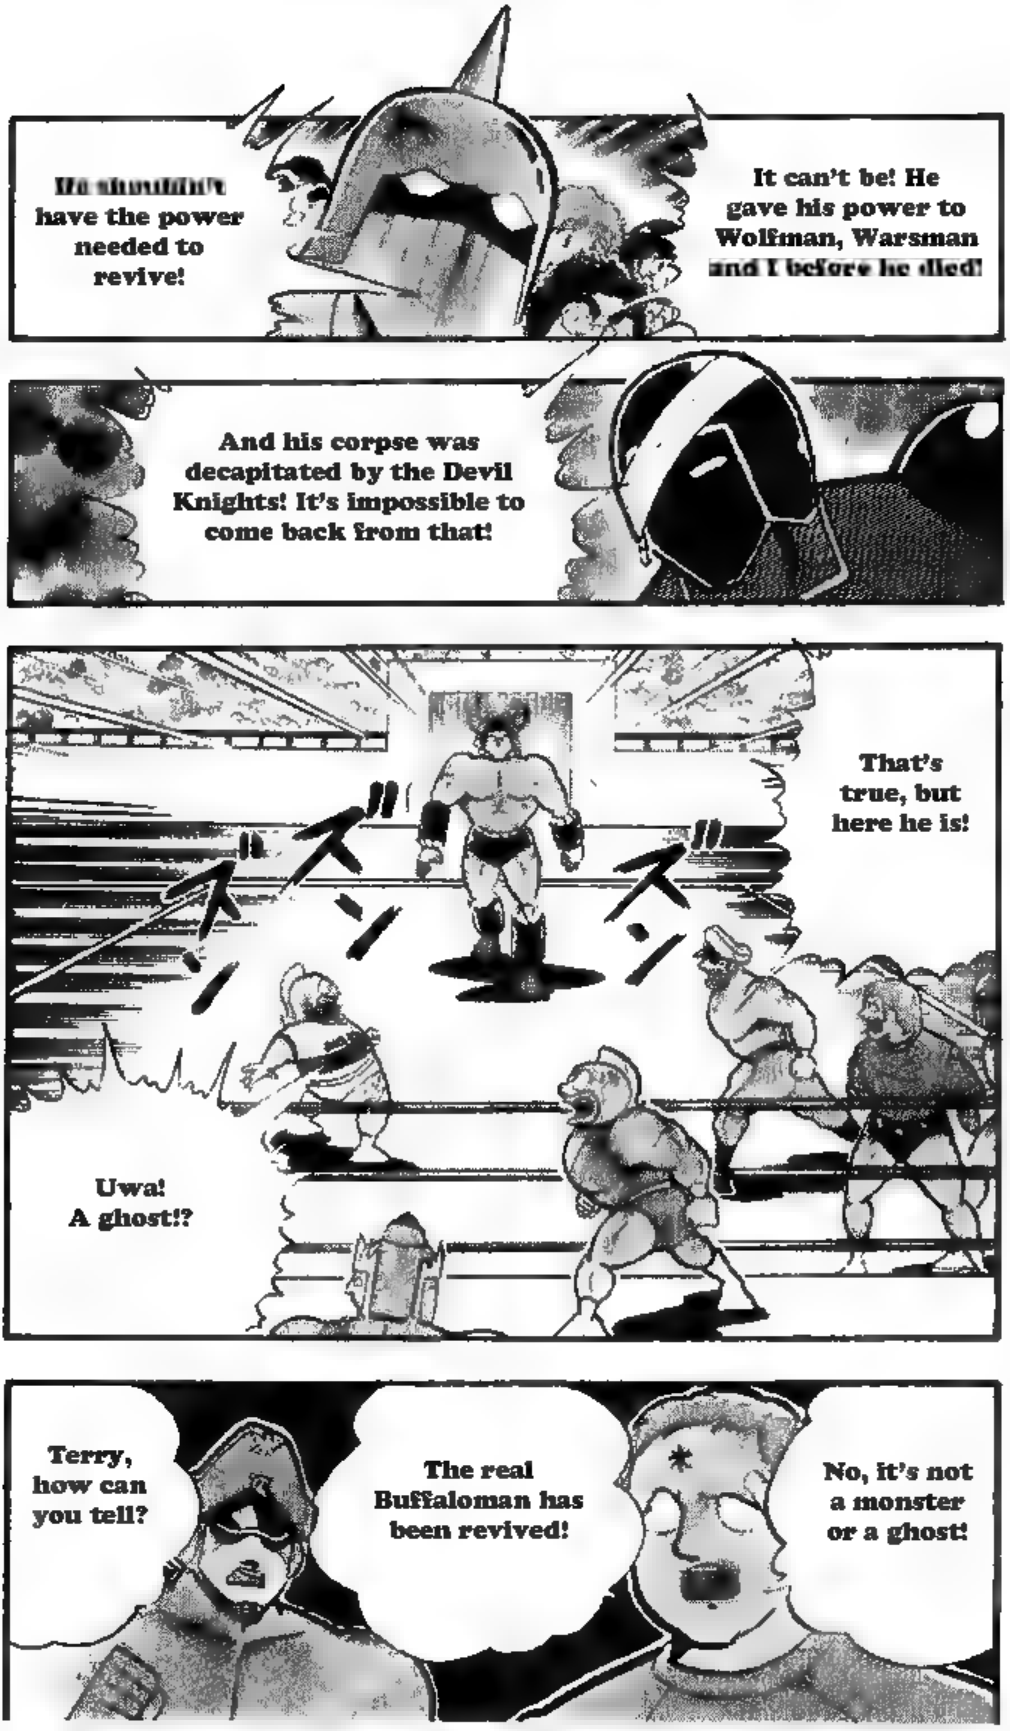


BUFFALO-
MAN!

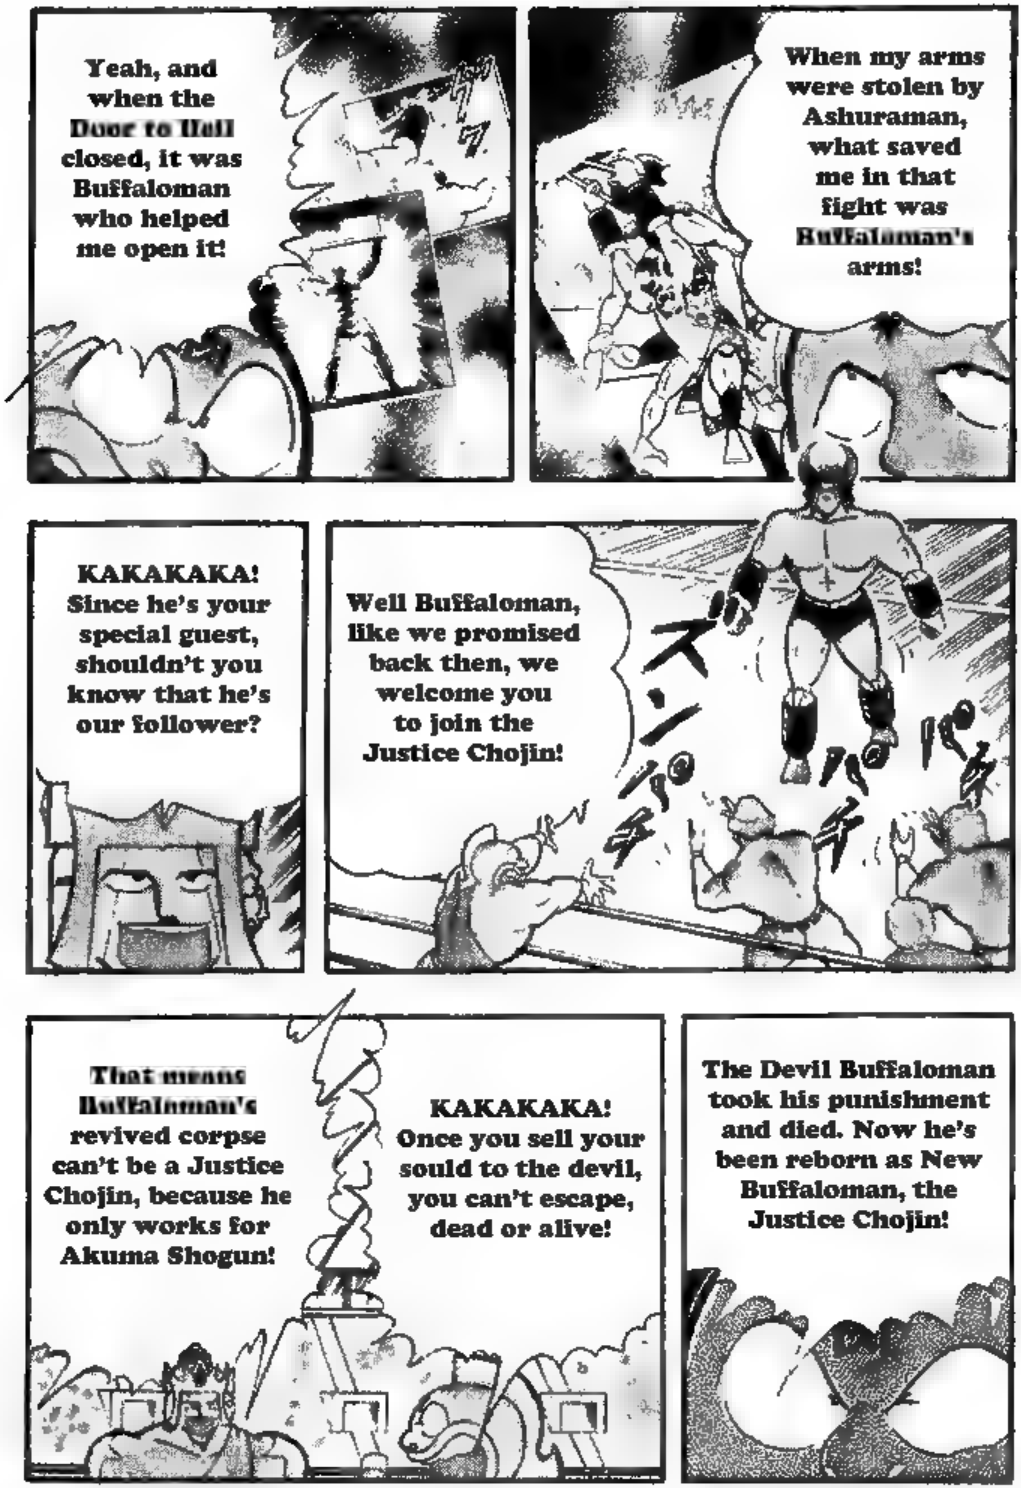
Golden Mask Arc 32

The Terrible Deathmatch!

Buffaloman, who had been defeated by Kinnikuman and should have been executed by the Devil's Punishment is standing before us!
Buffalo-man!



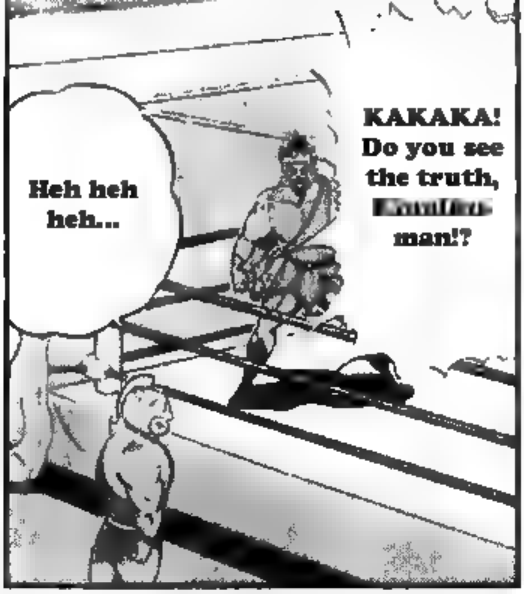
He shouldn't have the power needed to revive!
It can't be! He gave his power to Wolfman, Warsman and I before he died!
And his corpse was decapitated by the Devil Knights! It's impossible to come back from that!
That's true, but here he is!
Uwa! A ghost!?
Terry, how can you tell?
The real Buffaloman has been revived!
No, it's not a monster or a ghost!



Yeah, and when the Door to Hell closed, it was Buffaloman who helped me open it!
When my arms were stolen by Ashuraman, what saved me in that fight was Buffaloman's arms!
KAKAKAKA! Since he's your special guest, shouldn't you know that he's our follower?
Well Buffaloman, like we promised back then, we welcome you to join the Justice Chojin!
That means Buffaloman's revived corpse can't be a Justice Chojin, because he only works for Akuma Shogun!
KAKAKAKA! Once you sell your sould to the devil, you can't escape, dead or alive!
The Devil Buffaloman took his punishment and died. Now he's been reborn as New Buffaloman, the Justice Chojin!

That's not true! Buffaloman was revived thanks to our hearts of Justice! God has answered our prayers and revived him!
KAKAKA! Your prayers brought him back to life?
Where will Buffaloman sit? On the Justice Chojin side, as expecter, or in the Devil Chojin stands!?
Hehehe... well look at that! He's coming to the Justice Chojin seats!
Huh?
Alright, Buffaloman! Come have a seat and we'll overthrow Akuma Shogun by fighting together!

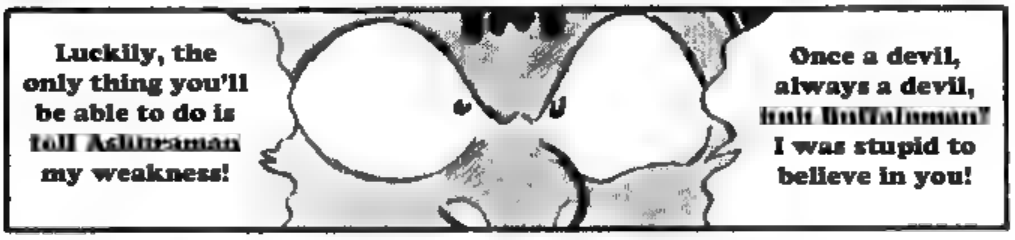
ズン
ズン
ズン
Buffalo-man...
You're right on time, Buffaloman.
Lord Shogun, I am extremely greatful you would revive a man like me.
Buffaloman's aim is to overthrow the Justice Chojin!
Buffaloman!? You've seen the power of friendship and still haven't decided to join the Justice Chojin!?
Aah!
肉



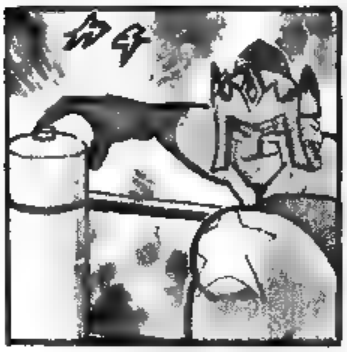
Heh heh heh...
KAKAKA! Do you see the truth, [redacted] man!?

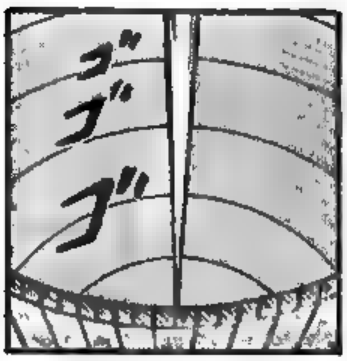
Yes, sir.

Buffaloman, I have ressurected you because you know about Kinnikuman. You will be our advisor for the match.

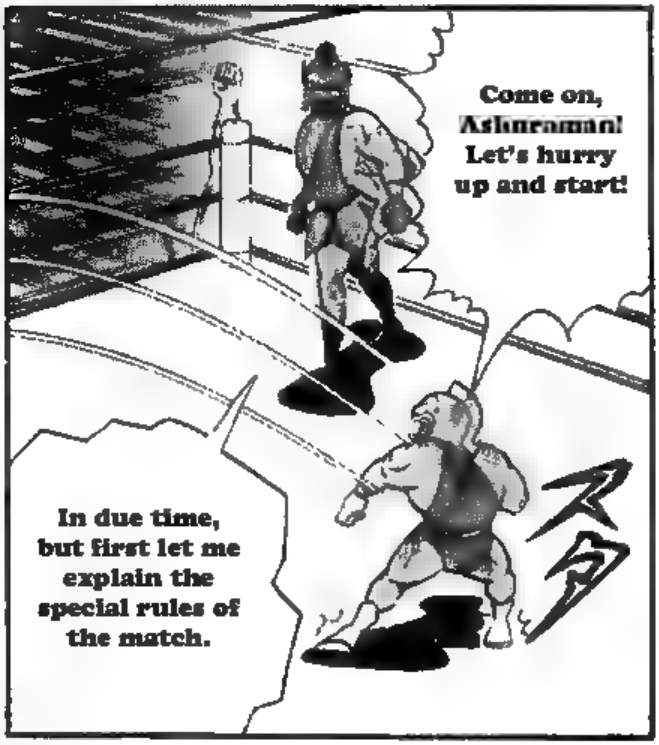


Luckily, the only thing you'll be able to do is tell Ashuraman my weakness!
Once a devil, always a devil, [redacted] Buffaloman! I was stupid to believe in you!

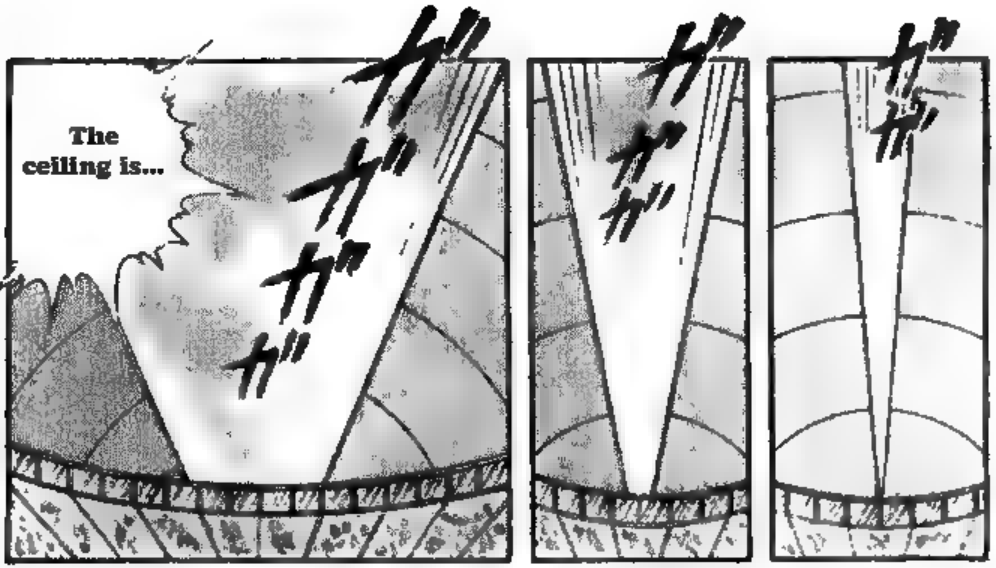




ゴ"
ゴ"
ゴ"

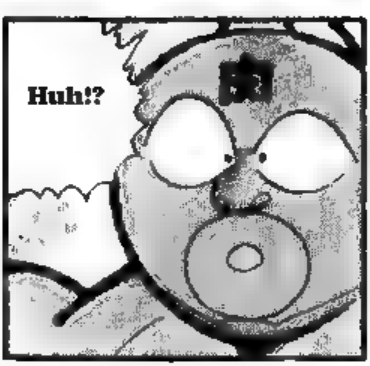


Come on, Ashuraman! Let's hurry up and start!
In due time, but first let me explain the special rules of the match.

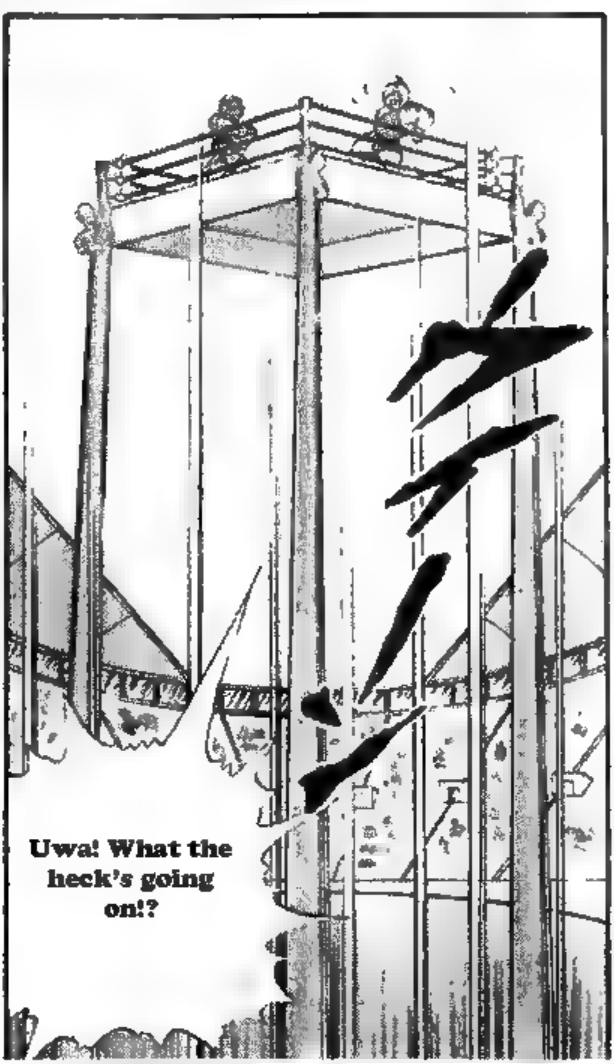


The ceiling is...

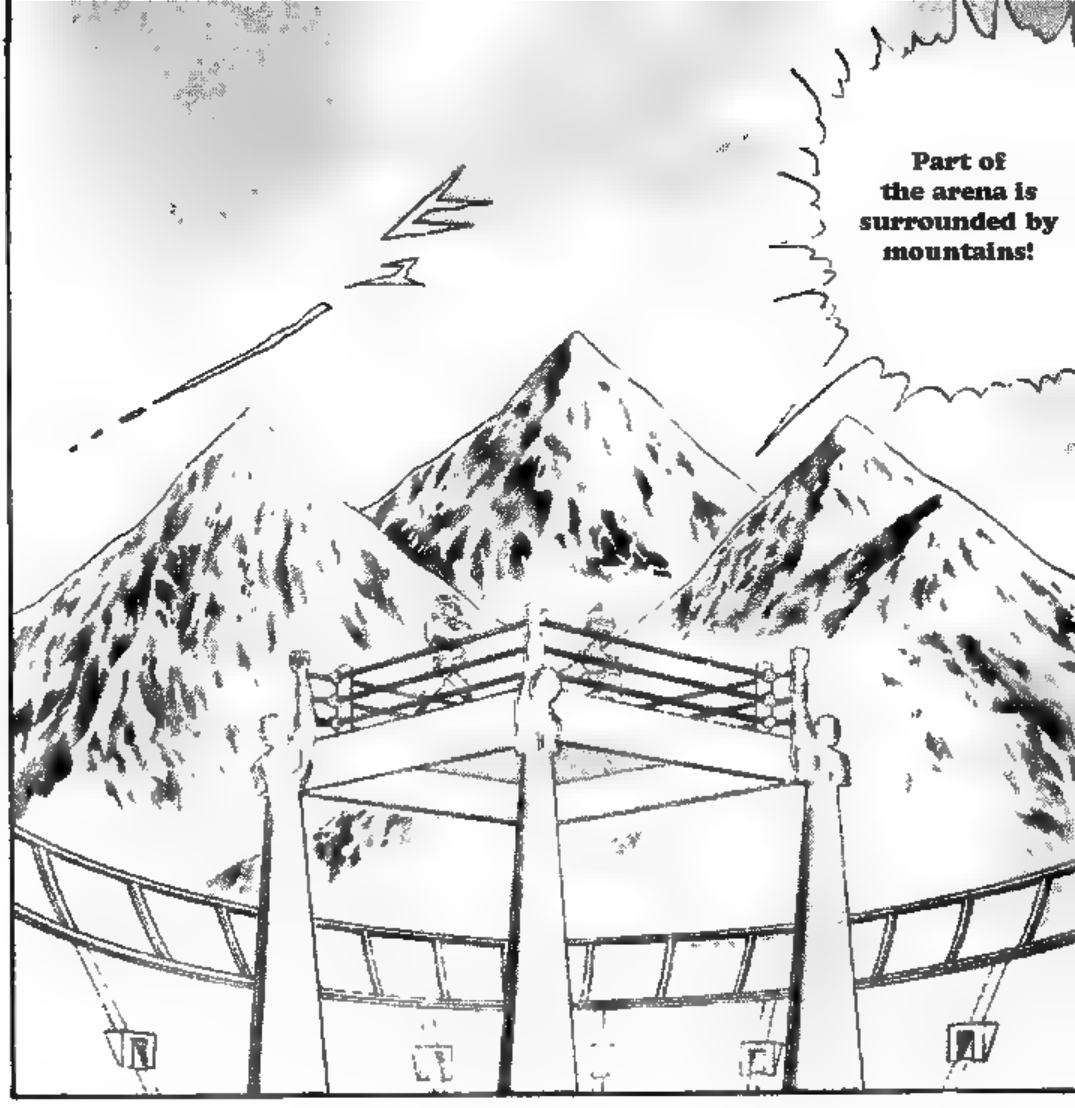
Suddenly, the ceiling of the gym has openen and the ring is rising!



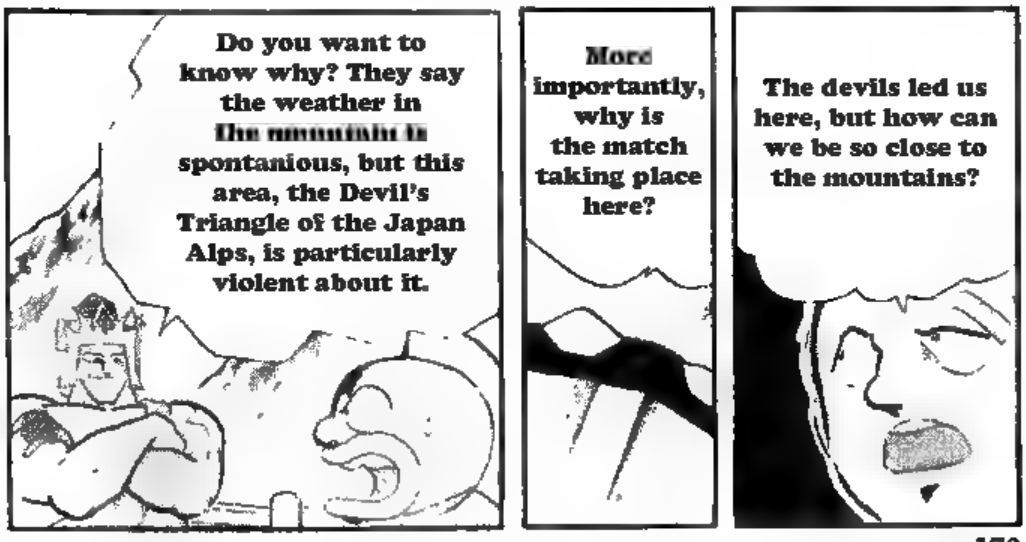
Huh!?



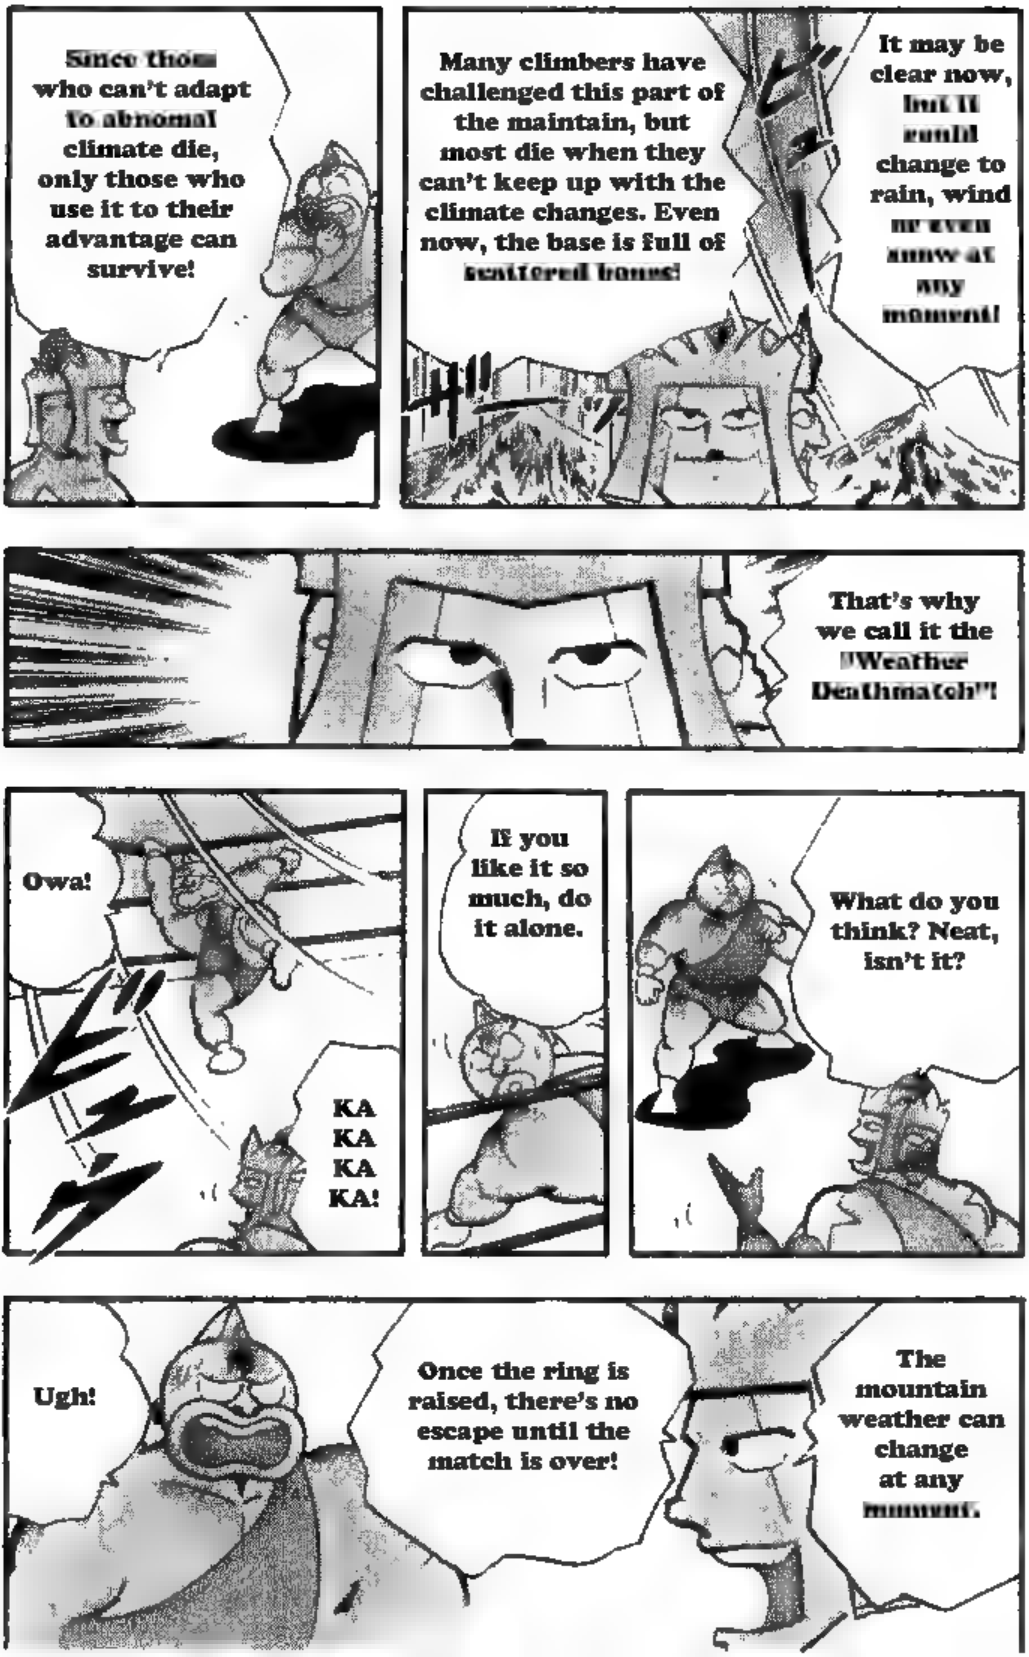
Uwa! What the heck's going on!?



Part of the arena is surrounded by mountains!



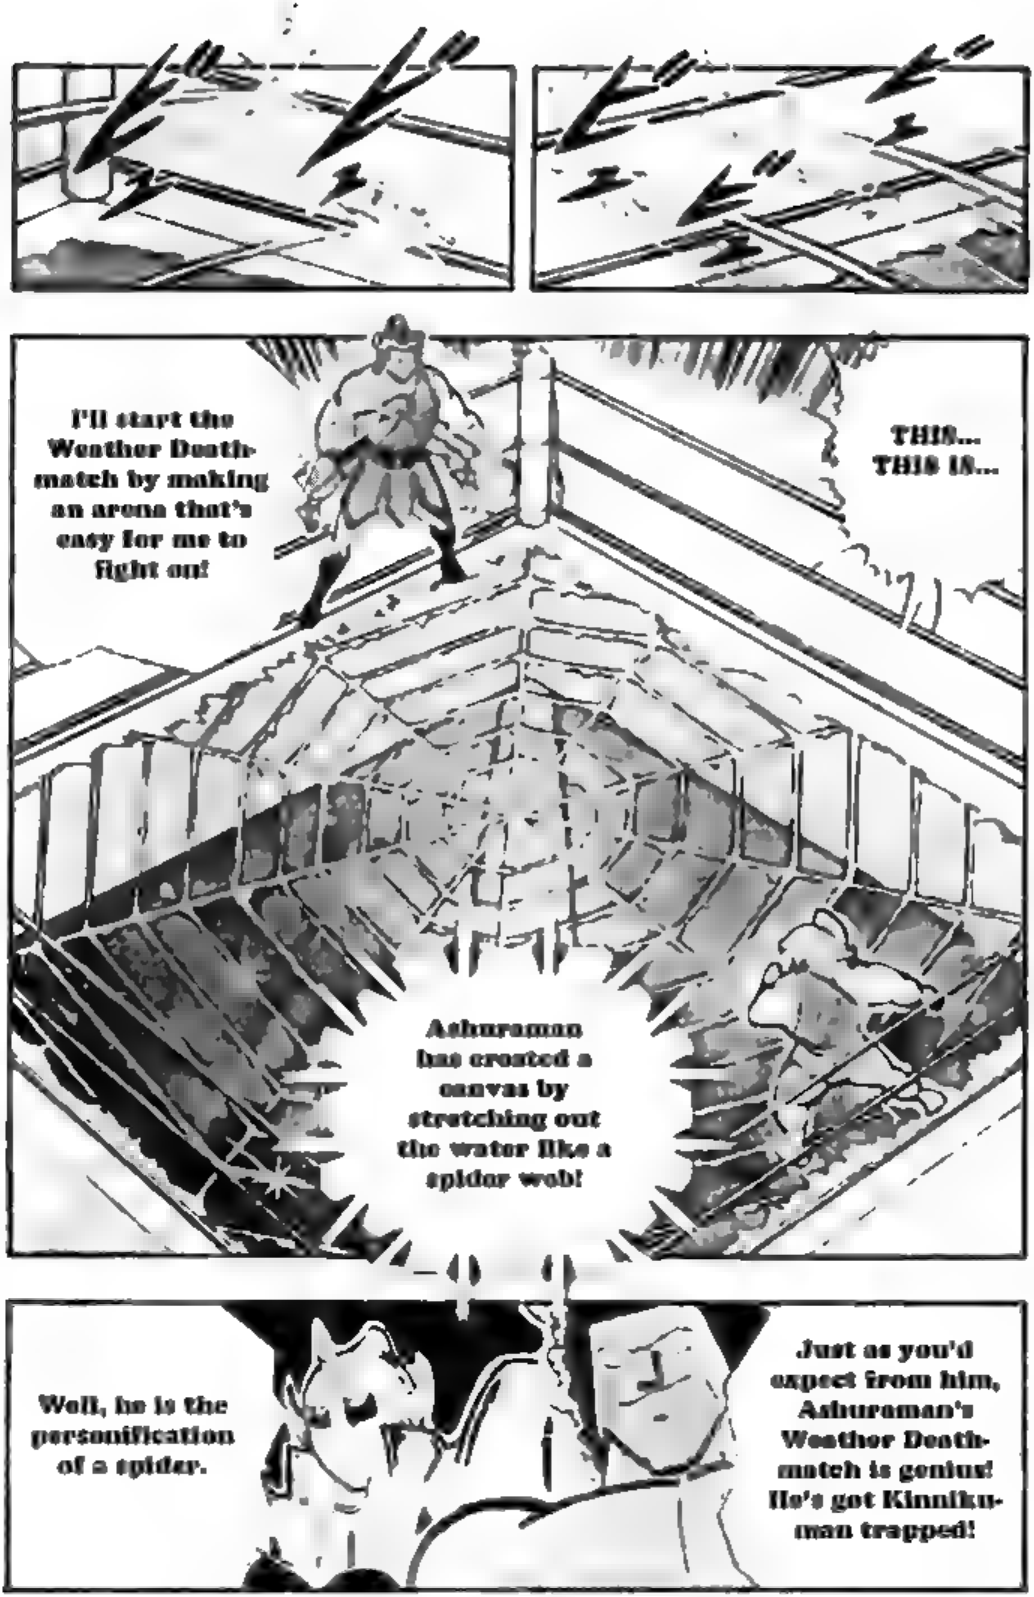
Do you want to know why? They say the weather in [illegible] is spontanious, but this area, the Devil's Triangle of the Japan Alps, is particularly violent about it.
More importantly, why is the match taking place here?
The devils led us here, but how can we be so close to the mountains?



Since those who can't adapt to abnormal climate die, only those who use it to their advantage can survive!
Many climbers have challenged this part of the maintain, but most die when they can't keep up with the climate changes. Even now, the base is full of scattered bones!
It may be clear now, but it could change to rain, wind or even snow at any moment!
That's why we call it the "Weather Deathmatch"!
Owa!
KA KA KA KA!
If you like it so much, do it alone.
What do you think? Neat, isn't it?
Ugh!
Once the ring is raised, there's no escape until the match is over!
The mountain weather can change at any moment.

Owa!
Well, I guess the match is cancelled!
A gust has just blown away the canvas!
Eek!
If you can't use the weather to your advantage, you can't win!
It is normal in a Weather Deathmatch!
There's no way I can't use this!
And now we get a light rain!

What's he doing now?
He made a rope out of the water!
Geh!
KA KA KA KA KA!



I'll start the Weather Deathmatch by making an arena that's easy for me to fight on!
THIS... THIS IS...
Ashuraman has created a canvas by stretching out the water like a spider web!
Well, he is the personification of a spider.
Just as you'd expect from him, Ashuraman's Weather Deathmatch is genius! He's got Kinnikuman trapped!

Okay.
Don't be afraid, my water net is strong.
KAKAKAKA! Kinnikuman, you don't have anywhere to run, ao you might as well just come over here!
I can't walk on water!
It's even stronger than a normal rope!
Oh, this is great!
Don't get caught in it!
KAKAKA KAKA!
Kinnikuman is captured in Ashuraman's spider web!
Owa! My lower body!

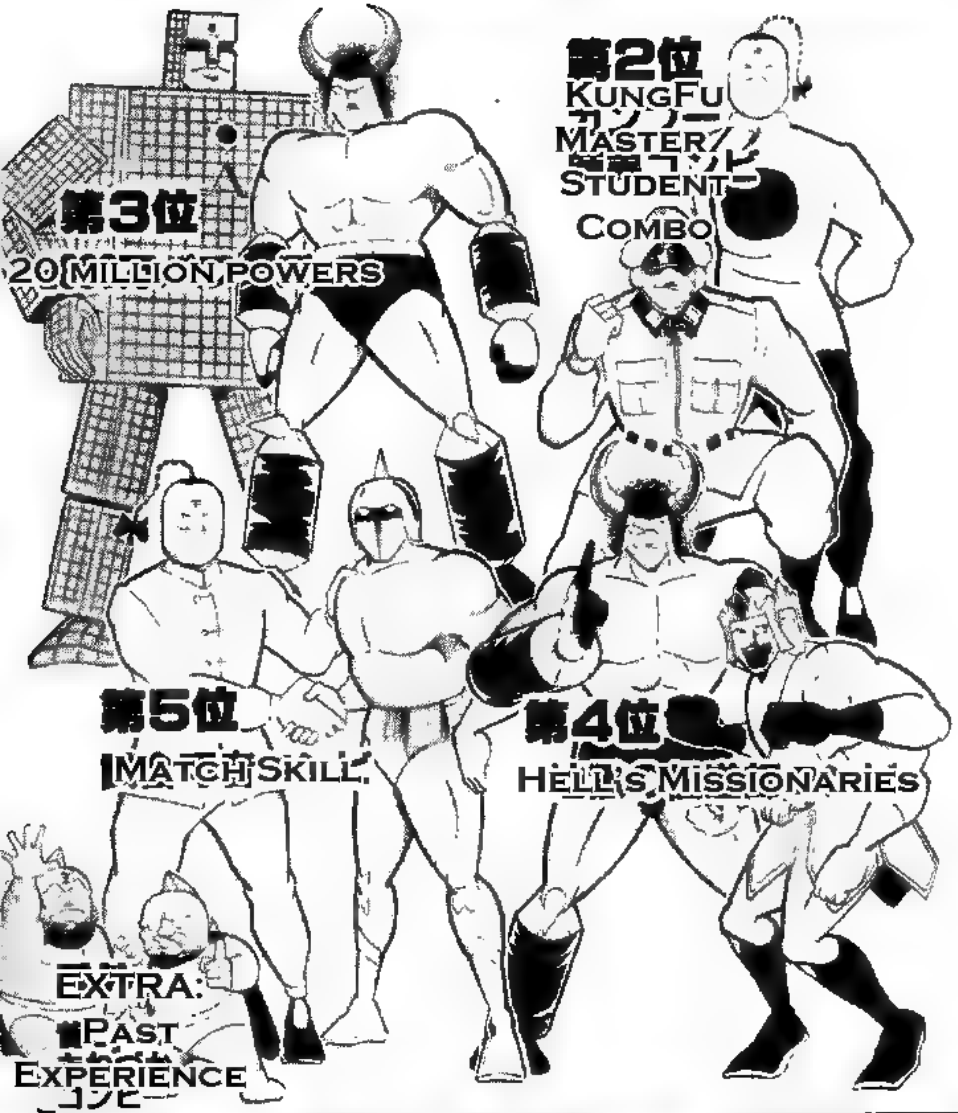
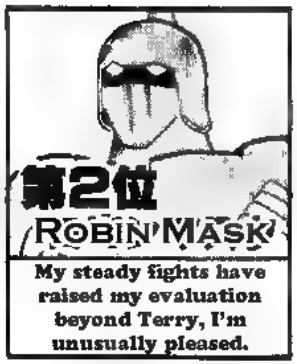
DREAM TAG TEAM DIVISION



CHOJIN POPULARITY POLL:

I have full fame in the top but...I'm not the nicest in the world!

I'm a devil at heart!! I can't express my gratitude like the Justice Choujin!

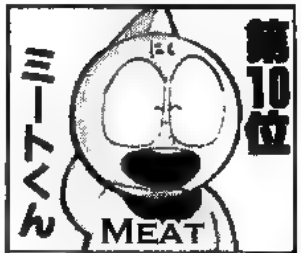


My steady fights have raised my evaluation beyond Terry, I'm unusually pleased.

WH...WHO'S THE MAIN CHARACTER IN THIS MANGA!!

Ev...eryone, th...thank you. (Warsman is unexpectedly shy)

Did you know that I have the most female fans?



Hehehe...there are more appropriate Choujin than me but...thank you!!

I'll prove that the Ashura Buster is greater than the Kinniku Buster!!

Due to honorably dying in action in the five-tier ring, it's impossible for him to comment

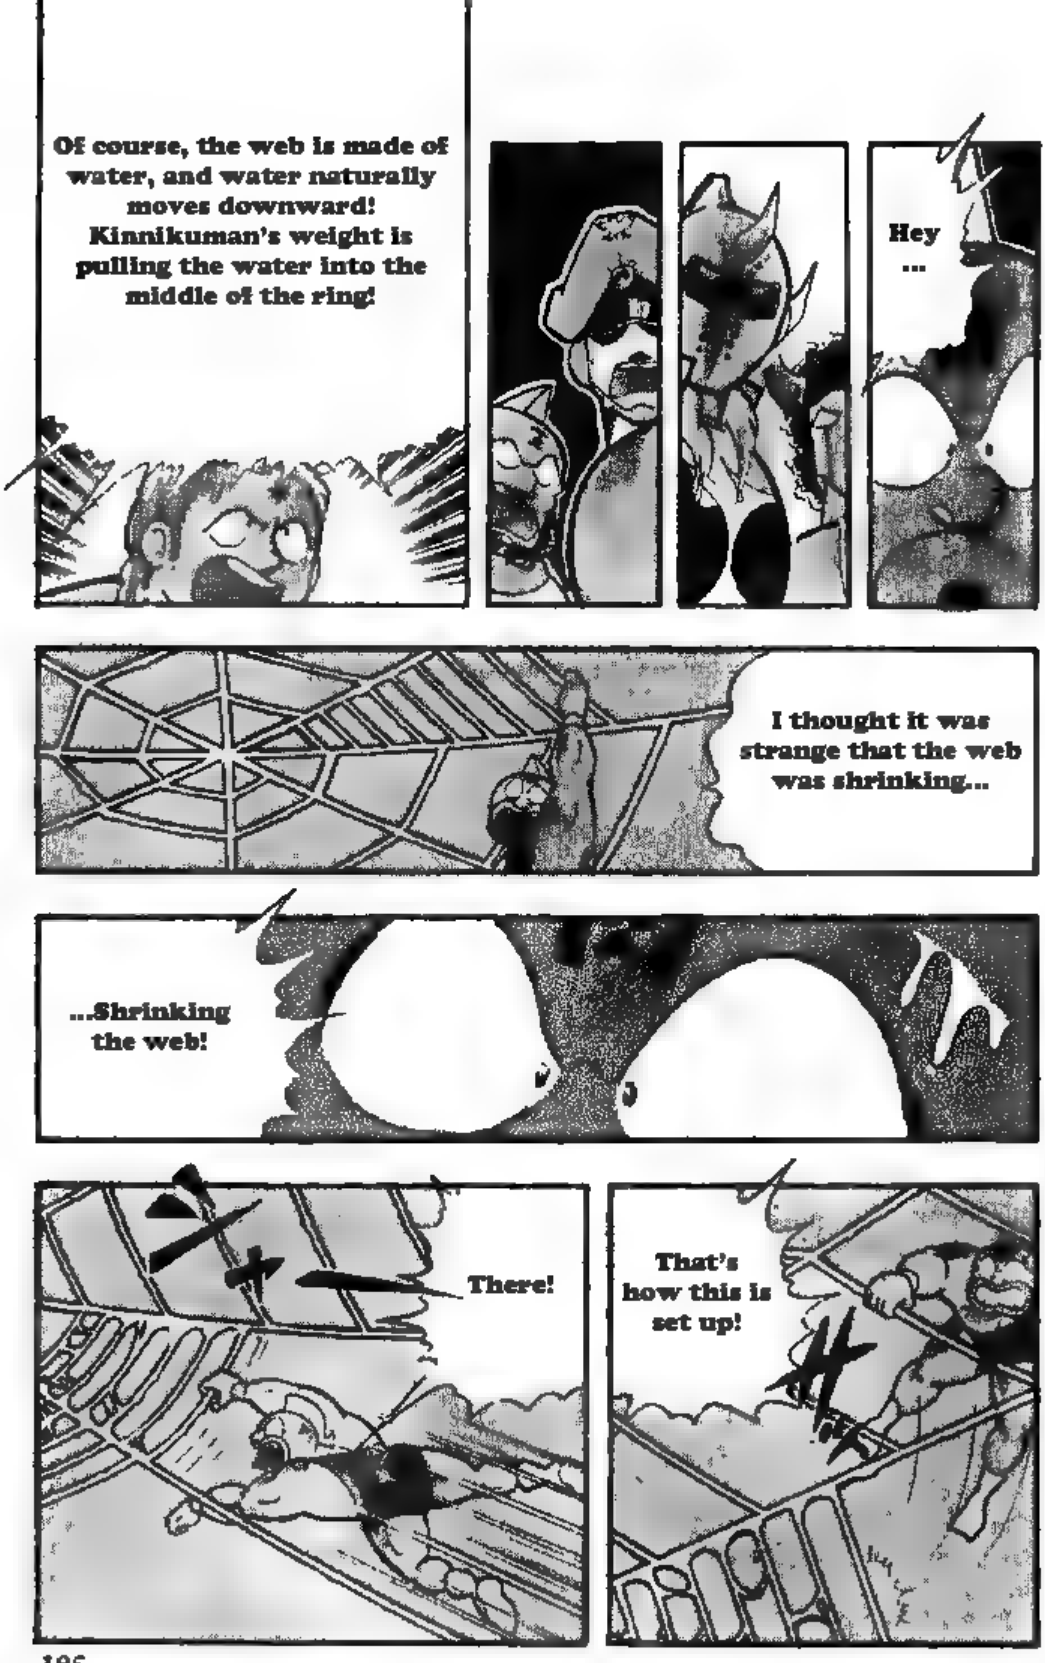
Asura Torpedo!
KAKAKA KAKA!
KAKAKA!
Asuraman's six arms are strongly attacking the stuck Kinnikuman!
KAKA KAKA!

Two of those arms still belong to Terryman, so he's watching Kinnikuman get attacked by his own arms!
It's even crueler for Terryman!
Uwahahaha! This is an interesting show.
On top of having his legs captured, he can't defend against that shower of attacks!
……
KAKA KA!
Prince, are you going to die without even hurting him!?

KAKA KA!
I can't do anything! He has no real weakness!
Uh!
OOP
Hehe... I've finally picked up on the rhythm of your attacks!
It's over!
Kinnikuman has avoided the attack for the first time!

I did it! Even a devil can't survive that fall!
Gya!
Ashuraman had too much momentum and is flying out of the ring!
Kinnikuman Landing!
KAKA KAKA KAKA KA!
Pardon me for robbing your victory, Kinnikuman!
However, Ashuraman has used a water rope to grab onto the ring!

Wohohoho! I didn't think I'd see the end of Kinnikuman so soon!
Uwa! Stop!
KAKAKA! Fall! FALL!
The situation is reversed, and Kinnikuman's back in a bad spot!
This is when he gets sorry...
No, Lord Shogun...
KAKAKA! Fall into hell!
Guh!
Uwa!

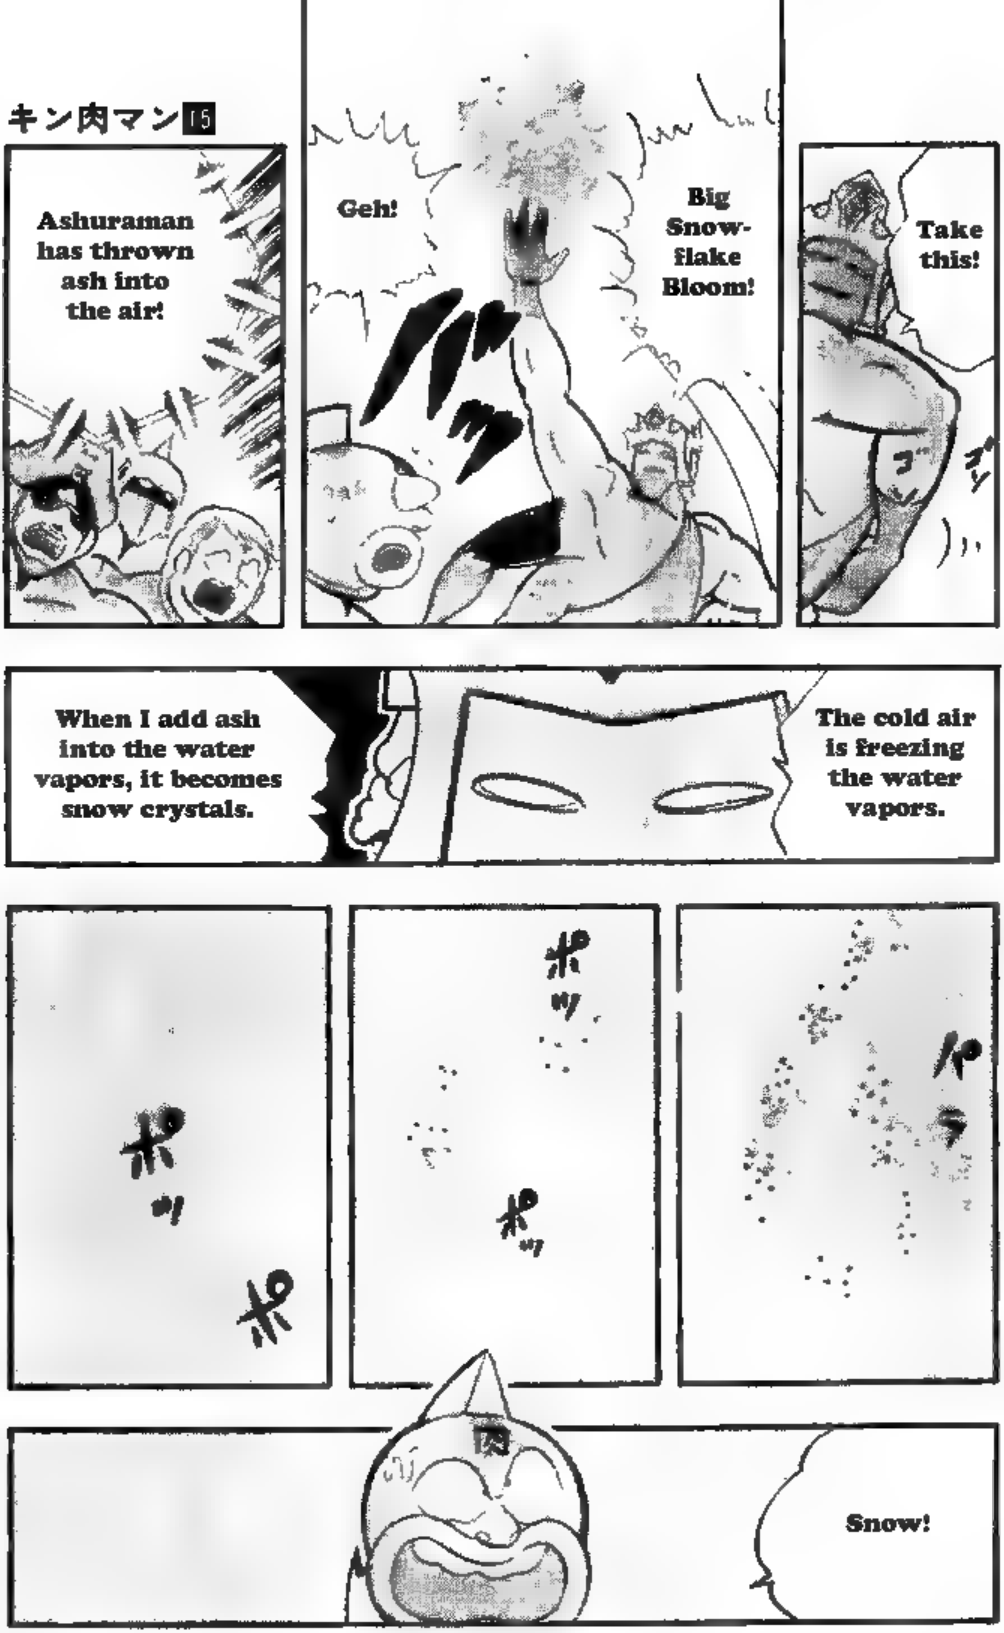


Of course, the web is made of water, and water naturally moves downward! Kinnikuman's weight is pulling the water into the middle of the ring!
Hey ...
I thought it was strange that the web was shrinking...
...Shrinking the web!
There!
That's how this is set up!

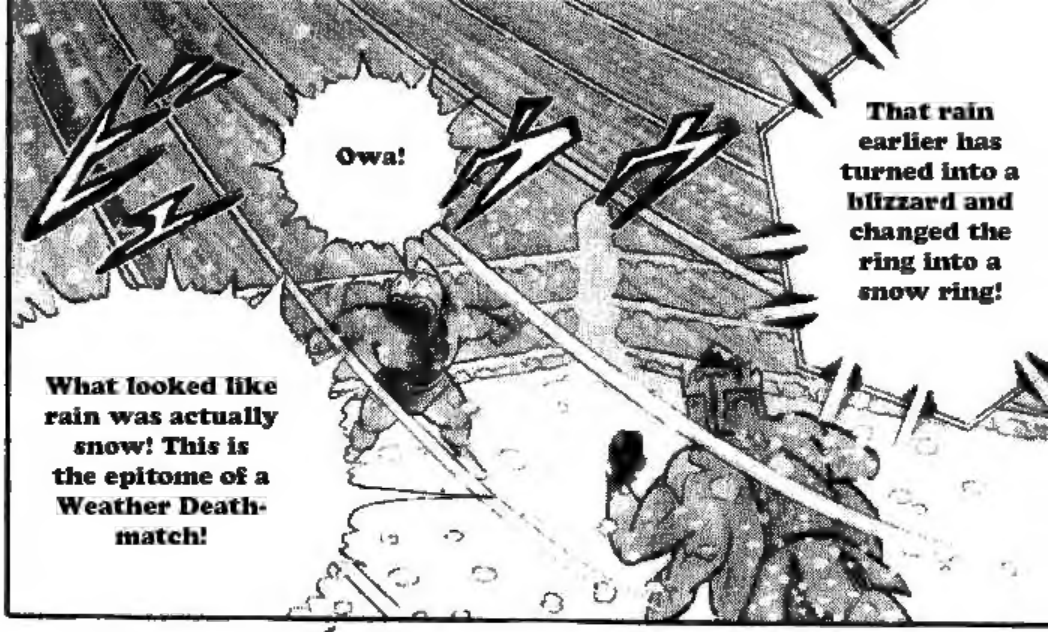
What are you doing!? Stop, or I won't have a footing!
Kinnikuman is pushing all of the ropes in the web to the center!
Ooh!
On the other hand, I will!
Come on! There's only one foothold, and it's mine!
Geh!

Urya!
Quit babbling!
Hm...
He countered Ashuraman's prided ring. That's Kinnikuman...
The spider-web problem is gone like that!

It looks like it's going to rain!
You dared to hurt me earlier, but now it's my turn!
Ashura Face: Cold
It's just cold enough...
What, why is it so cold all of a sudden!?

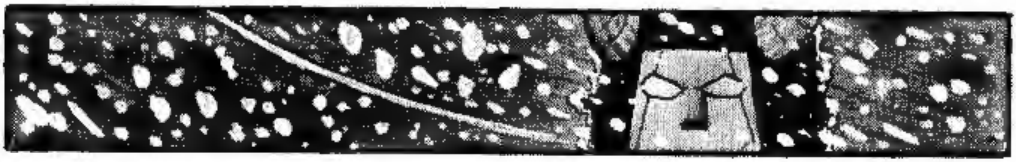


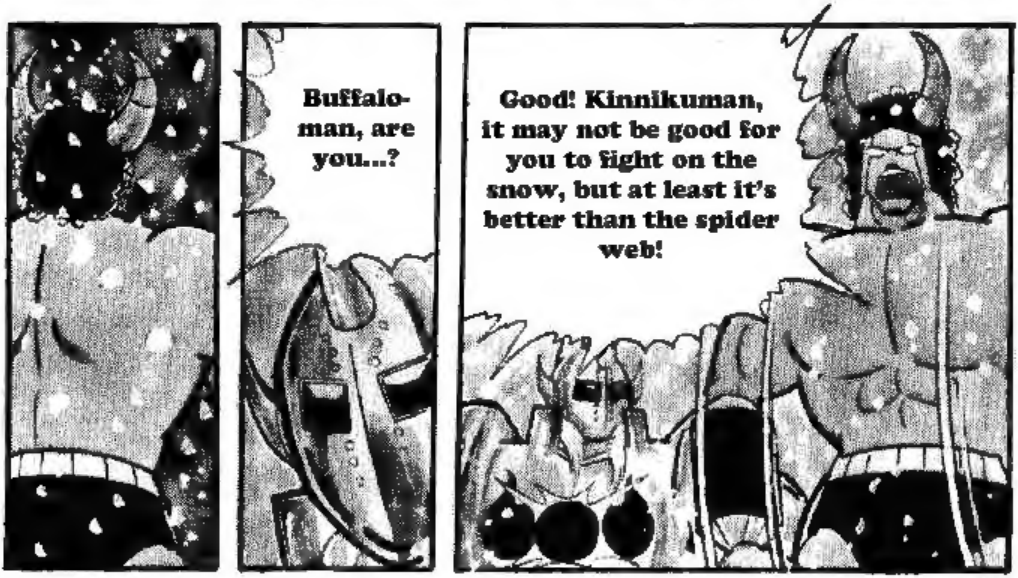
Ashuraman has thrown ash into the air!
Geh!
Big Snow-flake Bloom!
Take this!
When I add ash into the water vapors, it becomes snow crystals.
The cold air is freezing the water vapors.
Snow!



Owa!
That rain earlier has turned into a blizzard and changed the ring into a snow ring!
What looked like rain was actually snow! This is the epitome of a Weather Death-match!

Damn, Suguru's slow brain can't handle this!
Of course! Now I understand what he meant earlier!





Buffalo-man, are you...?
Good! Kinnikuman, it may not be good for you to fight on the snow, but at least it's better than the spider web!

Take this!
Thanks for the advice, Buffaloman! You really are an ally!
That means I won't have to worry about my footing anymore! If I don't give him a chance to counter-attack, I can win!
KAKAKA, you've fallen for it, Kinnikuman!
What!?
Kinniku Buster!
Kinnikuman has caught Ashuraman in a Kinniku Buster on the snow!
Geh!

Nobody should walk on the new snow, because it's like falling in an Ant Lion's nest!
